Mike Mooney of Company 6 was the first to break the tape of the Annex Intramural Cross Country run with a time of 6:22.0 over the 1.3 mile course. Carol Libby of Company 2 was a close second place with a time of one-tenth of a second behind the pace-setter, Mooney. Roy Moore, Company 7, with a time of 6:24.0 came in third.

Mooney, who graduated from Wichita Falls High School, won a second behind the pace-setter, Mooney. Roy Moore, Company 7, with a time of 6:24.0 came in third. "I thought the race was pleasant and not too tiring because I had run the course two times before the race," said Mooney.

After the race, Libby gasped, "I would like to run track some more if I could make the freshman team." Libby was a short distance runner at Alvin High School, and specialized mostly in the 100 yard, 200 yard, and quarter mile runs. Moore, who took third place honors is a graduate of Carter Riverside High School in Fort Worth. He won several first place ribbons in the low hurdle event. "The long legged boys had the advantage in the race," says Moore

## Bull-Ring Mathematician Offers Annex Campusology

By ALLEN PENGELLY  
The notorious bull-ring, famous to many Annex Cadets, is a wonderful source for campusology information. The following is just a small portion of what may be learned while on a tour of extra duty.  
It takes five minutes to make one complete circle around the ring. Walking in the prescribed military manner, a cadet takes
