

QMC, A Inf Vie for Mural Grid Title

BLANCHETTE
The Infantry company will play QMC this afternoon

for the championship of the Military Leagues.
The infantrymen scored one touchdown just before the end of the first half but the six-pointer was nullified by a roughing penalty.

Gaining possession of the pigskin on the Engineer 45 yard line, the gravel agitators drove to the 20 yard line in four plays. From this point Harold Hudspeth, Infantry halfback, broke around end for a 25 yard gain before Bob Travis stopped him on the four yard marker.

Score Called Back
Don Morris dove over center for a two yard advance. On the next play Morris took Gene Nash's pitchout and scored but the costly 15 yard penalty was called nullifying the preceding scoring play.

The Engineers opened the second half with Bob Bradford streaking 20 yards to the Infantry 35 before he was halted. However, the drive bogged down when the constructionists resorted to power tactics and the only significant gain was Travis' five yards advance to the 30.

Morton Sullivan, sensational Engineer tailback, was halted on practically every occasion by the stout defensive Infantry line headed by Bolan Brown.
The Engineers drove to the Dog-

gie's 19 on one occasion but were halted and never encircled deeply into enemy territory again all afternoon.
Both elevens had one 40 yard penetration and one twenty yard penetration but A Infantry gained the victory by leading in first downs, 3-2.

Cage Stars Take

New York, Jan. 18—(AP) A basketball gambling scandal erupted yesterday with disclosure of an attempt to fix Tuesday night's Manhattan-DePaul game and arrest of two former Manhattan players accused of throwing games last season.

The players were Henry E. Poppe, 24, and John A. Byrnes, 22, co-captains of last season's team, charged with taking bribes in the Siena, Bradley and Santa Clara games.

Assistant District Attorney Edward F. Breslin of the Bronx said each received about \$5,000 in bribes. Byrnes played this season for Bridgeport in the American Basketball League.

Also arrested as alleged "fixers" were Irving Schwartzberg, 36, his brother, Benjamin, 35, and Cornelius Kelleher, 35. They and the two former players were charged with conspiracy and bribery.

Kellogg Refuses Bribe

The case was broken when Junius Kellogg, 23, of Portsmouth, Va., six foot, seven inch Manhattan Negro center, refused a \$1,000 bribe to help assure a DePaul victory.

Instead he notified authorities—and Manhattan won, 62-59, in an upset over the Chicago Catholic College.

Breslin hinted that scandal unearthed so far may spread to other colleges.

He quoted Kellogg as saying that Poppe, in urging him to take the bribe, told him other players in New York and other cities were "doing the same thing."

Poppe Unaware of Bribe
Kellogg said Poppe boldly walked onto the court during the pre-game warm-up to give Kellogg his final instructions—unaware that the Negro had reported the bribe offer.

This was the second major college basketball bribery scandal in recent years.

Five Brooklyn College players signed a statement in 1945 saying they received \$1,000 to throw a scheduled game with Akron at Boston. The game was not played. Two men were arrested on gambling charges.

Poppe was arrested early yesterday in his home and Breslin said he admitted the bribe attempt.
