

Cadet Cagers Clip TCU Frogs, 39-36, For 3rd SWC Win

By FRED WALKER

An overflowing crowd of more than 3,500 screamed with delight Saturday night as the Aggies slowed the scurrying TCU Horned Frogs to a walk and a stumble, downing the six-point favorite, 39-36.

Aggie supporters were not disappointed. Playing with the preciseness of an adding machine, the Maroon and White quintet displayed a brand of defense that would have made Sugar Ray Robinson envious.

The heralded Frogs, famous for running up huge scores, were held to 15 points in the first half while the Aggies tallied 25. The final score was 36 to 15.

Basic Division Deceives Job Information

A Vocational Information Kit, filled with pamphlets about job opportunities and aimed to help students who are trying to decide their degree objectives and their future careers, has been received by the Basic Division.

The kit, put out by Science Research Associates of Chicago, contains 272 pamphlets that describe the major jobs in which the American people earn their livings.

Information for each job includes duties on the job, qualifications and training needed, advantages and disadvantages, earnings, opportunity for advancement, and future employment prospects.

The publishers, who produce many different types of vocational guidance materials, have selected the included jobs after an extensive study of leading occupations in the country.

The collection contains information on those vocational fields which many people seek information, and those which are extremely important to the nation's well being.

Great Issues Already Lists Two Speakers

Two of the speakers for the Great Issues course next semester have been named, Dr. S. R. Gammon, chairman of the committee on Great Issues and head of the history department, announced today.

Dr. T. C. Blaisdel, recently director of the Department of Commerce will speak April 18, in the Assembly Room of the MSC. He will speak on "Problems of Controlling Inflation."

On April 23 Stanley Andrews, director of Foreign Agriculture Relations, will speak on "Needs of Foreign Countries For Men Trained in Agriculture."

Seven speakers will be scheduled for the coming semester and Dr. Gammon plans to obtain another speaker who will speak sometime in May.

Great Issues is a senior elective history course, Administration 403, which will be offered during the spring semester.

French to Head Evaluation Group

Dr. C. Clement French, dean of the College, has been named chairman of the Committee on Standards and Reports of the Commission on Institutions of Higher Education of the Southern Association and Secondary Schools.

The committee of which Dr. French is chairman is charged with the responsibility for an annual evaluation of all member colleges in the Southern Association. "This may be as to their compliance with all or any of the standards of the Association," Dr. French said.

Dr. T. S. Painter, president, University of Texas, is chairman of the commission, which will next meet in St. Petersburg, Fla., in December 1951.

Police Seek Culprit Who Stole Man's Leg

Chicago, Jan. 15.—Police are on the lookout for a thief with three legs—assuming that the third had two legs to start with.

The third leg was reported stolen by Edwin Jozak, 27, of Knox, Ind., who said it was his spare one.

Polio Dimes Drive Begins Here Today

The thirteenth annual March of Dimes campaign got underway today in College Station and Bryan to try to refill the coffers of the National Foundation of Infantile Paralysis which in 1949 and 1950 spent some \$47,000,000 for treatment and research.

The local chapter of the National Foundation is headed by Homer T. Blackhurst, associate professor in the Horticulture Department.

Phi Eta Sigma Initiation Set Tonight in MSC

The A&M Chapter of Phi Eta Sigma, national scholastic honor society, will initiate 18 new members and one honorary member tonight at 7 p.m. in the Assembly Room of the Memorial Student Center, Lyle Wolfskill, president of the group stated today.

Following the initiation a short open house honoring freshmen who had a 2.0 grade point ratio or better at mid-semester will be held.

The local chapter, which was installed here in January, 1948, is open to all freshmen who post an average of half A's and half B's. Since there are no blackballs, everyone who attains this average is automatically eligible.

An initiation fee of \$10.00 is required of all new members to cover the cost of a solid gold scroll key, an engraved certificate, the expenses of the national office, and a banquet which will be held in the spring.

The members to be initiated include Thomas Payne, John Park, W. O. Cawley, P. W. Moore, Robert Travis, James R. Bihartz, M. T. Marks, Earl Tweed, Lawrence Haberman, Ted Mullinnix, David McMullan, Billy Westbrook, Fred Wauters, Antonio Herrera, Billy Paul Jones, R. S. Atmar, and A. R. Martin.

Dr. T. D. Brooks, Dean Emeritus of the Graduate School, will be initiated as an honorary member.

The present officers of the fraternity are Wolfskill, Joe Mattel, vice-president; Johnny Dibel, secretary-treasurer; and Jimmy Curtis, historian. The usher for the initiation will be Berry Williams. John Burke and W. D. Krueger will be candlebearers.

Vanity Fair Deadline Re-Extended to Feb. 10

Roy Nance, editor of Aggeland 1951, announced today the deadline for submitting Vanity Fair and Senior Favorite pictures has been extended from Jan. 20 to Feb. 10.

Six Vanity Fair winners are to appear in the Aggeland 1951. To date only six seniors have entered nominees. To enter the contest three poses of the seniors' favorites are required—a formal shot, a sports shot, and a bust shot. All pictures should be 5 x 7 glossy prints.

