

TU Freshmen Five Tromp Fish, 51-36

By HAROLD GANN

A&M's fast improving Fish quintet lost to TU's fast-breaking Shorthorns, 36-51, in Gregory Gymnasium Saturday night.

Failure to keep abreast of the Yearlings in the first ten minutes of play coupled with an inability to stifle a highly effective fresh fast-break were the two main explanations of the Fish defeat.

Leroy Miksch, all-state center from Waelder, again paced the Fish with 14 points, 10 of them coming in the second half. Miksch was the Aggie's chief rebound threat.

Texas' Leon Black, class B all-stater, garnered 14 points to share high-point honors with Miksch. Most of Black's six fieldgoals came on lay-ups after he had stolen the ball from unalert Fish guards.

Yearlings Use Fast Break
As the game got underway, the Yearlings, a shorter group than the Fish, relied on fast-break patterns, and this aggressive type of play paid dividends. At one point during the first stanza Texas controlled a 20-9 lead.

The Little Longhorns also maintained a rigid defensive wall that even the Fish long-shot specialist—Max Montegut, Don Garret, Don Heft and Jimmy Branam—could not shoot over.

Aggie Places In Galveston Meet
In an open foil and novice sabre meet held Saturday in Ft. Crockett Gymnasium at Galveston, John Gotlob and Jerry Monks made the semifinal round.

Gotlob was edged out of the finals by a 1-3 count and Monks went into the finals. Monks came in fourth with a final score of 1-3.

The open foil meet was open to all persons interested in fencing and did not restrict the entrants on the experience they had had.

A run down of the final score showed J. E. Brown, Galveston team, first, and Clem D'Ablergo, ex-Galveston Bucaner and former State champion in foil, second.

Frank Lever, Rice fencing team captain, was third with two wins and two losses. Monks came in fourth with a 1-3 record in the finals. Jack French came in fifth with a score of 0-4 in the last round.

Monks was the only Aggie to enter the novice sabre. He lost in the sabre meet, with a score of 2-4.

Carroll Bell, E. T. Jennis, and Quincy Berlin from the A&M fencing team entered but failed to qualify for the semifinals.

Miksch, however, was able to penetrate the barrier on several occasions, driving in under for his wide assortment of under-the-basket shots.

Cold Fish Frustrated
A&M's first-year-men failed to mesh a single point during one 10-minute span at halftimes, 32-14, never relinquishing their lead throughout the tilt.

The Fish roared back in the second half with Miksch's creditable court-coverage; Heft's set shots (one of these, a 38-footer, was the longest of the game), and Jimmy Velvin and Branam's energetic defensive play that caused the Yearlings to pass wildly.

Branam, a prospective baseball standout from Amarillo, gave the fans an idea of his baseball slugging ability. In attempting to knock the ball away from a Shorthorn forward, Branam unconsciously swung from the heels and almost slugged the ball into the bleachers—a distance of some fifty feet.

Trimming the lead to 30-44 before the two-minute rule went into effect, the Fish were held scoreless for the remainder of the contest. The pace was fast and furious during the last 10 minutes of play.

Pork Sausage for the Cadets

Two points that put the Cadets out ahead of the Porkers for good resulted from the shot Buddy Davis (16) of the Ags is just about to launch. Big Bob Ambler of the Razorbacks is straining in vain to block Davis' one-hander. Hustling Mike Garcia (24) is moving in to follow up on the maneuver. The Maroons downed the Hawgs, 43-36 Thursday, but lost Saturday to the Texas Longhorns, 46-48.

Coaches Question Value Of Two-Minute Basketball Rule

By WILBUR MARTIN
Associated Press Staff

Will a regulation 40-minute basketball game now be over in 38 minutes?

Yes, say some Southwest Conference coaches.

They blame the new rule which gives a team fouled in the last two minutes of play a penalty shot—and possession of the ball. "It will mean basketball games will be just 38 minutes long," says Jack Gray of the University of Texas.

Baylor's Bill Henderson echoes the statement.

