Led to Music Career . . .

Song on Job Gets Warren Pink Slip

By GEORGE CHARLTON

Here's one singer, famous though he may be, who wasn't an accomplished musician at the ripe old age of one and a half years. He also couldn't sing before he could talk. We're talking about Leonard Warren, one of the leading Metropolitan Opera Company baritones, who will initiate the Town Hall program Oct. 19 in Guion Hall.

Non-student tickets for the series will be placed on sale Wednesday morning at 8 in the Student Activities office.

Neither did his close associates and friends upon hearing his untutored voice exclaim that his was a "wonderful voice" that he really must do something with, professionally." As a matter of fact, his first employer, upon hearing his voice, fired him from his job as an accountant.

But do not panic, Town Hallers. His voice is now acclaimed by critics as "the world's finest dramatic baritone."

Warren, a graduate of Columbia University in New York, intended to pursue a business career, but when he was discharged from his first job for singing at his work, he decided to make music more than just a hobby. So he applied for

a position in the glee club of Radio City Music Hall, was hired and held the post for three years. Concurrently, he began taking lessons in music. Unlike Warren's first employer, his vocal teacher hearing his voice and realizing its potentialities, advised the young baritone to try for more important work.

Therefore, he decided to try for the top, the Metropolitan. The Met management hearing the Warren audition could not believe that the voice was real; indeed they felt that someone, as a joke, had played a recording of another great baritone.

Today Warren is not only starred in no fewer than 22 operas at the Metropolitan but he also is a member of the Chicago Opera Company, the Teatro Municipal in Rio de Janeiro, and the Teatro Colon in Buenos Aires. He has sung leading parts with the Cincinnati Summer Opera, the Grand Opera Festival of Montreal, and the National Opera in Puerto Rico.

He is the distinguished guest artist on such leading radio programs as the RCA-Victor Hour, Voice of Firestone, Carnegie Hall and the regular Saturday afternoon broadcasts from the Metropolitan Opera House.

the spotty, but effective passing of Fred Benners.

Rote scored the first touchdown with less than two minutes remaining in the first quarter. He went over from the seven-yard line climaxing a 79-yard drive.

Halfback Hank Stollenwerck got the second touchdown in the second quarter by cracking 11 yards through the middle of Missouri's line. The Mustangs marched 68 yards for this one.

Rote waited until the last quarter for his second touchdown. He got it on a short power smack over tackle after he had engineered the Mustangs in a 62 yard journey.

Bill Sullivan converted from placement after each of the touchdowns.

Missouri, listless and uninspired most of the first half, came up with two real scoring threats, but went lame when the chips were down. The Tigers moved to the S. M. U. five yard line on a 57-yard pass play from Bob Henley to Harold Carter and a tackle smack by Carter.

Henley fumbled and lost ground, however, and S.M.U. took over on the ten when Harry Dean recovered.

The Tigers moved 50 yards to the Mustangs' 5, then lost five yards as the game ended.

Southern Methodist, which had knocked off Georgia Tech and Ohio State, completed 20 of its 37 attempted passes for 194 yards, but at that had to depend heavily on Rote's running after three of its top backs—Rusty Russell, Jr., Stollenwerck and Johnny Champion—were lost by injuries in the first half.

Rote picked up a net 108 yards on 17 rushes—more than one-third of his team's 283 total on the ground.

McSwain Vows Held in Bryan

Wedding rites of Miss Mary Louis McSwain and Bobby Joe Bland were solemnized with a double ring ceremony in First Baptist Church of Bryan Sunday. Dr. W. H. Andrew, pastor of the church, performed the ceremony.

After graduation from Stephen F. Austin high school Mrs. Bland attended Baylor University. The groom graduated from A&M with a degree in animal husbandry with the class of 1950.

For travel the bride wore a brown wool gabardine suit with pink accessories and an orchid corsage. The couple are on their honeymoon in Dallas but will live in Houston where Bland is assistant county agent for Harris County.

