

### Frogs Surprise Mustangs, Take 21-13 Victory

Fort Worth, Nov. 29 (AP)—Little Lindy Berry, the rock of Texas Christian, said his valedictory to college football Saturday by passing and running his team to a 21-13 victory over Southern Methodist.

Berry scored one touchdown and passed for two more as the Horned Frogs licked the Mustangs for the first time in seven years.

The Christian quarterback threw 27 passes and completed 17 for 250 yards. He also netted 31 yards carrying the ball. The game's top runner was Kyle Rote of Southern Methodist, who rolled up 702 yards in 13 carries.

All-America Doak Walker of SMU sat out most of the last half as the result of a leg injury. It was after his departure from the game that the Horned Frogs swept to the victory that gave Texas Christian a tie for third place with Texas in the Southwest Conference standings.

**Frogs Top Statistics**

Texas Christian excelled both in the score and statistics, rolling up 351 yards rushing and passing to 312 for Southern Methodist and making 16 first downs to 13.

Southern Methodist scored first on a 37-yard run by big Kyle Rote with Walker kicking the extra point.

Texas Christian tied it up in the second period on the passing of Berry. From the Texas Christian 14, Berry threw to George Boal, who tore his way to the Southern Methodist 29. A pass from Berry to Jimmy Hickey made the touchdown. Homer Ludiker converted.

**Razzle-Dazzle Gains**

The Horned Frogs took the lead early in the fourth period after Shankle Bloxom recovered Rote's fumble on the TCU 49. A pass from Berry to Boal, who lateraled to Morris Bailey, who in turn lateraled to Jack Archer, carried 20 yards to spark the drive. Berry raced over from the SMU five-yard line for the score. Ludiker again converted.

Southern Methodist roared back for 75 yards and a touchdown, the score coming on 37-yard pass from Fred Benners to H. N. Russell, who raced 20 more for the counter. Rote missed the extra point.

The Frogs added another touchdown late in the final period on an 80-yard march. The score came on a 21-yard pass from Berry to Archer.

### Porkers Defeat Tulsa in Finale

Fayetteville, Ark., Nov. 29 (AP)—Settling down after a shaky start, the Arkansas Razorbacks won down a smaller University of Tulsa eleven, 40 to 7, here Saturday.

A crowd of 12,000—the smallest to see Arkansas play in several years—saw the underdog Hurricane score first, cling to a 7-7 half-time deadlock and then wilt under a five-touchdown onslaught by the Southwest Conference team in the last two periods.

Geno Mazzanti, Arkansas' big fullback and top ground gainer, led the touchdown parade with two. He replaced the injured Leon "Muscles" Campbell.

Tulsa moved 78 yards on three plays to start the scoring midway of the first quarter. A spectacular 50-yard pass and run play, Pete Annel to Fred Smith, produced the score.

After having one drive stopped at the Tulsa 12 and another at the one, Arkansas finally got its offense rolling in the second period. Fullback Louis Schaufele drove for the touchdown from inches out and Duvall Thornton kicked the first of four extra points to knot the count at the intermission.

Lighting panels will be used in connection with the project on grain storage.

"These panels are a new, low-cost window and skylight material for buildings covered with corrugated metal or corrugated asbestos," Dr. R. D. Lewis, station director, says. "The panels are translucent and take the place of the regular roofing or siding sheets."

The contribution was made by the Corralux Corporation of Houston.

**Top Ten**

The top ten teams with prospective percentages are as follows:

1. Notre Dame . . . . .99.6
2. Oklahoma . . . . .98.6
3. California . . . . .98.4
4. Army . . . . .98.2
5. Rice . . . . .95.1
6. Michigan U. . . . .94.0
7. Baylor U. . . . .94.0
8. Minnesota . . . . .93.8
9. LSU . . . . .93.8
10. Santa Clara . . . . .93.6

**Translucent Panels For New Quonset**

Eight lighting panels for use in the new Quonset building at Substation number one, Beeville, have been taken to the Texas Agricultural Experiment Station.

Lighting panels will be used in connection with the project on grain storage.

"These panels are a new, low-cost window and skylight material for buildings covered with corrugated metal or corrugated asbestos," Dr. R. D. Lewis, station director, says. "The panels are translucent and take the place of the regular roofing or siding sheets."

The contribution was made by the Corralux Corporation of Houston.

