

Ag, Canisius Five Play Tonight in NY

A&M's Basketball team will be shooting to break a two-game losing streak tonight in Buffalo, N. Y. against the extra-smooth working quintet of Canisius College.

Last year, the New Yorkers finished the season with a 17-7 win-loss record and have yet to lose a game this season, claiming victories over Western Ontario and Oregon State.

The Cadets opened their season with a 40-35 win over North Texas State, but lost the following two tilts to Oklahoma City University 39-44, and Siena College, 42-56.

McDowell Leads Scorers

Leading the Aggie scorers for the season and the eastern tour has been All-Conference guard Jewell McDowell with 31 points. Close on his heels are veterans, Forward John DeWitt with 28 and

Sooners Beat TU 49 - 25 at Norman

Norman, Okla., Dec. 7—(AP)—The University of Oklahoma Sooners continued their winning ways last night with a 49-25 win over the University of Texas before 2,500 persons.

Joe Ed Falk, Longhorn forward, led the scoring with 12 points on four field goals and four free throws.

The Sooners pulled away and led 25-16 at the half. It was Oklahoma's second win while Texas has won one and lost two.

Safety Rules Apply To Bicycle Users

Bicycle riders should respect the rights of motorists in the streets and the rights of pedestrians on the sidewalks—and they should be careful for their own sakes wherever they ride.

Center Buddy Davis with 24. John Floyd, A&M's new basketball coach, is hoping that the Aggie quintet will acclimatize itself to the new style of play which he has been teaching. An Oklahoma A&M graduate and having worked under the Okie Aggie's famous Hank Iba, Floyd has developed a system all his own which he hopes will be the answer to the Maroon and White's basketball championship drought.

A&M hasn't won the conference title in the hoop sport since 1923. After tonight's tilt with Canisius, the eagles will travel to Pennsylvania where they will encounter Duquesne University, from where they will return to College Station to open their home season against Southwest Texas.

On the eastern tour are McDowell, DeWitt, Davis, Bobby Farmer, Raymond "Woody" Walker, Marvin, Leroy Miksch, Don Heft, Bill Carpenter, Glenn Williams, and Don Garrett.

Brehmer and Nicholson . . .

'26 SWC Golf Champions Hold New Course Records

The Bogauteous Bauer sisters may have stolen the show yesterday afternoon at the opening of A&M's \$75,000 golf course, but four for-

Buddy Davis

Davis, A&M's classy 6' 8" center, has been pacing the Cadets off the backboards around the Eastern circuit, but is third in scoring with 23 points.

mer students, who won the first Southwest Conference Golf Championship, were more than pleased with the outcome of the day.

They had returned to Aggie land, and in their own words, "found everything nice."

Two of the members of the former Aggies golf team were also the first to complete a complete round of 18 holes on the new course.

Brehmer Holds Record

Herbert Brehmer of Kerrville now holds the course record with 86-15 over par—which is extremely good, taking into consideration the cold and wind which hampered outdoor play yesterday.

A. O. Nicholson of Dallas, who went the round with Brehmer, finished a point higher with 87.

The two other members of the initial champs of the conference were present, but are not as active in golf as the previously mentioned. J. C. Landon of San Angelo attended the formal dedication but didn't tee off with the rest because of a back injury.

Wilson Tees Off

Ellis Wilson of San Antonio teed off but didn't go the 18 holes.

Brehmer is a vocational agricultural teacher in Kerrville and although he doesn't play golf too often, he continues the habit he gained in the service and takes to

the course once or twice a week. On his home course in Kerrville, he consistently shoots in the 70's.

Nicholson, however, could make even likable Alice and melancholy Marlene stand up and take notice.

No, Nicholson, who is Vice-President of the Mercantile National Bank hasn't won numerous titles or even a national title, but he is among the top three golfers in America who have played on almost 1000 different courses.

Nicholson Reaches 808

With his round of 18 on the Aggie course, the Dallasite increased the number of courses on which he has played to 808.

This number covers the entire United States as well as 11 courses in Canada, one in Egypt, two in Mexico and three in French Morocco.

Having played on all these courses, he has gained three holes-in-one, but he claims that probably no one will gain an ace on the Aggie course for quite a while.

He likes the layout and has hopes of returning to play on it again.

Nicholson started his golfing career in 1919 with a new set of clubs when he played at the Shamrock Country Club course in Shamrock, Texas. The clubs were a Christmas present, and the following year when he went to A&M, he began on his feverish hobby of trying to reach 1000.

