dent and delegate to the convention said.

After registration and a short general meeting this morning, the convention split into four seminar sections to discuss college honor systems, student government's program of building school spirit, betterment of student faculty relations, and whether student governments should investigate school prices and principles.

This afternoon four more semin-ars will be held. Joe Fuller, student senator from Law Hall, will lead the discussion on student government finance. Fuller will open the seminar by telling of ways the A&M student senate has financed its projects.

Charles Kirkham, senate delegate and co-vice president of the Sen-ior Class will lead the seminar discussing cultural entertainment for TISA member schools. This meeting will explore the possibil-

entertainment world at reduced rates through a TISA circuit. Grady Elms, assistant director of J. Wayne Stark, director of the Student Memorial Center (on the student activities, will tell the seminar group how A&M goes about securing entertainment for its student body. He will also

make suggestion on how a circuit may be organized enabling smaller colleges to obtain big name entertainment talent without

ing's Muster. An outstanding stu-den while enrolled here, Church has continued his successful ways to his present standing as a pro-minent attorney and civic leader in Dallas. He was president of the Association of Former Students 1923-24.

Hartung to Speak

Louis A. Hartung, president of the Association of Former Students, will deliver a short talk to present students at A&M. Doyle Avant, cadet colonel of the corps of cadets, will give response on behalf of the student body. The program for the 1950 Mus-

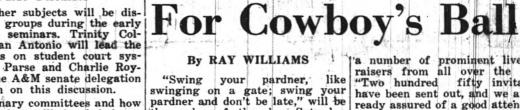

ter will begin with "The Aggie War Hymn" played by the band and sung by the audience. Haines will then call the Muster together and King Egger, corps chaplain, will give the invocation.

Next, the Singing Cadets will sing "The Twelfth Man" to be joined in by the audience on the chorus.

William DuPuy will read the Muster Tradition, a resume of the historical origin of the Aggie Muster and facts about outstanding Musters held since the first one in 1903

Band and Singing Cadets
