Countries, Funds Of Fulbright Act Outlined by Bowles

"Out of the 6,000 applications, 780 scholarships were given under the Fulbright Act and this isn't a bad ratio at all," Gorman T. Bowles, member of the Associate Research Council, said last night.

Bowles discussed the Fulbright act with a group of about two hundred students and faculty members. This act, sponsored by Senator Fulbright, obtains funds from the sale of surplus material to foreign nations.

These funds are set at a maximum of 20 million dollars and will be dispensed at the rate of a maximum of 1 million per year, Bowles said. At present the United States has trade agreements with such countries as France, England, Belgium, Greece, Luxembourg, Netherlands, Norway and the colonies of these countries.

The administration of the program comes under the nominal head of the President and the congress. The president has appointed a committee of ten men to carry out the administration of the program on the same level of the States, whose function is to keep hold of the purse strings, Bowles said.

Filing Deadline Today, Sophs Elect Tomorrow

No non-corps vice-president will be elected to a sophomore class officer position this year, the class decided in their meeting yesterday. The Class of '52 met at 5 p. m. in the Assembly Hall.

The meeting was called by the outgoing class officers, with Ralph Rowe, retiring class president in charge. A majority of the class was present.

Eight positions are open for candidates, with filing closing at 5 p. m. today. All candidates must have filed in the Student Activities office, 2nd floor, Goodwin Hall, by that time.

Officers to be elected are: president, vice-president, secretary, treasurer, social secretary, parliamentarian, sergeant-at-arms, and a combined reporter-historian.

Any academically classified sophomore — corps, (including transfer students) or non-corps — is eligible for office, Rowe said. All offices are open to any of these classified men.

First ballots will be distributed Thursday evening for voting that night. Voting in the corps will be handled primarily through units, while non-corps voting will have separate arrangements, due to the geographical difference in the living quarters.

Although filing has been officially open since October 21, most of the filing for candidacy is expected today, Rowe said.

Here are the candidates who had filed as of 5 p. m. yesterday:

President: Richard A. Ingels Vice-president: Robert M. Dobbins; Dan Davis; Eric Carlsson; Dean Reed; and Hayden I. Jenkins Secretary: Fred Bruce McDaniel; Duane E. Vandenberg Social Secretary: C. Luther Leatherwood Reporter-Historian: John Tapley.

The second, and final, election will be held Monday night, October 31, according to Rowe. In this election, the three men recording the highest number of votes in the first ballot will appear as candidates for their respective offices.

Pluralities will decide the final vote, although a majority on the first ballot will eliminate the necessity for a run-off for any position, Rowe concluded.

Clothing Drive Now Underway

The Save the Children Bundle drive for good used children's clothing is now underway in Bryan and College Station schools.

Thursday is the deadline for children to bring this clothing to school. It is requested that the clothing be tied in bundles. Mrs. J. R. Hillman, area director, said: "Bundles arriving after Thursday should be turned in at the Save the Children Federation workroom at 506 N. Main St. Clothing is accepted at the SCF workroom at anytime during the year."

There is a great demand for infants and men's clothing also. The Federation program covers seven counties in Texas known as the Brazos Delta Area. It is in operation in nine other states and as a private welfare agency is dependent upon voluntary contributions of cash and clothing to operate its program.

Clothing collected is sold to parents who are unable to purchase new clothing for a nominal sum. In turn the money so obtained is used by local county committees to help work in that county and to bear the expense of the program.

Clothing centers are located in Bryan, Calwell, Rockdale, Cameron, Calves, Gliddings, Navasota and Brenham.

TU Tower Chimes Play Baylor Song

AUSTIN, Tex., Oct. 26.—(AP)—Texas University's tower chimes rang out last night with "That Good Old Baylor Line."

University officials said it was not to be taken as indication of any weakening in rivalry between the Longhorns and the Bears who have a football game a week from Saturday.

Playing of the song was to call attention to a dinner kicking-off the Baylor Stadium drive here.

There will be a junior class meeting tonight at 8:15 in the Assembly Hall.

The meeting is at this time, Junior President Pusher Barnes said, because of the ROA coffee for ROTC contract holders.

Quarter Horse Conference On Campus Oct. 28

The American Quarter Horse Association and the A. H. department of A&M will be hosts of a Quarter Horse Type Conference to be held here October 28-29.

Attendees will be treated to the A&M College rodeo which will be held the evening of the day's meeting. The rodeo is sponsored and put on by the Animal Husbandry department and students.