His best year was in '48 when he played on 83 different layouts.

In Texas alone he has played on 387 courses and there are only seven which he knows of that he hasn't yet played on.

TCU Downs Tech

Oilseba, Texas, Dec. 7—(AP)—TCU basketball forces staged a spirited rally in the second half last night to best Texas Tech, 70-53.

The Frogs trailed for most of the first 20 minutes before finally gaining a 38-30 margin at half-time.

TCU's Harvey Proffime grabbed scoring honors with 12 points.

—Beat Georgia—

Molberg, Greiner Set To Lead Aggies Dec. 9

By RALPH E. GORMAN

For the first time this season the members of A&M's football team got together and elected co-captains for their approaching grid contest with the University of Georgia in the Presidential Cup Game, Dec. 9.

Max Greiner and Carl Molberg polled a large majority of the votes in last night's dressing room election to be named Game Co-Captains for the first Aggie post-season game since Jan. 1, 1944.

In the Presidential Cup contest this Saturday in the shadow of the Washington Monument, both Max and Carl will climax their respective careers in collegiate football.

Max receives his fourth grid numeral this year and claims the honor of being the only Southwest Conference athlete to achieve this in the 1950 season. Carl entered A&M after the freshman eligibility rule was changed and consequently will have three letters to his credit.

This is the second time that these two senior linemen have been co-captains during the current season.

Impressive Cadet Record

When the Cadets board the airliners Friday enroute to the nation's capitol, they will carry an impressive record of SWC statistics with them.

Individual records rank high in the seven phases of SWC gridiron statistics which include two first places. A first place rating in team total offense should give Coach Wally Butts' Bulldogs a strong indication of what the combined efforts of the Stitelermen can do.

Smith Leads Two Phases

Bruisin' Bob Smith, A&M's All-American fullback, holds first place in two divisions—leading ball carrier and leading scorer.

In the leading ball carriers column 11 SWC stars have amassed 498 yards and more to gain top recognition.

For first place in this phase of the game, the All-American fullback from Houston has carried the ball 199 times for a net gain of 1,302 yards and an average of 6.5 yards per carry to rank a first in that column as well. (Texas' Byron Townsend is the No. 2 carrier, with only a scant 532 yards between him and Bob.)

Lippman Carries 98 Times

Glenn Lippman, A&M's fleet halfback who has shared ball hugging chores with Bob and Bill through the current season is the No. 11 man among the leading ball carriers. A total of 478 yards for 98 times to carry gives Gallopin' Glenn an average of 4.8 yards per carry.

Another item of special interest to Aggie partisans is that these three Cadets show the least deficiency in yardage lost on ball carrying plays. Bill has lost only five yards during the season, Glenn has lost 20, and Bob shows a minus of 24 yards to compare with the 1,326 yards he has grossed.

Gardemal Among Top Passers

Dandy Dick Gardemal, Aggie No. 1 man-under and probable starting signal-caller in the Presidential Cup game Saturday, ranks seventh among the leading passers in SWC play.

In the division led by SMU's flinging Freddie Benner, who has tossed 192 times for 108 completions and 1,361 yards; the diminutive Port Arthur quarterback has hurled the pigskin 67 times for 35 completions. Six of these aerials have gone into paydirt, while six others have fallen into the arms of the opposition; but all told Dick has netted 593 Aggie yards through the ether zone.

Lary Second—Punts, Returns

Yale Lary, the only Aggie triple-threat as well as being a dou-

ble duty back, is second in both the punting and punt returning columns.

Second to Baylor's Lary Isbell in punting, Yale has booted the pigskin 57 times in ten games (slightly below his 70 punt total of 1949, but then the current season has been much improved) and he has an average of 33.7 yards per boot.

Following another Baylorite, Johnny Curtis, but in the punt returning column, Yale has been the key man in the safety position nine times and has a return average of 23.2 yards.

In 200 plays from the line of scrimmage, A&M's All-American

fullback has an average gain of 6.5 yards per try to be top man among the averages.

TCU's Granger Ghost, Gil Bartosh, claims the lead among the total offense stars after a strong surge in the last two Frog tilts. In 321 plays, Bartosh has amassed a rushing and passing total gain of 1,733 yards.

Bruisin' Bob is second to the Frog's Bartosh with the 1,302 yards that he has gained on the ground alone in the ten game season, Bob has never figured in on the beginning end of a pass play and therefore registers a zero in that column.
