### Shower Honors Mrs. Elvin Street

Mrs. R. F. Smith entertained Mrs. Elvin Street, recent bride of Elvin Street of College Station, with a miscellaneous shower Wednesday morning at her home in Garden Acres.

The honoree was greeted at the door with a corsage of pink rose buds.

Lime punch, cookies, finger sandwiches, nuts and olives were served in the dining room to about 30 guests. The table was covered with an imported madras cutwork tablecloth and centered with an arrangement of coral, vine and roses.

"Good food, good company, good minds" is the motto of the Knife and Fork Club which will have its organization meeting Friday, July 7th at 4 p. m. The meeting will be held in the Directors' Room of the Chamber of Commerce Room 603 in the Varisco Building in Bryan.

The Knife and Fork Club is not a civic organization but a Lecture Dinner Club. The local Bryan and College Station club will be one of over 300 such clubs scattered across the country.

The enjoyable but dignified dinners of these clubs, with world figures as guests, enable the individual business or professional leader to maintain regular personal contact in his own city with national figures. It gives him the same quality of first hand information he could otherwise secure only in great national conventions.

The international clubs help to break down distances and promote closer contacts among business and civic leaders in the key cities. The entire direction of each club is retained locally.

The organization sponsor committee has recently sent invitations to potential members of the club.

Membership is by invitation and must be limited to comfortable dining facilities.

The little girl in the picture gazes across the tumbling waters of the mountain stream and wonders about things.

She wonders about the other side of the stream; about the wild life that flourishes in its depths and along its banks, about the great mystery of the waters as they roll on to the distant river and the far-off sea.

As she grows in years and stature and her mental horizon expands, she will know more about these and many other things, but always there will be things to be learned, problems to be solved, mysteries to be explained.

The little girl is a symbol of humanity as she stands and looks and wonders. For man is always peering into the dim distances and wondering what lies beyond.

But there is a key to all human problems and a solution for all mysteries. It is the key of faith. It is found in the Scriptures and the teachings of the Church. It is God's gift to those who live by faith.

Religion helps men to solve present perplexities and lights up the dim beyond.

**THE CHURCH FOR ALL . . . ALL FOR THE CHURCH**

The Church is the greatest factor on earth for the building of character and spiritual values. Without a strong church, neither democracy nor civilization can survive. There are four reasons why every person should attend service regularly and his own sake: (1) For his children's sake and reason. (2) For the sake of the Church itself, which needs his loyal and moral support. Plan to go to Bible church on Sunday and read your Bible daily.
