

C. of C Drive Deadline Extended to April 8

Midnight, April 8, has been set as the extended deadline of the College Station Development Association and Chamber of Commerce according to Herschel E. Burgess, president of the organization. The drive for 1950 members for the city civic organization commenced February 27 and was to have ended March 11.

In a meeting of the directors and committee heads of the association last week, it was decided to continue the drive because of the large number of persons who remained to be contacted.

"Individual memberships are on an even keel and the prospects for reaching our quota in this division by April 8 are excellent," Burgess said. "I have found that the general consensus of opinion of our directors and committees points out a lack of cooperation on the part of College Station businessmen in this matter of membership, and I cannot urge too strongly the prompt attention of the local business people to this 1950 membership drive of the College Station Development Association and Chamber of Commerce."

The huge numbers who must be contacted and the extension of the drive will help those civic minded citizens who are helping in our drive reach everyone that is interested.

Burgess pointed out that many persons had used the mailing of dues as a means of lifting the work from the volunteer collectors. Membership dues may be paid by mailing a check to the College Station Development Association and Chamber of Commerce in care of the City Offices, College Station, Texas.

Membership dues are \$5 for individuals, \$6 for family memberships, and a fee for businesses based upon the size of the concern.

Those attending the meeting last week and joining President Burgess in extending the drive are Marion C. Fugh, secretary; Mrs. D. W. Fleming, Ray Odson, Les Richardson, Dr. R. L. Hunt, Roy Sorrels, Dr. Sidney Brown, Raymond Rogers, N. M. McGinnis, and Homer B. Adams.

\$14,400 in Gifts Given to College

New gifts and grants totaling \$14,400 have been made to A&M, E. E. McQuillen, executive director of the College Development Fund, said this morning.

The donors include Michael T. Halbouty, Houston, graduate fellowship; Deep East Texas A&M Club, two 4-year scholarships; W. T. Burns, Monterrey, Mexico, scholarship; Mrs. Louise Henderson of Kellys, two scholarships; Mosher Steel Company, Dallas, scholarships; W. A. Guinn, Knickerbocker, Texas, scholarship; Pecan Valley A&M Club, 4-year scholarship; A. F. Mitchell, Corsicana, 4-year scholarship; Texas Highway Branch of the Associated General Contractors, a watch, civil engineering award; Magnolia Petroleum Co., graduate fellowship; M. N. Davidson Foundation, Houston architecture fellowship; Texas Society, U. S. Daughters of 1812, an award.

The friends of the community living and doing business in College Station's nearby city of Bryan have shown a great deal of interest in the drive, according to the association officers. A large part of the funds and memberships have been made by Bryan businesses and individuals.

N. M. McGinnis and Homer B. Adams are co-chairmen of the 1950 membership drive. Adams reported that his commercial membership division, which is responsible for business memberships in College Station had not come up to expectations. McGinnis reported that individual memberships have been plentiful and major problem of his work dealt with the matter of contacting everyone.

"Happy To Pay" We have found that nearly all persons we have had the opportunity to talk to have been happy to make their payment of fees for the 1950 membership," McGinnis declared. "Our principal difficulty is

Randall Will Talk To Wesleyan Class

Darrell D. Randall, a specialist in social science and international administration, will be guest-speaker at the Wesley Foundation of the A&M Methodist Church, Wednesday night, March 22 at 7, according to Robert Sneed, associate pastor.

Randall will tell of his experiences among the natives of interior Africa. For the past three years he has been doing missionary work in the African area for the Methodist Church. Most of this time was spent in Johannesburg, Union of South Africa. He has also worked in the Southern and Central Congo and in the republic of Liberia.

In Johannesburg Randall was active in the organization of the "International Club," a social and cultural center designed to promote a better understanding between the various political and denominational groups.

Born in Lincoln, Nebraska, Randall attended Nebraska Wesleyan University, the University of Nebraska, and Columbia University. During World War II he was a civilian public service assignee with the American Friends Service Committee for four years.

Robert Sneed, director of religious activities, said the public is invited to hear this talk.

