

Machine's Advice Accurate, Straitjacket Victim Learns

By HAL BOYLE

New York—(AP)—Once upon a time there was a young man who was a tower of strength.

When his acquaintances became disturbed by the weight of their private worlds and sought the balm of the psychiatrist's couch, this gent jeered:

"But he never told them the source of his own inner serenity—which was a weight machine in a drugstore. This machine-age oracle told him all he felt he needed to know—for one red cent. Did some small trouble vex him? He stepped on the scales, slipped in a penny—and out dropped a card that gave his weight and said:

"You have an indomitable will power enabling you to overcome in triumph many trying circumstances." That restored his confidence at once.

Whatever the machine told him to do, he did. He had absolute faith in it. And he was as happy as a flea in a dog pound.

And then a number of things happened. He met a pretty girl on

New Enlistees Named in ORC

Austin, Tex.—Approximately 4,200 Texas veterans have re-enlisted and enlisted in the Organized Reserve Corps since the beginning of the recruiting campaign on March 1st, Colonel Oscar B. Abbott, Chief of the Texas Military District, announced here today.

Captain Albert W. Stockell, the Organized Reserve Corps Instructor in the Bryan-College Station area, announced that 126 men re-enlisted and enlisted into the Organized Reserve Corps since the campaign was initiated in that area.

Captain Stockell said that the campaign will continue throughout the winter and spring months in order to bring back the former enlisted men to the Organized Reserve Corps activities. Special emphasis is being placed on the tangible benefits accruing to Reservists. Some of the benefits are: The retirement pay at the age of 60, after 20 years of service; eligibility for inactive duty pay at army meetings; opportunities for promotion and commission; short tours of active duty and the opportunity of attending Army schools.

Colonel Abbott urged growing public interest in the Organized Reserve Corps and stressed its advantages for both the nation and the Reservists themselves. The Colonel quoted General Eisenhower, who addressed 10,000 veterans and civilians at a huge assembly recently in New York, "That in you and those like you whom you will be training, rests the future of this country. Let us pray to God that you never go to war but certainly it is going to be your skill and wisdom that will help keep us out of war."

Jerry M. Zuber, senior journalism major from Bellville, and Miss Rose Marie Graunder, freshman music major at SHSTC, also from Bellville, were married December 31 at St. Matthews Lutheran Church in Houston.

The couple will make their home at Bryan temporarily after Mrs. Zuber completes the present semester at SHSTC.

Coyotes edged past the big, bruising Austin Maroons, 14-13, before 17,000 fans in Fort Worth to take the Texas Class AA title. Dill Waggoner, Tommy Fields, and Billy Bookout paced the winners' attack.

Wichita Falls used its tremendous speed to offset the heavier line which Austin cast into the fray. Injured Bobby Warren and John Salyer, and John Cavaleer led the Maroons. The game was just as evenly matched as the score indicated.

Line standouts for the two teams were end Weldon Walker and guard Clay Fulcher for the winners and center J. Seaholm and tackle Pat Pate for the losers.

Coming through for the Aggies was Ken Sutton, 6' 7" backboard-grappler, who grabbed a great majority of the Cadet board-banks. A&M 49, Stanford 55.

Playing their best ball of the trip, the Aggies played heads up ball throughout the first three chapters of their contest with Stanford University December 31, only to fall apart during the final minutes of play to bow in defeat for the third straight time.

A&M led at halftime, 32-27, but Stanford returned to the court to make 13 field goal shots while holding the Aggies to eight. Stanford's James Walsh turned in a brilliant performance of the second half with his long, outside set shots which spread the Aggie defense, allowing shifty Indians to drift through for lay-ups.

The Aggies missed nine of their 12 free throws, and another factor that greatly hindered A&M was the fouling out of Buddy Davis after only six minutes had elapsed.

Coach Marty Karow states that faulty ball-control and unfavorable results at the free-throw line were the two main reasons for the Farmers' unsuccessful, but still not detrimental, western road tour. "They have been inconsistent too many times this year," he said.

Commenting on the Mustangs, Karow said, "SMU is one of the stronger clubs. If we're going to win, we have to play our best game of the season."

A&M will also play host to TCU Thursday night. The Horned Frog sport one of the top records of the SWC, having won seven and lost four.

Bowl Classics Provide Thrills

fect 28-yard field goal to give Ohio State a stirring victory over the Pacific Coast Conference's undefeated Golden Bears. The frenzied crowds of 106,052 watched the Buckeyes, Big Ten co-champs, take the win with the successful placement in the final two minutes of the Rose Bowl clash in Pasadena.

Santa Clara 21, Kentucky 13

Santa Clara's 60-minute performers came from behind a 14-0 deficit at halftime to rip open the big Kentucky forward wall in the final 30 minutes of play in the Orange Bowl in Miami. A crowd of 64,816 fans watched the Broncos, badly outplayed in the first half, come back and give passer Johnny Pasco the protection he needed to set up two third period scores.

Maryland 20, Missouri 7

Stocky little Bob Ward, 180-pound guard, held together a great defensive line that ushered Maryland to a win over Missouri in the Gator Bowl in Jacksonville. The Easterners showed the 20,000 spectators how they had ranked third nationally on defense as they completely stifled the potent Missouri attack. The winners had to travel only 11, 15, and 22 yards for their scores as they used two fumbles and an interception to start the marches.

Other scores for the day were Xavier 33-Tempe State 21 at Phoenix, Texas Western 33-Georgetown 20 at El Paso, McMurry 19-Missouri Valley 13 at Galveston, Florida State 19-Wofford 6 at Tampa, and Prairie View 27-Fisk 6 at Prairie View.

All-Star Games Played

In the annual Shrine Game classic in Kezar Stadium in San Fran-

cisco, on Saturday, Dec. 31, 62,000 fans saw the East down the West 28-6, although the losers' little Eddie LeBaron was voted the top player in the tilt. Chandross stood out for the winners, who tallied three times with the aid of a long pass, a run, and an aerial interception. Matty Bell of SMU and Dutch Meyer of CU coached the West team which included several SWC players.

The South rode the outstanding play of Auburn's Travis Tidwell to a 27-13 victory over the North in the Blue-Gray classic in Montgomery, Alabama. Randall Clay of Texas scored two of the Gray tallies. Eddie Price of Tulane also stood out for the victors whom Texas' Blair Cherry helped coach.

The first "big" post-season clash following the end of the regular season for grid teams was the North-South Shrine game in Miami on Dec. 26. The Herman Hickman-tutored North team defeated the Texas eleven, 20-14. Baylor's Ison and Burk joined other Texas athletes on the unsuccessful squad coached by Bob Woodruff of the Bears and Andy Gustafson of Miami U.

Littlefield Wildcats Win

Littlefield routed Mexia on Dec. 26 to take the Class A Texas high school championship in Abilene, 13-0, before 11,000 spectators. Backs Frank Gage and Tommy Bailes did most of the damage as the victors rolled up 285 yards rushing.

The rugged West Texas line held Mexia's T-formation attack to a net gain of 17 yards rushing besides opening gapping holes for the Wildcats attacks. The two Littlefield backfield axes each scored a touchdown. Line standouts for the winners were ends Bobby Cox and Johnny Edwards, and tackles Jerry Cotter and John Fowler. On Dec. 23 the Wichita Falls