Highlights of the program include lectures by E. Morrison, assistant secretary, American Quarter Horse Association; Dr. D. B. Sprott, quarter horse breeder of Killen; Dr. J. K. Northway of the King Ranch, Kingsville; Wayne Dinmore, secretary of the Horse Association of America; and Dr. A. A. Loner, A&M School of Veterinary Medicine. These men will talk on such topics as the anatomy, musculing, feet and legs, and breeding of quarter horses.

A judging contest will be held Saturday morning at 8 o'clock with F. I. Dahlberg of the A. H. department in charge. Classes of stallions, mares and weanlings will be judged. All persons attending the conference are urged to participate. Prizes will be awarded to the best judges. Members of the Judging Committee will make the official placings and give reasons on each class. The judging committee consists of D. B. Sprott, R. L. Underwood, and W. M. Warren.

Honor Society Picks Officers

All students who have been initiated into Tau Beta Pi, and who have not yet received their first bachelor's degree, are requested to attend the annual fall election of members on Oct. 26 at 7:15 p. m. in the Chemistry Lecture Room, according to Donald Jarvis, president.

A roll will be taken and members not present who have not presented acceptable excuses beforehand will not be eligible to receive free banquet tickets, Jarvis said.

The election will be for juniors and seniors. Election is not automatic and requires certain minimum scholastic standings.

Minimum scholastic eligibility requirements for seniors (graduate by June 1950) are upper 10% of graduating class with a grade point ratio of not less than 2.0. It has been determined by recent figures that the minimum grade point ratio for the upper 10% is 2.20.

Minimum scholastic eligibility requirements for juniors (graduate by January 1951) is upper 10% of graduating class with grade point ratio of not less than 2.25.

Minimum scholastic eligibility requirements for juniors (graduate by June 1951) is a grade ratio of 2.75, but not more than 10% of the total membership of the chapter may be so elected (in which case only 7 may be elected).

All members knowing of students who are eligible are requested to check the information now on file in the Office of the Dean of Engineering, Jarvis said.

Freshman Given \$125 Scholarship

A \$125 scholarship was awarded to Clifton Seifert of Lexington, Texas by the A&M Collegiate Chapter of the Future Farmers of America for outstanding leadership qualities.

Possess leadership qualities, he is a member of the FFA for a period of three years, he is a member in good standing of some Texas FFA Chapter, have an active project program, and, upon entering college major in agricultural education were qualifications necessary to receive the award.

Seifert was elected to the offices of treasurer and president of the Lexington Chapter of the FFA while enrolled in high school. He is now a freshman in A&M.

Matagorda A&M Club To Elect Officers

The newly organized Matagorda County Club will meet Thursday at 7:30 p. m. in room 305 Academic Building for the purpose of electing officers and ratifying the club's constitution.

All persons interested in joining the club are invited to attend.

Houston Club To Hold Dance At Shamrock

Beginning this year, the Houston A&M Club will sponsor a biennial corps trip dance which will be held the Saturday night of the Rice game, G. P. Monks, president of the San Jacinto Chapter and acting president of the Houston A&M Club announced today.

The dance this year will be held in the Emerald Room and Grecian Room of the Shamrock Hotel from 9 p. m. to 1 a. m. All students are invited to attend the dance, Monks said. Invitations will go on sale Wednesday, Oct. 26 at a price of three dollars a couple. The dance is semi-formal and no corsage will be allowed. Girls are asked not to wear evening gowns.

Although an orchestra has not yet been selected the club plans to have an eleven piece band and will send a committee to Houston this week to make final arrangements for a band.

Stoker Derby Day—Puffers Reign Supreme in 'Y' Tonight

BY DAVE COSLETT

More than 50 nicotine slaves of the first order met tonight to vie for fame in the 1949 Stoker Derby.

With over \$150 worth of prizes to be awarded, most contestants should have ample opportunity to emerge from the cloud of smoke as crown prince puffers.

Scene of the briar battle will be the YMCA Chapel. Touch-off time will be at 7:15 p. m.

No one will leave the affair empty-handed. Even spectators will have a chance to receive some of the samples to be given away and to fuel their burley burners with the abundant tobaccos on hand.

The six contest judges have been priming for their roles since the first of the week. They were each required to take a correspondence short course in nicotine management.

On hand to dispense with justice and prizes will be Dr. J. P. Abbott, Assistant to the Dean of the College at the Annex; Miss Clara Carson of the English Department; William H. (Dawg) Dawson of the coaching staff; Head Yell Leader James (Red) Duke; W. R. Horsley, Director of the Placement Office; and A. R. (Pop) Ward of the Campus Security Office.

There is a chance that Miss Carson may not be present. In a telegram received by the contest editor last night she said, "Unable to officiate at contest. Allergic to smoke."

Efforts are now being made to find an available gas-mask so that she may still join the judge's ranks.