# Aggies Dropped By Steers 42-14 In Penalty-Ridden Grid Finale

BY B. F. ROLAND

A massive line, coupled with hard charging backs and excellent passing, gave the Texas Longhorns a 42-14 victory over the A&M Cadets here last Thursday afternoon in the two teams' annual Thanksgiving Day tussle.

The game was marred by numerous penalties and rule infractions and at one point nearly reached the fighting stage. This was one of the stormiest battles seen in the Southwest Conference in some years.

The Aggie team was nearly ineffectual against the stronger more experienced Longhorns. In the second half, the Farmers' play looked as if it were totally so.

At the end of the first half of play, the situation appeared to be quite favorable to A&M. The score was 14-21 in Texas' favor, but the Aggie team was all fired up because of a slugging incident which had happened just two minutes before the half-time whistle. Ray Stone, Texas end, had knocked fullback Bob Smith cold and tempers of both school's players and student bodies had risen to the boiling point.

**Texas Comes Back**

However, when the teams faced again after the halftime intermission, the Texas team rose to heights previously unattained this season and scored 28 points while holding the Aggies to only two first downs.

This defeat suffered by the 1949 Aggie eleven was the worst dealt the Cadets by a Texas team since 1901 when the Longhorns won 38-0.

It appeared that the Steer eleven was keyed up to the bursting point for the contest—possibly because of last fall's unexpected deadlock of the Bovines by the Cadets, possibly because of the previously poor record of the Longhorns this fall.

Yale Lary was also tops during the clash; he averaged 46 yards per boot.

During the first Cadet scoring drive Bob Smith turned in some yeomanlike duty on ground smash-erial while the Gardemal to Copeland aerial combine came up with more needed yardage to aid the attack.

The second Maroon score was the result of similar play by the Farmers with Bobby Goff doing the honors on the ground and the Nicholas to Whittaker passing team contributing valuable help.

Buddy Shaeffer booted his second successful point after touchdown following the final A&M tally.

**Second Half Bright Spots:**

Top action by Maroon player in the second half was Charley McDonald's sparkling runback of an intercepted pass. Campbell's pass from the A&M 23 was stolen from Steer end Ben Procter by McDonald on about the Maroon four and the Farmer safety skittered his way to the Texas 46 before "That Man" Townsend caught him from

behind. The Port Arthur defensive back had slowed down to pick up his blockers when the Odessa power house nabbed him.

John L. Christensen recovered his second fumble of the day in the second half to help the Aggie defense stymie one of the Steer scoring threats. Big Tuck Chapin, who played a whale of a defensive game in the second half, also claimed an errant Bovine bobble.

Dorbandt Barton, Carl Molberg, Max Greiner, and Jim Fowler, in (See AGGIES, Page 4)

Fullback Bob Smith goes backward over the center of the Longhorn line to score the Aggies' first TD in the first quarter of the annual classic played Thursday on Kyle Field.

## Aggie Cagers Leave For NY; Play LIU in 'Garden' Dec. 1

The Aggie basketball team left at ten this morning for its longest trip of the 1949-50 cage season.

Thirteen players, Coach Marty Karow and trainer Bill Dayton boarded the Southern Pacific's Hustler for Dallas and New York City, where on Thursday night the Cadet cagers open their 1949-50 season against Long Island University.

Before returning home on Dec. 8, the Aggies also will engage Niagara University in Buffalo, N. Y., St. Louis University in St. Louis and Oklahoma A&M in Stillwater, Okla.

**Workout In Dallas**

Before boarding a New York-bound train tonight, the Aggie cage squad will go through a short workout in Dallas.

After arriving in New York Thursday morning, the Aggies plan a short "shooting" session at Madison Square Garden, scene of their Thursday night game with Clair Bee's LIU Blackbirds.

In recent practice sessions, the Aggies' first team has been composed of Sophomores Jewell McDowell and Walt (Buddy) Davis, the six-foot, eight-inch center; juniors John DeWitt and Wally Moon, and senior Bill Turnbow.

First-line replacements include Kenneth Sutton, Marvin Martin, Glenn Williams and Eddie Houser. Others making the eastern trip are Mike Garcia, Raymond Walker,

## Irish Still In Number One Spot In Williamson Ratings

BY FRANK SIMMEN, JR.

DeWitt was the Aggies' highest scorer last season with 248 points. Davis was top point-getter for the freshman team with 162 points in 12 games. McDowell became eligible for the varsity last midterm and came on fast as a scorer, ball-hawk and all-around team man in the late stages.

