

Brazos County Polio Money Voted for Use

The Brazos County Chapter of the National Foundation for Infantile Paralysis is sending \$1,000 from its local treasury to National Headquarters of the March of Dimes organization to help pay patient care bills in other parts of the country, it was announced today by W. H. Badgett, Chapter chairman.

Responding to the appeal of Basil O'Connor, National Foundation president, who recently warned that national funds for aid to chapters would be used up by November, the Brazos County Chapter voted at a meeting of its executive board recently to contribute uncommitted local funds for patient care elsewhere.

As of the beginning of this month, 759 of the Foundation's 2,500 Chapters had exhausted their local treasuries in meeting costs of patient care in their localities. A sufficient Chapter balance remains, Badgett said, to continue care of all local polio patients needing aid.

"We have been fortunate this year in Brazos County," said Badgett. "Polio incidence has been relatively light, as compared with other counties in Texas."

"By sending this contribution to help other Chapters whose load has been heavy this year we shall make funds available for the purpose for which they were contributed last January. Polio patients, wherever they live, have been pledged assistance by the National Foundation if they need it, and it is the mutual responsibility of all units of the organization to see that they get it. We could be recipients of such contributions some other year," he added.

Junior Yell Leaders

These lovely looking young lasses are currently stirring up spirit among Junior High School students at yell practices and football games this season. Recently named to the junior yell leader positions, they are, from left to right, Anne Fleming, Helen Ross, Jean Puddy, and Sally Puddy.

Bonfire, Poster Contest Highlight CHS Activities

Plans for the yell practice and bonfire to be held by Consolidated High School students tonight at 6 p. m. are almost complete, according to Liz Miller, high school yell leader.

Wood for the fire was gathered by the students Monday night, but the bonfire won't be built until today because of rumors that a group of Bastrop partisans are planning to set fire to it, and students were unable to guard the wood last night.

The yell leader said she expected a large crowd of student as well as adults to attend the yell session which will be held on the Consolidated school campus.

Poster Contest

Also included in the plans for weekend activities at the local school is a poster contest similar to that of the Aggies. Deadline for the football poster contest, being held in conjunction with the yell practice, is at 10 a. m. this morning. Judges for the contest were P. L. "Pinky" Downs, Jr., Les Richardson, school superintendent, and Charley Royalty, Aggie football player.

Requirements for the posters was that they be at least four by four feet in size, although there were

KofC Boys Program Renewal Underway

Lt. Col. Walter H. Parsons, senior Engineer instructor in the Military Science Department, announced this week that he has made plans for re-organizing and re-viving the Columbian Squires in Texas. The Columbian Squires is the national youth program of the Knights of Columbus, Col. Parsons said.

Selections for an organization committee are in the process of being made, he said last night, although the final announcement of the group of men from the Knights of Columbus to make up the committee will not be made public until they meet in mid-November.

Committeemen Recommended

Texas is divided into thirty-two districts, the officer said, for the function of Knights of Columbus activities. Each district deputy has been asked to recommend one man from his district as a possible member of the committee to be made up of five men.

M. J. Babin, Jr., state deputy from Port Arthur, will make the final committee selections when he comes here next month to confer with Col. Parsons and other Knights of Columbus representatives. While here, he will discuss where the Columbian Squires committee will meet to discuss plans for installing the clubs throughout the state.

Col. Parsons said that although nothing definite could be said at this time, he believes the meeting of the committee will probably be on the A&M campus.

As chairman of the Squires, the Engineer officer said he has already made his recommendations to the state deputy for members of the group to be selected. Jerome Zubik of Bryan was named to represent the eighth district, of which Joseph Havel, also of Bryan,

Supper Nets \$750 For Parents Club

Mother and Dads Club of A&M Consolidated held their annual Community Supper Tuesday night on the Patroneia Stab at Consolidated.

The supper brought the Club a total of \$750 and approximately \$500 of that amount will be net profit. Proceeds from the supper will supplement funds already available and will be used to purchase schoolground equipment and supplies for Consolidated High School according to F. R. Brison, president of the Mother and Dads Club.

Two of the features of the supper were the Belcher horn display and a gun display. Some of the other activities engaged in at the supper were a cake walk, food auction, fortune telling, and several carnival features for the benefit of the children.

Consolidated Variety Show Tryouts Held

Tryouts for the A&M Consolidated Variety show were held by C. K. Esten, instructor of English and head of the Aggie Players, yesterday at Consolidated High School.

Proceeds from the show will be used to purchase additional uniforms and instruments for the A&M Consolidated Band.

A wide variety of talent auditioned for the show and children from grade to high school age will participate according to Mrs. C. W. Landis.

Fine Imposed For Pea-Shooter Possessors

Milwaukee, Oct. 25.—(AP)—The heat's on, kids. Stash those pea-shooters.

The city council today passed an ordinance imposing a \$25 fine for use, sale or possession of the device.

Action came after a woman complained her daughter had been hit in the eye by a pea-shooter pellet.
