Still other of the men should attain added stature during the coming campaign.

All in all, we're quite proud of the men who entered A&M as freshmen in 1947—and we sincerely hope that through the efforts of both them and their teammates A&M has a highly successful sports year in 1950-51.

We can't think of any better ways to celebrate A&M's 75th anniversary than for the Maroon athletic teams to clean up on conference championships and the Aggie student body to earn the SWC sportsmanship award.

GRADUATING? Congratulations!
