Mrs. Creswell . . .

Elementary School Head Is Tarleton-Texas Grad

By LEON McCLELLAN

From Tarleton to Tigerland! That is the story of Mrs. H. S. Creswell, principal of A&M Consolidated Elementary School.

Mrs. Creswell came to Consolidated in September of 1948 as Elementary School principal, and has since gone quietly about the task of running the grade-school.

Born near Stephenville, Texas, she attended Tarleton State College and the University of Texas. Her first teaching position was in Stephenville where she taught Eng-

lish and History. After six years she went to Tarleton to teach English and mathematics. While on the faculty there she married H. S. Creswell, now a member of the English Department at A&M College. She re-entered the teaching profession in 1948.

In 1929, Mrs. Creswell graduated from the University of Texas with a Bachelor of Arts degree. At the University, she was a member of the Present Day Club, an honorary organization, and the Pi Lambda Theta, an organization for education majors. She also did some religious work while in Austin.

During the summer of 1933, Mrs. Creswell attended the University of Colorado where she started her graduate work. Mrs. Creswell later continued her work during the summer of 1937 at Columbia University. She received her Master of Arts degree at the University of Texas.

She received her administrative and supervisor's certificates at

A&M. The supervisor's certificate was received last summer.

Two sons, one four and the other one, and her principal's job leave Mrs. Creswell with little time for outside activities. She had four good years while living at Bryan Field, she said, as there was little other than one's family and friends to be with. The Creswells moved from the Annex last spring and are now living in College Station.

She is a member of the National Society for the Study of Education, the Department of Elementary School Principals of the National Education Association, and the Texas State Teachers Association.

The flag, one of the 3,011 now in existence, was presented by two Brazos County 4-H Club members and two representatives of Home Demonstration.

Audrey Nolan, Welborn 4-H Club member and sophomore student at Consolidated High School, said, "The flag brings a new symbol of peace and an important message to us. The white of the flag is a symbol of purity, the blue for bravery, the olive branches for peace, and the polar map of the globe represents world-wide peace."

In his acceptance, President Harrington said, "We believe that the United Nations is the greatest single instrument for peace in the world. Men of three nations are fighting and dying in Korea under this very blue and white flag in defense of all mankind."

MY BROTHER'S KEEPER

It was Cain who asked defiantly, "Am I my brother's keeper?" Cain was a murderer, you know!

Ruthless men, seeking their own aims without thought for the worth or welfare of their fellows, have always asked that question.

But in America, our forefathers made the principle of Christian brotherhood a cornerstone of national life.

And they gave us religious freedom; for in the free and unlimited practice of our religion, brotherhood becomes an everyday reality.

You see, the Statue of Liberty cannot guarantee real brotherhood. . . nor can the Constitution. But YOU, and the man next door, and that other man across town. . . you become real brothers by worshipping the same FATHER.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
