Bells have always played an important role in the course of human events. They have heralded emperors and kings, and have sounded the victories of great leaders. They have tolled a mourning note for the passing of lives, and have pealed joyously to announce weddings and births.

Our own great Liberty Bell is preserved as a memorial of the day when our country became an independent nation. On this celebrated occasion, notes of freedom, equality, and justice were sounded, notes which echo today in the free life of our citizens.

So that we may continue such blessed living and may preserve the country which guards its existence, we must listen to the ringing of other bells.

Throughout this great land of ours church bells are sounding. These are the GOLDEN BELLS of love, mercy, and kindness. Toward them we must hasten to worship and pray. With them we must sing praises to the Lord, our Maker.

THE CHURCH FOR ALL... ALL FOR THE CHURCH
The Church is the greatest factor on earth for the building of character and good citizenship. It is a schoolhouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