Vanity Fair and Senior Favorites sections of the annual were started during the early days of the publication in order to add a certain amount of glamor to the book, Nance said. But unless more pictures are submitted to Vanity Fair the editor is considering opening the section to the Junior Class.

Negotiations are in progress to have George Petty, of Esquire

fame, select the Vanity Fair winners. The girls selected must be present at the Military Ball for formal presentation to the student body. Other nominees pictures will be placed in the Senior Favorite section.

Senior Favorite pictures must also be 5x7 glossy. A charge of \$1.50 will be made for each entry, and a Senior may enter as many shots as he likes.

The Jan. 20 deadline is still in effect for reservations or space for professional, society, home-town clubs religious or other campus organizations. Full pages cost \$55 and half pages \$35 each. Nance said that pictures of club officers will be included on the whole pages.

Entries in Vanity Fair, Senior Favorites, or space reservations for club pictures may be made at the office of Student Activities, second floor, Goodwin Hall.

Saber Totin' Ladies Rout Hold-up Men

New York, Jan. 15.—(AP)—A pair of sword-wielding 60-year-old women routed two armed holdup men last week-end while one of their husbands looked on in awe.

Police said the trio—Henry Schmalz, 62, and his wife, of Ozone Park, Queens, and Mrs. Frances Dauch, of Brooklyn—were accosted by two unidentified negroes just a few minutes after leaving the Brooklyn Masonic Temple.

They had been attending an installation for the Esther Court of the Order Amaranth, a Masonic Women's Auxiliary, and the two ladies were carrying their ritual swords.

One assailant grabbed Mrs. Dauch's purse and she lunged forward with her sword. She later was quoted as claiming a "touche!"

Then Mrs. Schmalz prepared to go "en garde." The two men fled, firing one parting shot. The bullet grazed Mrs. Schmalz's leg.

Mrs. Dauch said her stolen purse contained about \$11.

The admiring Schmalz took his wife home after she was treated.

to students sometime this week, not later than Friday, Heaton continued.

Old returning students will follow the same schedule set up for currently enrolled members of the student body.

New students will register in the Registrar's Office in the Administration Building. Students transferring from other colleges will register in Sbis Hall.

Directions for registration are as follows: secured assignment card at east door of Sbis, pay fees at the Cashier's desk, report to chief of housing for room assignment, report to the heads of departments for approval of courses to be taken, report to dean for approval of schedule, and turn in assignment card at the Registrar's desk.

Cards Initialed

Juniors and seniors in the School of Arts and Sciences and Agriculture must have their assignment cards initialed by the heads of their major departments before the cards are presented their deans for approval.

All students in the Schools of Agriculture and Engineering who have attained junior standing or above must have their approved degree plans when presenting their assignment cards to their deans for approval.

Any old student who has not completed his registration and returned his assignment card to the Registrar's Office by 5 p. m. of registration day will be charged an additional matriculation fee of \$2 for late registration.

Tuesday, Feb. 6, is the last day for making changes in schedules. Courses dropped after this date will be dropped with grades of F.

Students now enrolled in school who expect to attend school during the next session should pay fees and reserve rooms beginning at 8 a. m., Jan. 17 to keep the room they now live in.

Procedure has been outlined by the Office of the Dean of Men as follows:

Veterans will secure fee waiver slips from the Veteran's Advisor's Office in Room 104 of Goodwin Hall.

Fees can be paid to a representative of the Fiscal Office in the Housing Office on Jan. 23, 24.

Students wishing to reserve the rooms in which they now live should register between 8 p. m., Jan. 17 and 12 noon Friday Jan. 26.

New Rooms

Students wishing to move to any other room than the one they now occupy may do so by presenting written permission from the new housemaster or organization commander concerned on the same dates and hours as in the above case.

Students moving from the Cadet Corps to a non-military dorm must secure written permission from the assistant commandant before reserving rooms.

Day students or those planning to become day students may also pay fees early and save time in the registration procedure.

Day student permits can be obtained in the Housing Office by those who are not now living off the campus.

Business Students To Receive Award

Junior and senior students majoring in business administration, will receive awards each year, beginning with this school year, T. W. Leland, head of the Department of Business Administration announced today.

The awards are made possible by T. W. Mohle, '21 senior partner in the T. W. Mohle Company of Houston, with a contribution of \$200 to the awards.

Selection of the winners will be made by committees from the teaching staff of the Department of Business Administration.

Selection will be on the basis of scholarship and extracurricular activities. The number of students to receive the awards and the amount of each award is left to the committees.

Co-Op Internships Open to Graduates

Dr. Ide P. Trotter, Dean of the Graduate School, suggested today that interested graduate students and faculty members wishing to obtain government employment at regular rates and at the same time do research toward advanced degrees, might review the Cooperative Intern Program recently announced by the U. S. Department of Agriculture.

Announcement of 58 internship opportunities for 1951-52 was recently released by the Department of Agriculture to all land grant colleges.

U.S. Will 'Stay and Fight' Says Army Chief in Korea

By OLEN CLEMENTS

Tokyo, Jan. 15.—(AP)—Gen. J. Lawton Collins said today that American forces "will certainly stay and fight" in Korea.