Hayes Not So Sure

E. O. (Doc) Hayes, Southern Methodist basketball coach, isn't quite sure what to think of the new rule.

"I don't believe we've seen enough of it to make a wise decision on whether it is good or bad," he says. "On the surface it would appear it's a good rule if you're ahead—bad if you're behind."

The rule virtually kills any chances of a team that is behind getting control of the ball in the last two minutes.

It was written into the rule book, of course, when coaches sought some means to control deliberate fouling in the two minutes of the game by teams seeking to gain the ball.

Leader Cinch Winner

But, say those coaches who oppose it, a team that is even one point ahead is an almost cinch winner. The players can control the ball and even if they are fouled by the opposition, still get to keep it.

Gray is of the opinion that after 38 minutes of play, the team ahead is "in". Unless, of course, the ball is legitimately stolen by the other team. And, in modern basketball that doesn't happen very often.

There's sure to be much anguished yelling for a change in this rule.

Some Rule Needed

"But we've got to have some sort of rule to control deliberate fouling," says Hayes.

The new rule may nip a team's chances of getting the ball in the last two minutes of play, but probably won't slow down any of the action.

We can't imagine Texas—or Baylor—standing by with pained expressions the last two minutes of play while, say Texas A&M, or Rice protects a one-point lead.

Last Second Score Stops Win Streak

(Continued from Page 1)

shot by Hamilton, jumped into the air—and plunged the ball into the hoop.

Quickly Mike Garcia grabbed the sphere and passed to Wally Moon, who had to dribble through the crowd which was already jamming on the floor. Breaking free, Moon sank a successful crisp.

But it didn't count.

The whistle had blown about the same time as Falk had shot. The game was over and the Aggies had lost, 46-48.

Box Score	
A&M (46)	FG FT PF TP
DeWitt, F	2 0 5 4
Garcia, F	0 1 2 1
Davis, C	8 0 5 16

Totals	17 12 15 46

Hamilton Draws Fouls

The Aggies then stole the ball only to lose it on a bad pass—which was just what the TU cagers were waiting for. After four unsuccessful attempts on the part of Hamilton to draw a foul, the big bald-headed Steer came through, a foul being called on one of the Cadet defensive men.

As Hamilton approached the line to shoot, he found the ball was covered with sweat and three men ran out on the court with Turkish towels to dry the ball. When Big Tom finally shot, the try was good—with only 36 seconds left in the game.

At this time Falk, fighting desperately under the hoop, recovered a rebound from an errant

Ags Cop Second Spot in SWC Relay Tank Meet

By FRANK N. MANITZAS

Texas A&M's swimming team was nosed out by a powerful Texas University squad, 52-48, in the first annual Southwest Conference Swimming Relays which were held at the SMU pool Saturday night.

Southern Methodist finished third with 40 points, and Baylor was fourth with 24 points.

All of the relay races were close but none of the events were more enjoyable than the diving. Although Van Adamson, Billy Karow, Ralph Ellis, Bill Sargent, and the rest of the Aggie swimmers came through superbly in the clinches, none were as great as the Aggie diving team that won their first meet in many a season.

As some of the Texas University performers and others said: "This is the first time they (Ags) ever won the diving events in I don't know how long."

Matlock Outstanding
Gibb Matlock led the Aggie divers with a performance that was outstanding especially for one who has just started diving. Matlock, a sophomore, placed third in the diving event with 120 points, with Howell Johnson and Paul Shaeffer.

also of the Aggie tank squad, taking the next two places.

The first swimming event of the evening was the four-man freestyle relay which the Texas team won, nosing out the Mustangs in the last few strokes. The Aggie's relay team of Tommy Butler, Ralph Ellis, Johnny Westervelt, and Gilbert McKenzie finished in third spot ahead of Baylor.

Ags Cop Breast Stroke
The Aggies copped the next event, the four-man breast stroke relay, with Van Adamson, Billy Karow, Tommy Comstock, and George Dieck composing the winning relay team, while Texas and SMU finished second and third respectively. Baylor did not enter a team in the breast stroke division.

