

By The Battalion Sports Staff

The closer we get to the end of this year's sports season, the more difficult it becomes to select any one Star of the Week. And again the Battalion sports staffers have taken the easy way out and chosen two.

The two men represent both major and minor sports at Aggie-land. Pat Hubert, the only pitcher for the Aggie nine who hasn't been charged with a conference defeat, joins John Gottlob, top Cadet fencer, for this week's outstanding sportsmen.

First Minor Star

As far as we know, Gottlob is the first minor sports participant to merit recognition as Star of the Week. Yet it may have been mere oversight, for he has been outstanding quite often in fencing events this year.

Hubert has the top hurling record in the Southwest Conference

John Gottlob

for the current baseball season, holding five victories. He will probably receive the nod as one of the starting pitchers in next week's two-game series with Texas at Austin.

One of the pillars of the Cadet nine, Hubert is a V.M. medicine student, he is from Riviera, where he was graduated from high school in 1944.

One More Year

With another year of eligibility to go, Hubert has earned one credit

Team Sparkplug

Gottlob has been the spark of the Aggie fencing team all season. Gaining his initial experience with the Galveston Buccaneers, one of the top fencing aggregations in the country, his early training with this civic-sponsored group has paid

Pat Hubert

off for the blind-and-lad with the German ancestry.

We don't have the exact statistics on Gottlob's weight and height, but you can take it from us: he's 5'11", around 6" tall, and near 200 pounds.

And He Boxes

Gottlob is a sophomore in D. D. and a Galveston (premier) boxer. He doesn't confine his activities to any one sport either, for he has entered intramural boxing both as freshman and sophomore years.

The top boy didn't go to the top of the mural heavyweight list, but came as fairly close both years and gave his opponents plenty of trouble.

His fencing activities can't be tied down to any one weapon. He can wield the sabre, speer, or foil with equal exact and usual results, the latter usually being good.

Fencers Enter State Tourney In Galveston

Nine members of A&M's fencing team left for Galveston this morning to participate in the State Final Meet of the Amateur Fencers League of America, the big one of the year in the Cadet team.

A&M is entering teams in both foil and epee competition, with individual entries in all four divisions, prep, novice, junior and open.

The meet, scheduled for today and tomorrow, will be the last time the Aggies pick up their weapons when wearing the Stars and Stripes. They are team captain Gus Mott and Gerald Monks. The duo has been to four State Meets in four years.

Represents South

The Galveston meet will bring together collegiate and club teams from Texas, two sections, north and south. A&M will represent the southern division in foil and epee. Rice in sabre competition, and the Galveston Buccaneers in all three weapons for the club teams.

Entries from the northern division are not known.

Teams qualified in a previous round.

Entered in the meet from A&M are Mott, Monks and John Gottlob, composing the foil team; Gus Wilson, Joe Myers and Gottlob for the epee group.

In individual entries, Frank Raguse (sabre), Mike Nicholas (foil), Emmett Jennings (epee), and Dick Jones (sabre) are in the prep division.

In the novice section, Monks has entered in both foil and epee. Mott will use the foil and sabre in the junior category with Wilson entered in the open epee.

Ag Baseballers Lick Bears, 11-4

By HAROLD GANN

A&M's baseball team clinched second place in the SWC diamond derby yesterday afternoon on Kyle Field, humbling Baylor, 11-4, behind the seven-hit hurling of Pat Hubert.

If the Aggies beat Baylor today and sweep the two games with Texas next week in Austin, the pennant is theirs. Game-time today is at 3 p.m.

A&M piled up six runs before the Bruins scored in the sixth. Cadet batters clouted losing pitcher Clyde Robinson for two hits and three runs in the first.

Leaves In Third

The Ags rested one frame, then blasted the tall right hander from the mound in the third.

Moon encouraged a free trip to first from Robinson after shipping a line drive foul over the right field fence. After Shug McPherson's infield single moved Moon to second, the Ag center fielder scored off DeWitt's second inning.

McPherson and DeWitt moved second and third on Larry Isbell's overthrow of home. Then Robinson was relieved by Fred Copeland who allowed one run off 4 passed ball before retiring the side.

Copeland Tight

Copeland blanked the Aggie side in three frames, retiring the side in three straight outs. In the fourth and one in the fifth as a result of two Aggie errors.

The Aggies exhibited from their three inning dormancy in the sixth, registering four runs off singles by Yale Lary and Wally Moon, a double by Hank Gooden and two Brain bunties.

Baylor scored its only earned runs in the eighth. Clyde Robinson, again, singled to right

Buddy Parker duplicated the feat, this time McPherson finished, allowing the runners to pull up at second and third.

Final Tally

The final Maroon marker came in the eighth when Joe Savarino singled to center, advanced to third on two infield outs, and scored off McPherson's infield hit.

It was A&M's second victory over Baylor, having defeated the Bears in Waco, 4-3, in the conference debut. Sam Blanton, with two wins and two losses to his credit, will probably get the nod in the final this afternoon.

More Rain, Yet . . .

Wet Track Mars Hope Of Records

Austin, Tex., May 12.—(AP) Rain yesterday soaked the track and soured hopes for new records in the Southwest Conference track and field meet which starts here today.

