Starting football at an early age, Mickey became captain of the Pasadena Junior High team and went on to become the only sophomore starting on the high school varsity. He advanced through his next two years in high school to become cocaptain of the team and an allstate selection for the 1946 season. One of the highlights of his high school career was his final season. That year Pasadena had just_been elevated to Class AA football and was placed in what is known as: one of the roughest districts in Texas. The district, then 14-AA,
