

# College Station Scouts Observe Anniversary

Boy Scouts of College Station and Bryan begin a week-long observance of National Boy Scout Week today. The observance marks the forty-first anniversary of the Boy Scouts of America.

During World War II, the late President Roosevelt made 69 requests for Boy Scout service. The services included the selling of war bonds and stamps, collecting scrap metal and rubber, and waste paper. Besides these various drives, the Boy Scouts served as messengers for civilian defense units and helped in gathering farm crops. They raised victory gardens as well.

102 gave generously of their time to gathering of clothing and furniture for the family of seven. There are 21 units—cub packs, scout troops, and explorer posts—serving over 500 boys of all races in the Brazos County area. These boys meet weekly and carry on the work of scouting—either working on merit badges or else doing their "good-turn".

# Influenza and Diarrhea Are On Upgrade Report Shows

Sixty-four cases of influenza and 38 cases of diarrhea are reported for the week ending Jan. 27 by the Brazos County Health Unit.

Dr. David E. Brown, director of the unit, said that although the number of cases were high, the figures were normal for this time of the year and there was no cause to worry.

"Influenza has been diagnosed as one of the virus diseases—and washing hands and face before eating, bathing regularly, and sleeping in well ventilated rooms—there is not much danger of contracting the disease. People should also avoid large crowds where germs are likely to be spread through coughing and inhalation. Public drinking fountains should be avoided whenever possible as many cold germs are spread in this manner, says Dr. Brown. Diarrhea, also diagnosed as a virus disease, may be spread the same as influenza. This disease seems to be spread mainly through food and drink. Diarrhea virus, unlike the flu virus which attacks the lungs, goes down the throat and attacks the digestive tract. Precautions against this disease are the same as those for influenza with special emphasis on the avoiding of large crowds.

# On Marriage Here and There . . .

By VIVIAN CASTLEBERRY, Battalion Women's Editor

Aggies played principal roles in weddings over the state during the past week. The recent marriage of Dwayne L. Fittie and Miss Rose Marie Goelzer was solemnized in the First Baptist Church at Chilton. The bridegroom is a vet medicine major here. His bride is a former student at Baylor University.

Moore. Moore is a chemical engineering graduate of A&M. Among his attendants were Aggies Byron D. Moore and A. S. Barada. Mr. and Mrs. Moore will be at home in Port Arthur.

Statler-Falls Sara Louise and Robert William

Statler are at home at 3706 Howell in Bryan following their recent marriage in the Trinity Episcopal Church in Houston. The bride is the former Miss Fall, daughter of Mrs. Frederic Kemper Fall. Mr. Statler's mother is Mrs. L. A. Beach.

The bridegroom is a student here. His attendants were William Pitts, Sonny McDonald, Harry Richards and Robert Rodgers. Mrs. Statler was attended by Miss Rosanna Fall and Miss Kemper Fall.

# Engagement Announced

In San Antonio Saturday, Mrs. C. H. Summers entertained at her home with a tea announcing the approaching marriage of her niece, Miss Sue Caroline Birdwell and George William Alves. Miss Birdwell, the daughter of Mr. and Mrs. LeRoy Birdwell of Woodbury, N. J., is a graduate of Southwestern University where she was president of Pi Gamma Mu, Alpha Chi, Women's Advisory Council, Women's Panhellenic and Inter-Fraternity Council.

Her fiancé, a graduate of A&M, is now in the Navy and will be stationed at San Francisco. He is a former tenor soloist in the Singing Cadets, was first lieutenant in his company and was a member of the Aggie band.

Date of the wedding will be announced later.

# Brady Minister Now Holding Baptist Revival

Classed as a dynamic speaker, W. LeRay Fowler, 26 year old Baptist minister from Brady, opened a revival last night at the First Baptist Church in College Station.

The revival being held each night at 7:30, will continue through next Sunday, the Rev. O. Byron Richardson, pastor of the local church said this morning.

The Rev. Fowler is conducting services here in the eighty-sixth church he has spoken in since entering the ministry in 1941. He has also appeared in 16 college and 40 high school chapels, traveling over 100,000 miles preaching.

"I deliver a sermon just about like any other preacher," he explains, "but I try to give my subject an unusual twist which gets the listener's attention. You see, the newspapers, the movies, the radio and the magazines use this same technique. Why shouldn't a preacher?"

Fowler was graduated from Mt. Calm High School in 1940 and studied theology at Baylor University. He earned a Bachelor of Arts degree in 1944 and a Master of Arts degree with honors in 1945.

# Children to Star in Brazos Comedy

Melton Barker, a Dallas professional photographer, will be in College Station at the Campus theater to audition youngsters for a Brazos County Our Gang Club comedy.

The comedy will be made entirely about a typical Brazos County "gang." Children between the ages of three and fourteen are eligible for a screen test given free by the photographer.

# Prizes for All Smokers In Contest

By ROGER COSLETT "Fire in the hole."

"What's this, smoke and fire but no explosion?" Wasn't that the yell for dynamite being set off? Yes that's the yell alright but in this case it's just another Aggie firing up that stoker of his in anticipation of winning a host of prizes in the annual Battalion Pipe Smoking Contest.

Why haven't you heard? The contest is being held Feb. 28 in the MSC Assembly Room. Last year they gave away better than \$150 in pipes, tobacco, cigarette and pipe lighters and cigarettes. This year promises to be as good, if not better.

By "they" I mean The Battalion and the Memorial Student Center of course. They have been doing it for the last four years.

The nice part about it is that there are more than just pipe smoking contests. Why they have cigar smoking, cigarette rolling and smoke ring blowing as well. They even give a prize for the best pipe collection.

Anyone connected with the college can enter—even women. All they have to do is watch The Battalion for an entry blank, fill it out and return it to the contest manager.

Well what are you waiting for? Get out that briar, stogie or package of Dukes and practice up.

# Local Projects

The Scouts in the local area have carried on many worthwhile projects. Recently, when fire completely destroyed the home of a negro family, the Scouts of Troop

# Golden Gloves Thursday --

(Continued from Page 2) quaking boes and yells. These "sims" won't keep those who commit them from entering into the gates of heaven, but they will definitely scar our reputation. Think about it the next time the situation arises.

Both novice and open divisions will be represented in the Annual Bryan Golden Gloves Tournament, pitting together many of the best in the area in impressive exhibitions of amateur glove prowess.

# Williams Coaches Home Team

Sporting our local colors is the Bryan YMCA team, composed almost entirely of students from the college . . . hence, the name Fight-in' Texas Aggies.

Harold Williams, who won fame in last year's GG Tourney in the light heavy weight division, is both coach and team member for the 1951 meeting.

So far only about 20 Cadets have shown desire to throw their hat, gloves, shoes and robe into the ring and there is room for several more to bring the Aggie team up to full strength.

According to Williams, participation in the Golden Gloves meet will not prohibit these same fighters from entering Intramural boxing later this month. There has been a change in the intramural program to allow students to compete in both tournaments.

Trophies will be awarded those men winning the district crown in their respective weights and also to the runner-ups in both the novice and open classes. Novice includes those contestants who have no previous victories in Gloves fighting, while the open division has no restrictions other than professional or semi-pro experience.

The winners in the open division will receive trunks, robes, trophies, and an all-expense paid week in Fort Worth for the state finals.