The A&M Consolidated gymnasium was packed Friday evening for the Mothers and Dads Club performance of "The Deestrick School." The play netted approximately \$700 to be used for purchase of band uniforms.

Flight A Reserve Names Promotions

Promotions for five men in Flight A, 9807th Volunteer Air Reserve Training Squadron at College Station were announced today by Major J. B. "Dick" Hervey, commanding officer.

The men receiving promotions were Elmer B. Hudspeth of Bryan, Connally O. Biles, Reigford C. Lyon and Leroy J. McCoy of College Station, and Malcolm R. Smith of Brenham. All of the promotions were from the rank of 1st Lieutenant to Captain.

The local Squadron was organized in Bryan last fall. At the present time it has approximately 200 assigned men who are both reserve airmen and reserve officers.

The Flight meets every Monday evening at 7:30 in Room 301 of Goodwin Hall for a two hour training period.

Negro Children Will Have Concrete Recreation Slab

Negro children of the College Station area will soon have a concrete recreation slab for their \$1,500 check Saturday for that purpose.

College Station's Youth Activity Committee, headed by Joe Motheral presented the check to W. A. Tarrow, principal of Lincoln Negro School in the office of H. W. Barlow, dean of engineering and member of the committee.

The check represented the first appropriation from a \$3,000 trust fund set up last year by the College Station Community Chest.

Estimated cost of the slab is \$2,000. \$200 of the remainder will be pledged by colored people of the community, while the last \$300 will be raised from other sources, according to Motheral.

Composed of one representative from College Station organizations interested in youth work, the committee includes Barlow, Roy Scouts, Motheral, Kiwanis Club, Mrs. Eugene Rush, Girl Scouts, C. B. Godby, president of the A&M Consolidated School Board; Raymond Rogers, College Station city manager; Principal Tarrow of Lincoln School; C. G. White,

WHAT'S THE DIFFERENCE BETWEEN AN AUTOMOBILE FOR SALE AND A REFRIGERATOR FOR SALE?

Everyone who reads and uses BATTALION Want Ads knows that the autos for sale columns always list the BRAND NAME of the car being offered for sale. It's inconceivable to imagine an ad that reads "Used Car for Sale. Call MA 0000."

Yet . . . many classified advertisers who offer refrigerators — or washers or golf clubs or a house that is completely insulated — fail to name the brand of the article being advertised. Quality products, which have become well known by the public thru extensive national or regional advertising, are easier to sell, have greater demand and bring higher prices.

When you place your Want Ad, if it has a well-known, highly respected BRAND NAME connected with it—be sure to include that name in your sales message. Your results will be better, faster . . . and your advertising will cost you less!

Major Roy Carlson, U. of Iowa, Training Executive, U.S. Air Force!

 Born in Red Oak, Iowa, Roy graduated from Thomas Jefferson High School at Council Bluffs. He was ready to enter the University when war changed his mind.	 He went to work at Consolidated Vultee in San Diego, building PBV's and B-24's. But it wasn't long until he had put in his application for Aviation Cadet training.	 Cadet Carlson won his wings in April, 1943, was assigned to P-47 "Thunderbolts" with the 368th Fighter Group in England, to break ground for the Normandy invasion.
 Roy completed 125 combat missions, leading many of them, supporting the invasion and the advances on into Germany. Won Air Medal, D.F.C., many other decorations. Promoted to Captain, then to Major.	 Back home, he married the lovely Army nurse from Lowell, Massachusetts, whom he had met at Cannes, France. After the honeymoon, he returned to finish his studies at the University of Iowa.	 Major Carlson is now Chief of Operations, 2471st Air Force Reserve Training Center, at O'Hare International Airport, near Chicago. Has two husky sons, a fine job, a great career still ahead of him!

If you are single, between the ages of 20 and 26½, with at least two years of college, consider the many career opportunities as a pilot or navigator in the U. S. Air Force. Procurement Teams are visiting many colleges and universities to explain these career opportunities. Watch for them. You may also get full details of your nearest Air Force Base or U. S. Army and U. S. Air Force Recruiting Station, or by writing to the Chief of Staff, U. S. Air Force, Attn. Aviation Cadet Branch, Washington 25, D. C.