Representing The Battalion at the contest will be Dave Coslett and John Whitmore. Other staff members who will help conduct the affair are John Tapley, Roger Coslett, Jerry Zuber, Frank Manitzas, George Charlton, and Bob Price.

At the meet, competition will be offered in almost every field of smoking and tobacco.

Main divisions of the nicotine nonsense will be: the Pipe Collection Judging and the General Smoking and Tobacco duels.

Included in the first will be two classes, one reserved to Frank Medico pipes only, and the other open to all makes and models.

Number of pipes, variety, odd-

ity, and display appearance will all count equally in this, probably the most competitive phase of the contest.

The second major division will offer diversity plus. Pipe smoking duels will be held in Calabash, large-bowl, briar, medium bowl, small bowl, miniature, Churchwarden, metal bowl, and professors medium bowl classes.

The entry keeping his pipe burning the longest after the signal has been given will be declared the winner in each class. Measured amounts of stoker fuel will be issued to each contestant in accordance with the class in which he is entered.

Additional clashes will take place in cigarette rolling, cigar smoking, smoke ring blowing, and corn cob smoking.

Prizes have been donated by both local and national tobacco, pipe, and novelty manufacturers and dealers.

The Memorial Student Center Confectionaries presented a \$3.50 Royal Demuth pipe, an \$8.50 Middleton Blending Kit, an A&M pipe, a \$7.50 Spiral Kool Metal pipe, a \$3.50 Zippo lighter, two Yello Bole cigar holders, and a \$2 Branston lighter.

L&H Stern Company is the donor of the \$35 seven-piece certified Puxep pipe-set to be given to the first prize winner for the general collections.

The S. M. Frank Company will award six Frank Medico pipes to the contestants entering the best collection of Frank Medicos.

From the Christian Pepper tobacco Company has come one pound and one half-pound can each of Christian Pepper Pouch Mix, London Dock tobacco, and Crosby Square tobacco, plus six pocket-sized packages each of Christian Paper Pouch Mix, Lon Dock, and Even Money tobacco.

Roger's Importers Incorporated has donated two genuine calf leather tobacco pouches, and Buecher's Industries of Columbia, Missouri, has given six dozen corn cob pipes.

Donated by the R. J. Reynolds Tobacco Co. were six 14-ounce cans of George Washington pipe tobacco, and six eight-ounce cans of Prince Albert pipe tobacco.

Eighteen one-pound cans and cartons of Sir Walter Raleigh pipe tobacco are being given by the Brown and Williamson Tobacco Company.

John Middleton, Inc. is giving the prize, list a boost with one-pound can of Walnut pipe tobacco, one one-pound can of Sugar Barrel tobacco, and two Variety Kits containing five small cans of fancy

The Sutliff Tobacco Company is awarding two one-pound cans and two half-pound cans of Mixture 79 pipe tobacco.

The makers of Craftman miniature pipes are donating about \$10 worth of their products.

No contestant will be limited to the number of classes he enters. Only profs and staff members, of course, will be eligible for the Prof Division.

Cards, checkers, and other forms of diversion will be on hand for contestants in the Calabash, large bowl and other long-winded phases of the contest.

Hendl to Conduct Orchestra As Bryan Artist Series Starts

BY MRS. W. C. DAVIS

The program for the Dallas Symphony Orchestra, which will appear in Bryan on January 24 as a part of the Bryan Artists Series, includes Gershwin's "Rhapsody in Blue" with Walter Hendl, new conductor of the orchestra, at the piano.

The entire program of the Dallas symphony includes Beethoven's "Leonore Overture No. 3," Mendelssohn's Symphony No. 4, "Italian Symphony," Stravinsky's "Firebird Suite," and "Rhapsody in Blue."

The Bryan Artists Series has a varied program for the 1949-50 season. The first event of the series is the New York Theater Guild's production of "The Hasty Heart" on October 31. "The Hasty Heart" is directed by Martin Manulis, whose last show was a smash hit, "Private Lives," starring Tallulah Bankhead.

Critics hail "The Hasty Heart" as one of the best plays to come out of World War II, probably because it is not strictly a war play, but a play about people who just hap-

pen to be involved in a war.

Elsa Maxwell, famous party giver and entertainer, will appear on the November 10 program. It has been said that she is one of the greatest geniuses at spinning a yarn in the world today. Elsa Maxwell introduced Rita Hayworth to Aly Khan, which became 1949's most heralded wedding.

Robert Rounseville, New York City Opera tenor, will appear on February 9 as the fourth attraction of the series. Rounseville played opposite Ilona Massey this summer in "Bitter Sweet," and had a leading