The weatherman predicted more showers today and not much likelihood of a change for the better Saturday.

Real weather and a wet track could play a major part in determining whether Texas A&M or Texas will be the champion.

The Aggies are the defending champions of the meet. A&M will have an outside chance in the track preliminary events on Tuesday and Wednesday.

Relay teams will be the first to compete with the Aggies.

Relay teams will be the first to compete with the Aggies.

Martin Hamilton

Hamilton is one of the substitute catchers for the Aggie baseball team. Now playing behind Big Jim Garvick, regular man-with-the-glove, Hamilton may be pressed into action quite often next season.

DeBerry Loses Second Round

Forecast indoors by all-day rain, the Southwest Conference tennis tournament moved into the second round in the singles division here late yesterday.

Jack Turpin of Rice defeated R. G. DeBerry of Texas A&M 6-3, 6-3 in the only second round match played thus far.

First round results included: Raymond Rude, SMU, beat Jack Kending, Baylor, 6-2, 6-3; Carroll Freewer, Baylor, beat Jack Levinson, TU, 6-3, 6-3; Bill Stark, Baylor, beat James Wilson, TU, 6-3, 1-6, 6-0.

Cadets Aiming at 4th Straight Track Crown

By RAY HOLBROOK

The Southwest Conference Track and Field Meet began today in Austin with defending champion A&M attempting to defend its title against strong competitor Texas University and a hoard of individual stars.

Many of these stars are potential record-breakers.

Texas' aggregation is the leading challenger for the favored Cadets, and the two will wage a terrific battle right down to possibly the last event tomorrow.

Parker Leads

Led by Charlie Parker, ace sprinter, the Steers look like winners in three or four events at least, plus a hoard of second and third places.

Rice Institute will be favored for the third spot in the meet and may furnish the meet's outstanding participants, with such boys as Vern McGrew, Tobin Rote, Red Brown, and Tom Cox, in addition to two track relay teams.

Besides the College Station lads mentioned yesterday, some potential record-breakers might well be both Rice's 400 and mile relay squads. They have done 41.2 and

3:14.5 respectively as compared with conference records of 41.8 and 3:14.9.

Cox Ready

Rice's Cox is capable of breaking the 440-yard dash record of 47.3 set by Holbrook of A&M last year, but that will probably depend on the weather, the lane he draws, and whether or not he has a good day.

James Brown of Arkansas ran the two-mile event in 9:24 last week as compared with the 9:30 record. He and J. D. Hampton of A&M should make quite a race of it Saturday.

Now for an actual prediction. We are doubtful of picking all the individual winners, especially in the 880, two-mile, high jump, and broad jump. We will still, however, hazard a guess and hope it as close to accuracy as last week's.

A&M 58, TU 52 (?)

We'll also take a stab at the rest of the places and stick our neck out so far as to say the meet will be as follows: A&M—58, Texas—52!

And here's how we figure: 100 yard dash: Parker, Ambrosio (Baylor); Brown (Rice); Mayes (Texas).

220-yard dash: Parker, Brown, Dillon (Texas); Ambrosio.

440 yard dash: Cox (Rice); Mitchell (A&M); Place (A&M); and Shaeffer (A&M).

880-yard dash: Hoff (Rice— if he runs, Hawkins (Texas); Garmany (A&M); Bradford (Arkansas).

1 mile: Hampton (A&M); Sparks (Texas); Herring (A&M); Brooks (Texas).

Two mile: Hampton, Brown (Arkansas); Herring; Whisnant, (Texas).

Low hurdles: Leming (A&M); Walker (SMU); Valls (Baylor); Parsons (Texas).

More Guesses

440-yard relay: Rice; Texas; Baylor; Arkansas.

Mile relay: Rice; A&M; Texas; Arkansas.

Shotput: Kadera (A&M); Morton (TCU); Wilburn (Texas); McPhail (Rice).

Discus: Kadera; Atkinson, (SMU); Clay, (Texas); Wainout (Rice).

Javelin: Rote (Rice); Marsh (Texas); Klein (Texas); Fole Vault; Simpson (A&M); Walters (Texas); Graves (A&M); Tompkins (Texas).

High jump: McGrew (Rice); Walters (Texas); Davis (A&M); Wonnack (Texas).

Broad jump: Meeks (Texas); Lucas (Baylor); Gerhardt (Rice); Simpson (A&M).

And it still adds up—A&M 58, Texas 52, Rice 40. We'll let it go at that!

Graduation Gift

A gift for the graduate! What shall it be? A pen, a watch, clothes, money? Yes, any of these gifts will bring joy to the young graduate.

And so it's just a matter of choice. We make our purchase, and see that the package is delivered with our congratulations.

It is natural and right that we should yield to these generous impulses. But at a time when young people begin their own careers, with their own decisions to make, we should see that they are fortified with gifts that make for character and good living. At this turning point in life, we should do all in our power to help them establish their careers upon the strong foundations of godliness, love, honesty, charity, and friendship.

Let us give our graduates gifts of lasting quality. By example and advice let us teach them the merits of Christian living. Let us bring them with us to our churches, where they will find the greatest gift of all—the gift of God's love.