The U. S. Army Chief of Staff told a news conference in Korea that troop replacements will begin to arrive in numbers in two or three months. Some already are going to the front, he said.

One new regular army division will be organized, Collins added. National Guard units will be called into service.

Yongwol Recaptured

While Collins was taking a close look at the Korean war situation, Allied troops recaptured fire-blackened Yongwol on the east-central front. Their reentry into the town eased pressure somewhat against U. S. Second Division forces holding off powerful Red forces near Wonju, 30 miles northwest of Yongwol.

But the Second Division's fighting stand in defense of the network of roads fanning out into the heart of South Korea still was in grave danger. A Communist force of possibly 30,000 troops was reported operating in the rugged mountain area 25 to 55 miles south of Wonju. It threatened to choke off the Second Division's withdrawal route back to the main body of Allied troops.

Meanwhile, Communist reinforcements were reported pouring into the area north and west of Wonju. There they would be in position for a frontal assault against the standstill American, French and Dutch troops of the division or a flank sweep building up the cut-off threat.

Collins' Promise

Collins' promise that the U. S. would stay in Korea followed a series of high-level talks in Tokyo. These brought together General MacArthur, Collins; Gen. Hoyt S. Vandenberg, U. S. Air Force Chief of Staff; Lt. Gen. Walter Bedell Smith, Chief of the U. S. Central Intelligence Agency, and Maj. Gen. Alexander R. Bolling, Army Chief of Intelligence.

High naval officers also sat in. The talks touched off a flurry of speculation—even that Nationalist China's troops might be permitted to fight in Korea.

There were even reports that the talks dealt with the possible evacuation of Korea by U. N. troops.

No announcement was made by the high command.

Collins, however, in his Korean news conference, said:

"I am not going into the future, but as of now we intend to stay and fight in Korea."

This modifying reference to the future added to the mystery of just what were the U. S. intentions.

Probationists Must Get Early Grade Reports

All students on probation for the Fall Semester and failing to pass 10 hours and 10 grade points are responsible for seeing that their deans are provided with a report of their grades prior to registering for the Spring session, H. L. Heaton, registrar, announced today.

Forms for this purpose have been mailed to each probation student. Students who fail to meet requirements at the end of the current semester may secure the forms at the Registrar's Office.

The forms should be completed as soon as possible after final grades have been posted and taken to the Dean concerned for a personal conference.

"This should be accomplished wherever possible prior to registration day and under no circumstances should the report be taken to the Dean concerned at Sbis Hall on registration day," Heaton concluded.

If the student's conference with his Dean results in his being able to remain in school he will be given a written permit to do so. This permit must be presented at Sbis Hall at the hour the student is scheduled to register on Jan. 29 or 30, concluded Heaton.

Film Group Shows 'All Quiet' Tonite

"All Quiet on the Western Front," considered by many to be one of the greatest war pictures of all time, will be the Monday offering of the A&M Film Society. Showtime will be 7:30 p. m. in the YMCA Chapel, according to George Charlton, secretary-treasurer of the organization this year.

"Any member who cannot attend the program may turn his membership card over to a friend, and he, in turn, may use it for admittance by merely presenting it at the door," Charlton says.

If any seats are not taken up by members, persons interested in seeing the film may pay 25 cents admission charge.

Starring Lew Ayres and Louis Wolheim, the picture, which was released in 1930, is a bitter denunciation of war. The film deals with German soldiers in World War I.

Aggie-Ex Presides At TREA Meeting

Texas Real Estate Association directors who wish to place real estate on the professional level as doctors and lawyers, met this past week-end at the MSC for their annual mid-winter business meeting.

Headed by Owen W. Sherrill, Aggie-ex, class of '10, the realtors discussed a program to step-up membership so that more people will know more about real estate. Also discussed were college curriculums devoted to real estate and legislative measures to combat governmental controls of private enterprises.

A meeting of the executive committee was held Saturday afternoon in the MSC. That night, the 35 attending members were dinner guests in the home of Mr. and Mrs. J. C. Culpepper.

Sunday morning the group met in the MSC for a business session followed by a dinner in their honor.

Saddle and Sirloin To Hear Dr. Miller

The Saddle and Sirloin Club will hold its regular meeting Tuesday night, in the A. and I. Lecture Room.

All freshman students majoring in agriculture are invited to attend the meeting. Dr. J. C. Miller, head of the Animal Husbandry Department will speak on the advantages of majoring in Animal Husbandry and the job possibilities after graduation.

After Dr. Miller's talk there will be a movie and refreshments will be served.

The club will have pictures made for the 1951 Aggeland Thursday afternoon, January 18, on the steps of the Administration building at 5:10 p. m.

Dr. French Heads Oak Ridge Group

Dr. C. Clement French, dean of the College has been appointed chairman of the University Relations Committee of the Oak Ridge Institute of Nuclear Studies, for the coming year.

The appointment was made by Dr. Louis A. Oardue, chairman of the Council of the Oak Ridge Institute of Nuclear Studies.
