

# Insurance Checks Start Coming In For Veterans

Washington, Jan. 17—AP—The first trickle of a \$2,800,000,000 insurance refund started going out to World War II veterans yesterday.

The Veterans Administration and the Treasury Department hope to hit a one-million-checks-a-week pace, which would mean that payments to the 16,000,000 eligible veterans would be completed by June 30.

The first batch went out in bundles over the weekend to post-offices all over the country.

The checks vary in size from 90 cents to \$528, averaging about \$126 each. They are being paid for an accumulation of cash collected on National Service Life Insurance. The VA said premiums were far in excess of the amount needed to pay claims—which ran much lower than originally expected.

Gift from the Class of '51.

Deadline for entering candidates for Junior Sweetheart has been set at Friday, February 3. This will allow juniors to secure pictures while they are home between semesters.

The class selection of the Aggrieland Orchestra to provide music for the occasion was made at last Wednesday night's class meeting. Theme of the dance will follow an "Out of This World" scheme, which, in so many words, means that the sky's the limit in decorations. Abstract drawings and hangings of crepe paper will adorn the hall.

Banquet tickets will cost \$1.25 each, bringing the total cost of the meal and dance for men with dates to \$5.00. Dance tickets separately stag or drag will cost \$2.50.

At the class meeting Wednesday, Barnes asked all juniors wishing to help in dance preparations to offer their services to the chairman of the committees in which they are interested.