He and DeWitt are rated the Aggies' best bets for mythical team honors this season.

Karow said this morning just before he stepped aboard the train, "We're going to see on this trip just how we've advanced, compared to some of the top teams in the nation. We also hope to get valuable experience that will assist us on down the line in the conference race."

## Aggie Cagers Leave For NY; Play LIU in 'Garden' Dec. 1

Notre Dame refused to relinquish its number one spot in Paul B. Williamson's weekly football ratings as it mauled Southern California 32 to 0. Oklahoma, California, Army and Rice follow in that order behind the "Fighting Irish."

No changes came in the first five teams for the third straight week although the second five jumped around quite a bit with three teams falling out of the first ten.

Baylor dropped from sixth to seventh and idle Michigan moved up to sixth. LSU's surprising upset of Tulane moved the Bayou boys into the ninth position.

Minnesota Eighth

Minnesota, on the strength of Tulane's setback, moved from ninth to eighth. Idle Santa Clara stuck to its number ten spot.

The system enjoyed its best Thanksgiving week since 1946, picking 86% plus of the games played from Turkey Day through Saturday, November 26. There were eight major upsets on the system's record which is comparatively light for predicting Thanksgiving week grudge games.

The system's top pick was North Carolina to beat Virginia. Other good ones were Colorado A&M over Colorado, and Rice over Baylor.

SMU, last week's number twelve man, dropped to the sixteenth position through its unexpected loss to victory-bent Texas Christian.

North Carolina followed the thirteenth-ranking-Covingtoners to land in the fourteenth spot just in front of UCLA and SMU. Choo Choo and his teammates will meet power-laden Rice January 2 in the Cotton Bowl.

