L. B. Weiss Sells Civvies, Uniforms

By B. F. Roland

Built for the purpose of having an up-to-date men's store for students at A&M and residents of College Station, Leon B. Weiss, located 124 Boyett Street, was erected in 1947.

With the new store came a congenial man known around College Station for his loud, hearty voice and quick, bustling manner, E. Manning Hertz.

Hertz came to College Station in 1947 from Yoakum, Tex., his birthplace. As manager of Leon B. Weiss, Hertz has established no small reputation in this area for his friendliness and consideration.

Perhaps, this is due to the fact that Hertz is an Aggie in a round-

Rev. O. Byron Richardson to Take Over Baptist Pastorate

By FRANK DAVIS

Rev. O. Byron Richardson of Baytown will assume duties as pastor of the First Baptist Church, College Station replacing Dr. R. L. Brown who has completed 30 years of service there on Sept. 1, according to C. H. Bates, chairman of the Board of Deacons.

Planning to move to College Station Aug. 28, Rev. and Mrs. Richardson and their two small daughters will live in West Park Addition until a residence can be built near the church, Bates said.

Rev. Richardson received a Bachelor of Arts degree from Baylor University in 1945. Since that time he has completed two years work at Southwestern Baptist Seminary in Fort Worth toward a Bachelor of Divinity degree and all of his resident work on a Master of Arts degree at the University of Houston.

Moved From Baytown

His most recent pastorate was of the Wooster Baptist Church in Baytown. Before going to Baytown, Mr. Richardson pastored the First Baptist Church in New England and Neches.

Baptist work at A&M began in the early fall of 1920 with the arrival from Ridley Park, Pa., of Rev. and Mrs. R. L. Brown, the first Baptist student secretaries ever elected by the denomination.

Dr. Brown had been graduated from Campbell College and Wake Forest College, N. C., and had spent one year at the Southern Baptist Theological Seminary, Louisville, Ky., and had received degrees from Crozer Theological Seminary, Chester, Pa., and the University of Pennsylvania at Philadelphia.

On March 18, 1923, a church was organized at A&M with 91 charter members. It was the only church ever reported anywhere to be organized as an outgrowth of Baptist Student Union work in a campus.

Church Land Bought

Next year the land for the erection of a church building was purchased just a block from the North entrance to the College campus, and in 1928 a church building was erected. In 1942 an auditorium, with a seating capacity of 1,000, was built and dedicated.

The parsonage, which was built in 1924, was given to the pastor and his wife in 1946, was moved later off the lot to make room for the erection of the Student-Education building. This bungalow type pastorage was converted into a two-story Colonial home where the Browns are now living at 420 College Main.

During the past year this \$95,000 Student-Education building has been completed. Also, a Baptist Student Center has been erected across the street from the church plant.

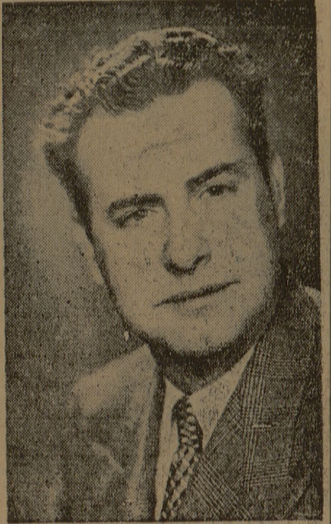

During the 30 years which the

Browns have spent in this field they recall that one or both of them has attended all State Baptist Student Union Conventions, Southwide Baptist Student Union Conventions and two Inter-National Baptist Youth Conferences—one being in Prague, Czechoslovakia, in 1931 and the other in Zurich, Switzerland, in 1937.

In 1934, they attended the Baptist Work Alliance in Berlin, saw the Passion Play at Oberammergau and toured Holy Land. In 1942 Mrs. Brown went by plane to Cuba and studied the mission work there, in company with the missionaries.

Home City Honors Florence Chadwick

San Diego, Calif., Aug. 22—(AP)—English Channel swimmer Florence Chadwick was paraded by her hometown's Broadway yesterday in a gay welcome by her friends and neighbors.

Confetti tossed from buildings, proud cheers and the music of a U. S. Marine Corps' band made it as heartfelt a demonstration as San Diego has seen.

The home folk had noted that their "Flo" was not paraded on New York's Broadway as Gertrude Ederle had been after she swam the channel in 1926. They tried to make it up to her.

Their talks of welcome stressed the point that she had set a new world's record for the channel swim Aug. 8 of 13 hours, 20 minutes—one hour and 11 minutes faster than Miss Ederle's time.

The boys reported seeing many young deer and signs of wild life. On their return trip they visited old Fort Mason, one of the last stations of General Robert E. Lee prior to his departure for the Civil War.

They also visited the Longhorn State Park, Marble Falls, and Barton Springs in Austin.
