THROUGH A GLASS... DARKLY

She's frightened. She's seeing the world for the first time through dark glasses. It's no wonder you and I are frightened. Ever since we were old enough to reason, we have been seeing the world through dark glasses. It's just as Paul said:

"Now we see through a glass, darkly; but then face to face."

We spend our years wondering why things happen as they do... why hatred flourishes and love withers... why sorrow seems inevitable and joy so rare. Apparently, we were not meant to understand... not here!

Some truths God has revealed to us; these our Churches teach. Other truths God will not reveal until another day; to prepare us for that day our Churches strive.

Until at length we gain that complete vision, we are happiest and strongest when we live faithfully in the truth already revealed. Even with dark glasses a man can see as long as he walks toward the Light.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake (2) For his children's sake (3) For the sake of his community and nation (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

\$90,000,000.00

Over 90 Million Dollars cash surplus was in the General Fund of Texas when W. O. REED concluded his term as Speaker of the House of Representatives in 1948. TODAY THERE IS NO SURPLUS.

Elect W. O. REED
YOUR LIEUT. GOVERNOR

W. O. REED has really done something about efficiency and economy in our state government besides talk about it.

W. O. REED wrote the pay-as-you-go law which put Texas on a cash basis in 1942, and prevents the Legislature spending money it does not have.

W. O. REED believes our state government, like a family, should live within its income.

WE NEED REED!
