

Leaves Tickets, Snatches Gloves

Houston, (AP)—Just call this thief stupid!
He broke into a parked automobile here today, took a hat, coat, and a pair of gloves.
He left behind six tickets to the December 3-Notre Dame-Southern Methodist football game in Dallas. The tickets had been left in the vehicle's glove compartment where the gloves were found.

49ers Win

The San Francisco Forty-niners trounced the New York Yankees, 35-14, in a battle for second place in the All-America Conference.

The day's biggest crowd, 44,828, saw the Forty-niners come from behind with a 3-touchdown spurge in the third period.

Three days before, on Thanksgiving, the Yankees beat the Los Angeles Dons, 17-16, to eliminate the Far West eleven from a possible playoff spot. The Yanks win assured the Buffalo Bills of the last playoff position still open.

In another All-America Turkey Day tilt Cleveland removed the Chicago Hornets from the list of possibilities for a playoff spot by downing the Windy City team, 14-6.

The Chicago Bears, second place combine in the Western Division of the National Pro Loop, booted the Detroit Lions, 28-7, on Thanksgiving Day and then took a day off Sunday for a well-deserved rest.

Waterfield Paces Rams

Bob Waterfield fired five scoring passes as the Los Angeles Rams moved closer to the Western Division NFL title. The Rams whipped the New York Bulldogs, 42 to 20.

Scatback Gene (Choo-Choo) Roberts neared a Van Buren scoring record as the New York Giants dropped Washington, 23 to 7, on a contest between also-rans.

The stocky speedster scored two touchdowns, just one behind the NFL records of eighteen. Roberts has two more games to play.

The Chicago Cardinals jumped into an early 5-touchdown lead on Jim Hardy's passing then coasted to a 41-21 victory over hapless Green Bay.

Cards Clinch Spot

The Cards, Western NFL Division winners for the past two years, cemented a third-place spot.

Halfback Tony Canadeo, also dropped down in Green Bay's loss.

He gained 122 yards rushing but yielded the NFL ground-gaining lead to Van Buren who riddled a special Steeler defense for 205 yards and an average of almost eight yards a carry.

Both Van Buren and Canadeo seem certain to surpass Steve's record of 1,008 yards, with each scheduled for two more games. Van Buren now has 997 and Canadeo 953 yards.

Philadelphia will meet the Western Division winner, either the Los Angeles Rams or Chicago Bears, for the championship Dec. 18.

A statue of G. B. Dealey, former publisher of the Dallas Morning News, was unveiled recently in front of the newspaper's new Building. Dealey, who was publisher from 1926 until 1946, had been with the newspaper from 1874 until his death three years ago.

Details of Club Section Picture Making Given

Beginning today campus organizations can make reservations for space in the Aggeland 1950, according to co-editor Chuck Cabanis.

Cabanis reported that all religious groups, honor societies, professional groups, and hometown clubs will have to pay an increased fee in order to appear in the annual this year. He explained that the reason for the extra cost is that a decrease in enrollment has resulted in the loss of some \$4,500 that was available last year.

The co-editor said that the reduced funds plus necessary increases in pages for some sections (the Corps section has increased some 20 pages) have forced the editors to charge the clubs more for the space allotted to them.

An organization will have to pay \$50 for a full page or \$25 for a half page, Cabanis said. The material to be used on the full page will be the same as in the '49 book, he explained; a group picture, individual head pictures of three officers, a list of the officers and a roster of club members are included on the page, the co-editor said.

Half Pages Different

Material on a half page will be a group picture, a list of the officers, and either a roster of club members or a list of those members shown in the group photograph, Cabanis explained. Club rosters will be used unless the size of the club is so great that space limitations prevent it, he said.

Such space limitations would necessitate using only the names of persons in the group picture, or if the size of the group were still too great, perhaps no listing of individual members at all, the co-editor reported.

Reservations for space in the annual must be made before January 21, Cabanis said, and all pictures will have to be made before March 1. He added that pictures can be made anytime between now and the deadline.

Student Activities Handles

Club representatives can reserve space in the Aggeland 1950 and make arrangements for their group pictures at the Student Activities Office on the second floor of Goodwin Hall, he said.

The co-editor emphasized that the cost of the page or half page must be paid to the Student Activities Office before the club picture will be made. Details about when and where group pictures can be made can be obtained from the same office, Cabanis continued.

Organizations whose pictures will include fewer than 30 persons can have their pictures taken at night meetings, he said. But those organizations expecting to have more than 30 members in the picture will have to have their pictures taken in the evening between 5 and 6 p. m. on the east steps of the Administration Building, west steps of the Y, north steps of Goodwin Hall, or the west steps of the Agriculture Building, he concluded.

Eastern Railroads Allowed Rate Hike

Washington, (AP)—Another raise in basic railroad passenger fares in the east now has government sanction. Coach tickets will move above the price of pre-war Pullman transportation.

The Interstate Commerce Commission, splitting 6 to 4 on the matter, issued the increase authority to 61 Eastern lines late yesterday. It permits a 12 1/2 percent hike in both coach and sleeping-parlor car mileage charges. It may be made effective on five days' notice to the public.

The upward revision in basic interstate passenger rates will go to 3.376 cents per mile in coaches and 4.5 cents per mile in Pullman cars.

This compares with 2-cent coach rates and 3-cent Pullman rates in 1941. Four increases since then have advanced the Eastern rates more than 50 per cent.

Southern and Western railroads in the same period have made advances of about 20 per cent, the basic rates in these sections now being 2.5 for coaches and 3.5 for Pullmans.