Reception for Teachers At CHS Set Tomorrow

At its first meeting the Mothers and Dads Club of College Station drew up a schedule of activities for the coming year. First on this schedule is a teachers reception which will take place tomorrow night.

The reception will begin at 7:30 p. m. at Consolidated School, and all parents and teachers will be able to get acquainted. Mrs. W. M. Turner was appointed as general chairman by Fred Brison, president of the Dads and Mothers Club.

Three receiving lines will be formed, Mrs. Turner said, one for members of the high school, another junior high, and the next for elementary school.

Mrs. Turner will be assisted by Mrs. Carl Landiss, Mrs. P. G. Murdoch, Mrs. Victor Schember

Chimney-Bricks 'n Dirt Become New Flower Borders

First little boy—"Don't step on the bricks around the flower-bed. You might knock them over, and then all the dirt will wash away."

Second little boy (amazed)—"Is that why my sister has been getting all the bricks from our chimney?"

The youngsters at Consolidated Elementary School are at it again. This time, said Mrs. C. B. Holzmann, 4th Grade teacher, it is her class.

The kids are industriously building a flower-bed around the gymnasium, and for several days now, have been carting dirt and bricks to school to hasten their building program.

Mrs. Holzmann expects the undertaking to be in full-bloom just as soon as seed is sown.

Rice Wins

to four aerial scores last week against Santa Clara.

Three Rice drives started after its hard-charging line forced LSU to punt out twice, on its 42 and on its 27, and lose the ball on a fumble on its 27. Rice struck quickly for scores each time but made one touchdown on a 77-yard march.

Halfback Sonny Wyatt and Fullback George Glauser each scored twice, while Halfback Billy Burkhalter collected the fifth Rice touchdown. End Billy Wright kicked all five extra points.

Ken Konz, playing his first game at an end position after concentrating halfback duties, scored two of LSU's touchdowns, while Lee Hedges got the third. Konz also made good on two out of three extra point attempts.

Konz scored on a 23-yard left-handed pass from Lee Lapat in the second period and on a 76-yard punt return in the last quarter.

Hedges climaxed a 53-yard march, final period LSU drive by going all the way from the Rice 25. Ebert Van Buren, who normally works on defense, was called in for offensive fullback duties after Rice took its strong lead. He got three important first downs that contributed to the first LSU score.

Van Buren finished with a net gain of 67 yards in 17 tries, seeing only to Glauser who had 73 in 18 carries.

Employment For This Area Up Says TEC

"Employment conditions are good throughout this area," the Bryan-College Station office of the Texas Employment Commission announced in its October labor letter.

Employment is up again. According to the Oct. 1 estimate there are 50 workers more than the previous month.

Unemployment is one-third off from one month ago, says the TEC. Just 233 claims for unemployment benefits were filed during September in the Bryan TEC office, a drop from 422 claims filed during August.

During September the office placed 190 local residents in new non-agricultural jobs.

Over 4,000 cotton harvest hands were recruited and placed on farms in this area.

"Employers can help if they will send surplus job applicants to the Bryan office." This office serves Brazos, Grimes, Burleson and Robertson counties.

Daughter of Ex-Football Captain Dies in Kennedy

The infant daughter of Mr. and Mrs. Bobby Goff died in Kennedy recently. The baby girl was born Oct. 6, 1950.

Bobby Goff will be remembered as one of the co-captains of the Aggie football team of 1949-50.

Safety Driving Classes Again Offered at CHS

Once more classes in Safety Education and Driving Training are being offered at Consolidated High. This course was not offered last year, but was during the 1948-49 school year.

A&M's Industrial Education Department is furnishing nine instructors to teach the course consisting of both theory and practice. So far, 33 students have registered for the course, Principal L. E. Boze said.

These classes generally have six pupils, although the one at Consolidated will be slightly smaller. The first two weeks of class will be devoted entirely to classroom theory, after which students will be taken out on the road.

Roadwork will be in 1950 model cars which have a "dual-control" system enabling the instructor to take control of the car anytime he deems necessary.

Safety driving courses are of much worth, according to school administrators, who expressed the idea that much wear and tear on parents' nerves would be averted.
