

Carl Molberg Max Greiner

Grid Captains Named on Who's Who in Sports

Two graduating A&M line-men, Carl Molberg and Max Greiner have been honored by the Dell Publishing Company as they were named to that establishment's book, WHO'S WHO IN SPORTS.

The men were chosen by Stanley Woodward, editor of the book, who calculated them to be among the ranking grid stars of the country.

This is the second edition of WHO'S WHO . . . by Dell, who also puts out two well-known sports periodicals, FOOTBALL 1951 and SPORTS ALBUM.

Greiner and Molberg were All-Southwest Conference line-men last year, and they carried off awards at the A&M Winter Sports Banquet for captaining the 1950 Aggie football team.

In 1949, Greiner, who was the only Aggie squadman to hold four varsity football letters at A&M, was named as the best blocker on the Maroon and White team. Molberg was voted the Aggies' most valuable player the same year.

Aggies Open Gloves Tourney Tonight

By ED HOLDER
Batt Sports Staff

When the gong rings tonight at 7:30 in the Allen Academy Gym inaugurating the 1951 Bryan Golden Gloves Tournament, some 50 hopeful entries will vie for the title which offers a trip to Fort Worth and a crack at the state championship, the dream of every amateur boxer.

In this year's tournament, 25 "Fighting Aggies" will carry the banner into the ring for A&M. These Aggie entries include several experienced title holders, who have their gloves poised for a shot at the ship title.

Trophies For Winners

Winners in the open division will receive large trophies with their names engraved on them. Awards will also be made to the runners-up as well as to the winners and runners-up of the novice division.

Harold Williams, coach of this year's team, and holder of the '48 and '49 light-heavyweight titles in Bryan, will fight once more in this weight division.

The Bryan YMCA, Allen Academy, and Sam Houston State College will be well represented in the tournament. Winners in the open division will receive an all-expense paid week in Fort Worth for the state finals.

Milholin—Title Holder

Quinton Milholin will enter the ring this year as a title holder of the 1950 Bryan Golden Gloves and will be a chief contender for the featherweight title this year.

Skippy Johnson, a two year welterweight intramural champ and state finalist in the lightweight division in 1948, will be another chief contender for a title.

In the middleweight division is Roy Marine who copped the 1950 novice lightweight title in Bryan.

Gridsters Compete

Alvin Langford, who lost to footballer Dick Scott in the open division last year in Bryan, will vie for the heavyweight title again this year.

Novice Fencers Vie in Houston Foil, Epee Meet

First year performers on A&M's fencing team will have an opportunity to display their capabilities in foil and epee competition in Houston Saturday.

The meet is limited to men in the prep class and many of the participants will be in competition for the first time.

Fencers from Rice, University of Houston, Galveston and A&M will compete, and the meet should give good indication of how the cadet first-year men compare with men of similar experience throughout South Texas.

Earlier in the year at a meet held in College Station the cadets took 4 out of 6 places. This group of Aggies should also give a good account of itself.

Representing A&M will be Bob Braslau, Claude Holmes, Tom Munnerlyn, Truett Fields, Tom Spencer, Wally Schlather, Bob Jones, Edward Ryan and Chuck Massey.

Dick Frey, novice heavyweight in 1950, and J. D. Guidry, 1949 heavyweight winner in Beaumont, are also in the big-boys bracket. "Frog" Sanders, flyweight, and Nino Gongora, lightweight, will open bantamweight division.

Novice Division

In the novice bracket are Phil Doron, flyweight; Jessie Vivera, bantamweight; David Earl and Odus Loosier, featherweights; and James Lopez, Norton McDuffie, and Dave Curtis, lightweights.

Joe Jackson, E. D. Manning, Charles Lucas, Eugene Bedford, Bud Taylor, and Roland Villattea will slug it out for the novice welterweight title, while Dick Clark dons the gloves in the middleweight division.

Joe Holland and Ken Womack will vie as novice heavyweights, and no one is entered in the novice lightweight division.

The preliminary bouts will be held tonight while the finals will be fought Saturday night with the latter taking place in the Allen Academy Gym again—starting time 7:30.

Ags Host To Underdog Bear Five Tonight at 8

RALPH E. GORMAN
Batt Sports Editor

Still licking the wounds inflicted by the TCU Horned Frogs earlier this week, A&M's basketball quintet is ready and raring for their return bout with Bill Henderson's Baylor Bears tonight at 8 in DeWare Field House.

In a curtain raiser at 6 this evening, the Cadet Fish cage team will play host to the Baylor Cubs in hopes of squaring up their two game series. The Fish were victims of the Cub attack when the two teams met in Waco, where the Cadet varsity triumphed in a thrilling overtime contest 55 to 53.

