

R&F Graduate Is Successful Insuranceman

K. A. Manning started in the life insurance business one year ago on May first, with the Central Texas Agency of the American Life Insurance Company, located here in College Station.

"Cubby," as he is better known to his friends, left an enviable record in his school days at A&M and climaxed his student career with such honors as President of the Agricultural Council, and Secretary of the Range and Forestry Club. He graduated with a BS degree in Range and Forestry.

His record of achievement is continuing to mount and grow. During the past year of selling life insurance, he has now in force in excess of \$400,000 of quality business on the lives of Brazos County residents.

A citizen of College Station, he maintains his office here in the Central Texas Agency at North Gate.

He is a member of the St. Mary's Catholic Church and during the past few months he has served as Chairman of the State Wide Funds Committee for the new church building.

Taking an interest in all civic activities, he is especially active in the Boy Scouts.

Having completed the basic course in life insurance sales, Manning is presently enrolled in the Diamond Life Bulletin Field course for intermediates.

Dallasites Give A&M Christian Church Organ

An electronic organ given by interested Dallasites to the A&M Christian Church of College Station, was dedicated in a recital yesterday. Recitalist was Mrs. J. B. Baty of College Station.

Mrs. Baty was accompanied by Mrs. C. H. Groneman, violinist, of College Station, and Mr. George Adams, bass soloist from Bryan. A reception followed the recital.

The donors, mostly members of the East Dallas Christian Church, became interested in the new A&M Christian Church and contributed most of the purchase price of the instrument.

The recipient church was established two years ago through the resources of the "Crusade for a Christian World," and through money contributed by many Christian Churches of Texas. It is designed to serve a student and college-employed constituency. The minister is James M. Moody, formerly assistant minister of University Christian Church of Ft. Worth.

Dallas contributors to the organ fund were J. W. Porter, James W. Aston, P. B. Keller, George E. Christensen, W. O. Christensen, Laith H. Shaw, Dick Price, and L. C. Eubank.

The Women's Council of the A&M Christian Church and Mrs. Faye Herndon of Panhandle, Texas, provided the remainder of the funds needed to complete the purchase of the organ.

Harry G. Doran, chairman of the Worship Committee, arranged the recital, and the women of the church were in charge of the reception.