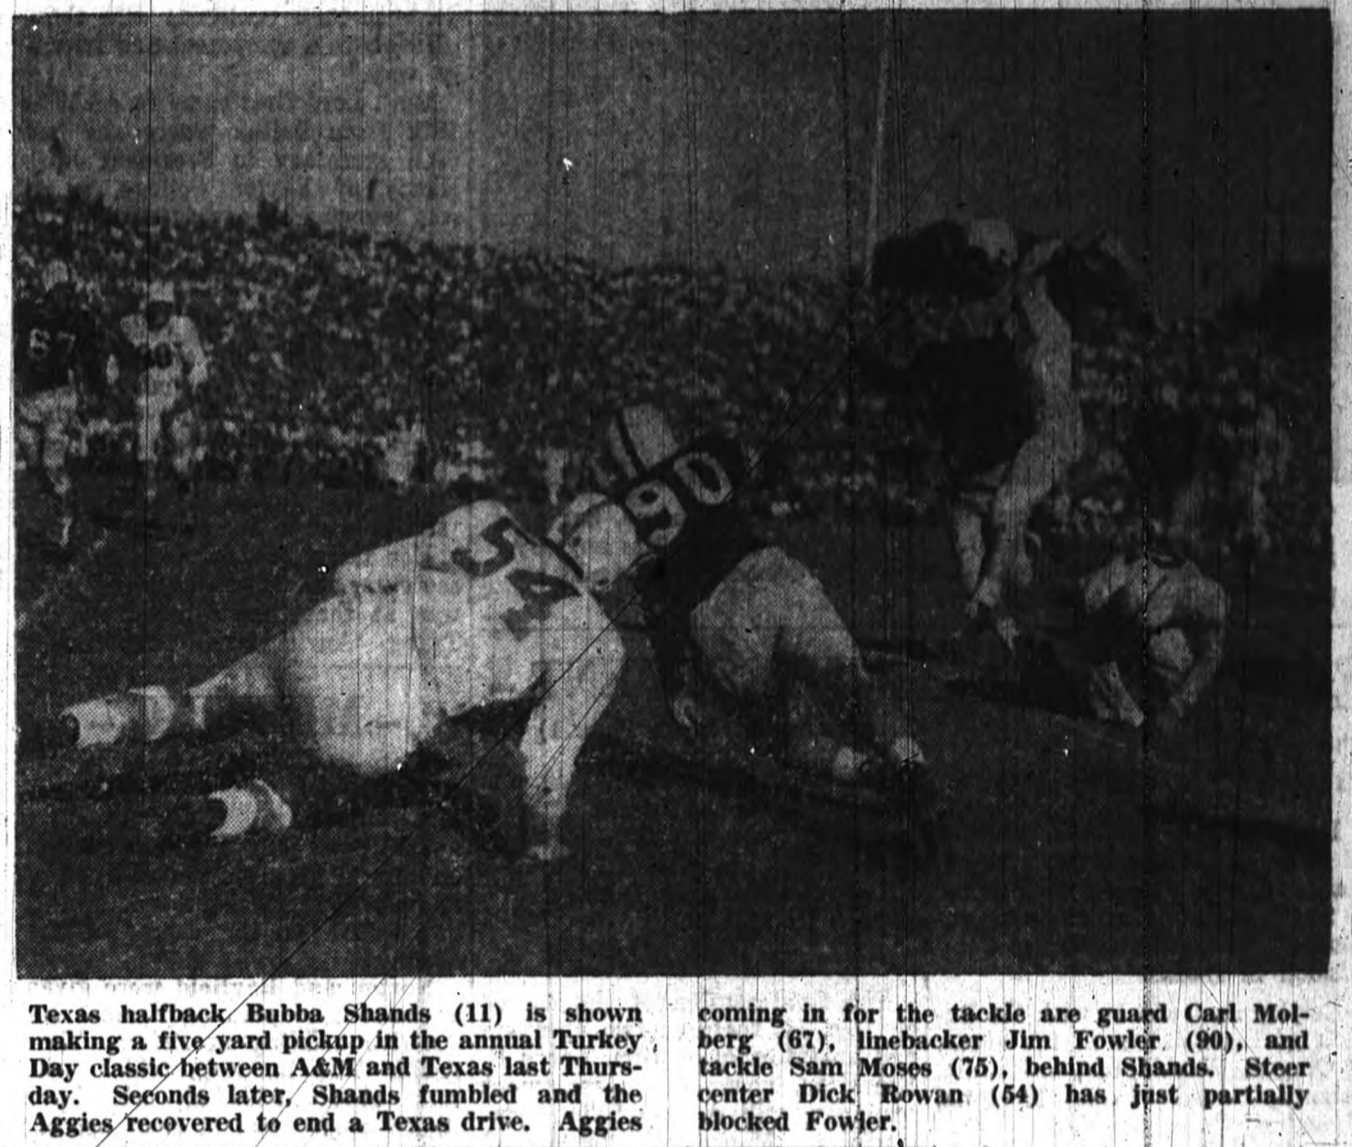

## Miners Meet Here December 8 and 9

Student representatives from the University of Texas, Texas Technological College and A&M will compete in the presentation of technical papers at a joint meeting of the Texas Sections of the American Institute of Mining and Metallurgical Engineers, to be held on the campus December 8 and 9.

J. E. Warren, president, Carl B. King, Drilling Co., Midland, will deliver the principal address at the banquet, December 8. Leading oil men from Oklahoma and Texas will attend.

## A Well-Oiled Highway

Hamburg—(AP)—A Danish truck driver lost his cognac laden trailer on the highway near here. He only noticed his loss when he tried to park.

Texas halfback Bubba Shands (11) is shown making a five yard pickup in the annual Turkey Day classic between A&M and Texas last Thursday. Seconds later, Shands fumbled and the Aggies recovered to end a Texas drive. Aggies coming in for the tackle are guard Carl Molberg (67), linebacker Jim Fowler (90), and tackle Sam Moses (75), behind Shands. Steer center Dick Rowan (54) has just partially blocked Fowler.

## MURAL NEWS

BY BOB ALLEN

The Intramural Club of '49 was organized recently at a barbecue banquet and the officers were elected.

Chosen to succeed Bill Thornton as president was Bob Speer, senior in A Infantry who hails from Harlingen.

Elected to the post of vice-president, secretary, and treasurer; was Bob Skidmore, B Infantry senior from Paris.

This is the third of a series of reports of season standings of all the intramural sports.

The tennis competition is beginning to shape up and point out the strongest teams. Two of the leagues have been completed with two of the strongest corps title contenders on top.

A Infantry, last year's champions, took their league with little effort, but are in for quite a bit of trouble in the play-offs. The strongest team to date, the ASA, took the league title with no real trouble. The second place team from '48, C Infantry, is on top of its league with one more game yet to go. It appears an almost certain cinch to repeat its record at least to the play-offs.