Tonight's bout finds the host team a heavy favorite over the visiting Bruins with the latter showing only one mark in the win column, while dropping six in conference play.

According to Aggie Cage Mentor John Floyd "tonight's game is an important one, and we want to win it. In Fort Worth we played

good defensive ball against the Frogs, but our offense was off." "The boys are in a good frame of mind, and we should be in fine shape tonight with the offensive kinks ironed out," the youthful roundball coach concluded.

Southwest Conference fans will agree with Floyd in regard to A&M's defensive potentialities, as the Cadets rank third among the nation's cage teams with an average yield of some 46 points per game.

Floyd's starting Cadet five—Buddy Davis, Jewell McDowell, Marvin Martin, John DeWitt and either Don Hef, Bobby Farmer, or Woody Walker—should find relative ease in shrouding the Baylor goal.

At the pivot position, the 6'8" Davis will be the tallest man on the court and the Bruins will be wary of what tallies the Aggies' leading scorer may produce. Davis counted 22 points against the Bears in their initial meeting.

Ranking fourth among the SWC cage stars, Davis has amassed a total of 221 points and has gained high point honors in five of A&M's seven conference battles this season.

Following Davis in the point-making circle is All-conference guard McDowell, who has counted 215 points in the Cadet 18 game schedule.

McDowell is a serious threat to any of the Aggie opponents with his cord-cutting set shots, and

looks as a strong contender for conference fame again this season.

In the Cadet reserve ranks in the 1950 campaign, Marvin Martin has come into his own at his forward post, to offer a formidable threat to all those who wish to contest the Floydmen in their fight for the SWC cage crown.

Rounding out the four regular starters on the Aggies quintet is 6'5" DeWitt, who shares the yeoman duties with Martin.

DeWitt ranks third in Cadet scoring column and has produced some of the most capable ball handling this year.

Tommy Strausburger will lead the Cub attack tonight against the Fish quintet, and should produce more than a handful of trouble for the first year Cadets.

Heading the freshmen scorers is Ronnie Dwyer, who has netted 64 tallies at his guard position; while James Addison follows close behind with 62 counters.

The Fish cagers show a record of three wins for as many defeats in season play and will be out to better their record over this week-end.

After the bout with the Cubs tonight, the Fish journey to Jacksonville, where they will do battle Saturday night with the Lon Morris cagers. In their first meeting this year, the Lon Morris quint fell before the Cadets, 51-36, in the latter's season opener.

'Mural Wrestling Opens Next Week

By PAT LE BLANC

Trouncing and wrinking on the mats will be approximately 250 wrestlers who will exchange combat holds in the annual intramural wrestling tourney which starts Feb. 13.

The defending champs will be numerous. Dare Keelan, 147 of C AF, a defending champ in his division last year, will be challenged heavily by John Yates, returning freshman champ.

Squadron Mates Wilbur Penn and Royce Brimberry of I AF will return to the mat in an attempt to hold their honors against their contestants in the 130 pound and 123 pound divisions.

Fred Willy, 130 and Paul Cameron, 123, are the returning freshman winners.

Ken Rogers, top canvas pinner in the heavyweight class of last year, as well as freshman victor A. H. Bres of the 137 pound division will not be back.

Handball

The little gym will be the site of the handball players who will start tourney play Tuesday. Each team will consist of six men who will make up three sets of doubles. The winning team must win two out of three sets of doubles, with a game being terminated by 21 points.

Ping-Pong

Constituting a Ping-Pong team will be five singles players. The winning team will be the one who has at least three winning members.

"Ping-Slashers" will contest in the MSC with the center furnishing all of the equipment.

Bowling

Bowlers will take to the lanes at the YMCA, with pin-setters being

Top Bowlers Win Prizes in MSC

Prizes will be awarded to the two bowlers reporting the highest scores between 9 a. m. and 10 p. m. Saturday on the Memorial Student Center lanes. The MSC Bowling and Games Department will present the prizes.

The first prize will be an edible item valued at approximately five dollars. The second prize will be a comical item.

Chris Gent, the originator of the idea, is attempting to make this event a weekly affair.

furnished by the bowlers. A victorious pin-man team must win two out of three games from its opponent.

We'll take the little one

THEY'RE both good basketball players. But if we were to judge them the way we judge telephone equipment, we'd take the small one.

You see, telephone equipment occupies valuable space, uses costly materials. Paring down its size helps keep down the cost of telephone service. Take voice amplifiers, for example. Telephone engineers put the squeeze

on size, came up with a new small type. When 600 of these new amplifiers are mounted on a frame two feet wide and eleven feet high, they do a job which once required a roomful of equipment. Size was cut—but not performance!

This is one of many cases where the Bell System has made big things small to help keep the cost of telephone service low.
