AL Looking For 5th Straight Over NL

By FRANK N. MANITZAS
Battalion Sports Editor

On Tuesday, July 11, in Chicago's Comiskey Park, the 17th All-Star baseball game will become a reality, and unless something unusual happens, the American League will win its fifth straight and 13th game since the event was initiated in '33.

MANITZAS

Managing the teams will be two of the top managers in the major leagues. Casey Stengel of the World Series champions, the New York Yankees, will pilot the American League while Burt Shotton of the Brooklyn Dodgers will direct the National League.

George Kell, Detroit 3rd baseman and the American League's '49 batting champion, led the nationwide poll conducted by newspapers, radio stations, and magazines throughout the country. The poll was under the supervision of Arch Ward of the Chicago Tribune.

Jackie Robinson, of Brooklyn, the senior circuit's leading hitter and most valuable player last year, finished second in the poll. Only two players from last years All-Star teams were chosen again to the starting team. They were Ted Williams of Boston and George Kell of Detroit.

The defending champions hold a hitting average of .333 for its starting eight players selected by the fans, while the National Leaguers starting eight have a hitting average of .326. There isn't much difference in points, but it makes a considerable difference on the field.

TU Geology Gains First Place in Murals

By HAROLD GANN

Texas Geology took an undisputed first-place berth after yesterday's action in the summer session's intramural softball league.

The Texas crew thumped Dorm 15, 4-8, to fall from first place for the first time this campaign.

In other games, TCVV smothered the West Pointers, 11-4, and Dorm 16 dropped Milner, 10-5. Dorm 14 is now one-half game off the pace with Dorm 16 and Dorm 15 closely behind.

Texas, 8, Dorm 17—5

TCVV's Red Heideman allowed Texas only five hits, but the victors took advantage of 10 bases on balls and five errors to gain their fifth victory in six starts.

Starting pitcher John O'Donohoe and catcher Bill Kohn divided mound duties, allowing six singles between them. Texas piled up a 6-0 lead during the first three innings off five walks, three hits, and an error.

TCVV picked up its runs in the fourth and sixth frames. The Texas hits were well-scattered with no man collecting more than one safety. Slim Wakefield clouted two hits for the losers.

Dorm 15—8, Dorm 14—4

The Dorm 15 crew scored eight runs in the first and fifth innings yesterday afternoon to dethrone Dorm 14 and gain revenge over the team that drubbed them, 13-4, in the first merger.

Losing pitcher Moroney pitched one-hit ball for five innings. In the other two, Moroney walked three and allowed seven hits while his teammates committed two errors.

Winning pitcher Mickey Mikeski yielded eight hits, seven of them coming in the fourth and last frames, when Dorm 15 tallied four runs. Mikeska's double in the first drove home two runs. Dorm 14's Blaine paced hitters with two safeties and a walk.

TCVV 11, West Point 4

TCVV registered eight markers in the last two frames yesterday to break a 4-3 West Point lead and hand the losers their seventh defeat of the season.

One of the most spectacular hitting feats of the season was turned in by Hal Butler, who collected two homers and a double in three trips to the plate.

Butler's three-run homer in the first put TCVV in front, but West Point tied the game in the same frame, taking advantage of four walks and a single issued by H. Winder.

West Point's Fowler scored the tie-breaking run in the fifth after walking, advancing to third on a grounder and a fly, and romping homeward on Gilland's clow roller.

Two home runs—one by H. Williams and another by Butler—highlighted TCVV's eight-run splurge in the final two innings.

Dorm 16—10, Milner 5

The Dorm 16 plate-power was the deciding factor again. Paced by John Thomas and R. W. Taylor, Dorm 16 batters walloped Charlie Jackson for 12 base blows.

After a shaky first inning in which he allowed two runs off five walks, Will Barber settled down to pitch a three-hitter.

Ken Voss, batting in the number four slot for Milner, led the losers at the plate with two hits.

Bombers to Vie With La Grange

The Bryan-College Station semi-pro baseball team—the Bombers—will meet the La Grange nine in La Grange Monday afternoon in the home team's first encounter of the season.

Business manager Claude Mahle has announced that the Bombers are planning a heavy schedule for the remainder of the season. Sgt. Ennis B. Elliott of the A&M military department is the playing manager of the team.

"The pitching will be exceptionally good," Mahle said, "and with the use of Bill Stirling, Mike Mistovich, Roland Jones, and Don Cummings, we should win the majority of our games."

Americans Defeat Australia's Best

Wimbledon, Eng., July 7—(AP)—Louise Brough and Mrs. Margaret DuPont won the All-American Women's singles semifinals at Wimbledon yesterday.

But the spotlight was stolen from the women by the longest doubles match these courts have ever seen—four hours and five minutes during which Budge Patty and Young Tony Trabert finally overcame Frank Sedgman and Ken McGregor of Australia, 6-4, 31-29, 7-9, 6-2.

Miss Brough, the defending champion from Beverly Hills, Calif., scored a surprisingly easy 6-4, 6-3 victory over Doris Hart of Jacksonville, Fla., and Mrs. DuPont, American titlist from Wilmington, Del., won from Mrs. Pat Todd, of La Jolla, Calif., 8-6, 4-6, 8-6.