Texas barely touched the finish side ahead of the Aggies in the four-man back stroke relay which was one of the best races of the day. Swimming for the Aggies in that event were Joe Blundell, Bill Sargent, Van Adamson, and Billy Karow.

At this point the diving events began in the meet and the Aggies came through to win in the end. Baylor took their only second place of the evening; Texas was third, and the Ponies were fourth.

Before the diving events began, the Longhorns were leading in the meet with 28 points, the Aggies had 24, SMU was holding 20 and Baylor held four.

SMU Wins Medley
In the three-man distance medley race the SMU Mustangs kicked their heels to the Longhorns and the Aggies to take first place. The Ponies finished a half stroke ahead of the Steers. The Cadet medley team was formed by Tommy Butler, Billy Hale, and Gilbert McKenzie which finished in third spot ahead of the Bear team.

The last and largest event of the night was the six-man medley which the Steers won with the Aggies placing close second. The Mustangs were third and Baylor followed up in fourth spot. The Aggie medley team included Sargent, Dieck, Ellis, Karow, Comstock, and Adamson.

The Results:
Four-man Freestyle Relay: 1—Texas (Frank Campbell, Eddie Gilbert, Calvin Langford, Don Smith); 2—SMU; 3—Texas A&M; 4—Baylor. (3:23.4).

Four-man Breast Stroke Relay: 1—Texas A&M (Van Adamson, Billy Karow, Tom Comstock, Dieck); 2—Texas; 3—SMU.

Four-man Back Stroke Relay: 1—Texas (Mark Yancey, Bob Cone, Bob Crawford, Hugh Groves); 2—Texas A&M; 3—SMU; 4—Baylor.

Diving—(Three-man team): 1—Texas A&M (Johnson, Matlock, Shaffer); 2—Baylor; 3—Texas; 4—SMU.

Three-man Distance Medley: 1—SMU (Doug Conner, Mike Muckleroy, Arden Amerine); 2—Texas; 3—Texas A&M; 4—Baylor.

Six-man Medley: 1—Texas (Hugh Groves, Fred Bostwick, Eddie Gilbert, Bob Cone, Hyman Karbach, Calvin Langford); 2—Texas A&M; 3—SMU; 4—Baylor.

Ouster Move Fails; Williams New Veep

New York, Jan. 16 (AP)—The rebel schools which defied the National Collegiate Athletic Association's sanity code won a rousing victory Saturday. A vote to expel them failed of a necessary two-thirds majority.

Huge C. Willette of Southern California was elected president of the NCAA for 1950, succeeding Dr. Karl Leib of Iowa.

A vice-president was elected from each of eight districts. Included was D. W. Williams of A&M from District six.

The association voted today to hold its convention at Dallas next year. The executive committee set the date for Jan. 10-13, 1951. The American Football Coaches Association will meet at the same time.

Vote Failed To Carry
Delegates voted by secret ballot 111 to 93 for expulsion of the seven recalcitrants. This was 25 votes short of the number needed.

The seven who gained this partial vindication of their athletic policies were Virginia University, Boston College, Maryland, Virginia Military Institute, Virginia Polytechnic and The Citadel.

Immediately after the vote was announced, President H. C. Byrd of Maryland introduced a resolution calling for a special committee to investigate the athletic practices of all member schools and to make a report at next year's meeting. This was passed 87 to 71.

Citadel Still Out
The result of the ballot apparently will not alter the decision of The Citadel, Military School at Charleston, S. C., to withdraw from the NCAA. Its official resignation was presented early Saturday.

(Sports Editor's Note: Included among the seven schools were two Aggie opponents, past and present, Villanova and Virginia Military Institute. The Villanova Wildcats trounced the Cadets in '48 and '49 34-14 and 35-9, respectively. Next fall the Aggies take on VMI in a night tilt on Oct. 14 in the fourth contest of the campaign.)

During the lengthy discussion which followed presentation of the case against the rebels by Clarence Houston of Tufts, chairman of the NCAA's compliance committee, two of the schools, Boston College and Villanova, were disclosed to have advised the committee they wished to comply with the code.

The three Virginia schools, as
