

# Rogers, Jones FHA Favorites

Royce Rogers and Roland Jones are the 1951 Sweethearts of the A&M Consolidated High School chapter of the Future Homemakers of America.

At the second annual banquet of the Homemakers, the two boys were awarded initialed gold belt buckles by Miss Celeste Curran, club president.

The club, sponsored by Mrs. W. K. Frey, yearly selects the boy whom members would most like to call sweetheart. This year there were only two votes separating the top two boys so the club decided to name both as official sweethearts.

Following the invocation read by Miss Glenda Brown, the group was served the dinner which consisted of roast turkey, peas, dressing, corn, and a salad. Apple pie a la mode was served the group as dessert.

After dinner speaker for the banquet was Col. H. L. Boatner, Commandant and PMS&T, who spoke on the "Courtship of the Chinese." Col. Boatner pointed out that there is really no courtship among the Chinese because the marriage is arranged completely by the parents and the groom doesn't see his bride until after the ceremony.

Entertainment for the evening was furnished by Lamar McNew, sophomore civil engineering student from College Station, who offered his rendition of "Without a Song" and "One Alone." He was accompanied by Miss Liz Miller at the piano.

After the presentation of the Homemaker's sweethearts, the FHA Sextet serenaded the two boys with the songs, "Let Me Call You Sweetheart" and "Say Something Sweet to Your Sweetheart." The girls singing in the sextet

# New Cemetery Entrance Under Construction

Construction has begun on a new entrance for the College Station Cemetery, which will be dedicated to the late Fritz W. Henzel former head of the Landscape Arts department, who died in the Spring of 1949.

"The major part of the money for the new entrance was donated by friends of Henzel, and the city of College Station will add to that whatever is needed," says Ernest Langford, Mayor of College Station.

"Approximately \$600 will actually be spent on the project, but this is not including the cost of labor, most of which will be provided by the City Force," Langford added.

Equipment for the work will be furnished by C. L. Andrews, local contractor, and any skilled labor needed will be employed by the city.

The entrance will have on one side of the gate three brick walls, 15 feet long, four feet tall and one foot thick. Opposite this will be a pylon bearing a plaque honoring Henzel. The pylon will be of Austin limestone.

The entrance was designed by George M. Graham, senior Architecture student from Conroe. Graham's design was chosen in a contest among the senior design students and he was awarded a prize of \$10.

Without weather difficulties the project should be finished by February 20, two weeks after start.

# Colonel Speaks

Col. H. L. Boatner

... spoke to members of Consolidated High's Future Homemakers Chapter at their banquet last night in Bryan. The A&M commandant was an honored guest at the dinner, where Royce Rogers and Roland Jones were named FHA "sweethearts" for 1951. Miss Celeste Curran, chapter president, presented the two winners with initialed gold belt buckles.

# Brazos Tax For Schools Penalty Set

All citizens of Brazos County who failed to pay both county taxes and the A&M Independent School District tax by Feb. 5 have been assessed the 1.5 per cent penalty and interest tax, says Ran Boswell, assistant City Secretary.

"To this date, 88 per cent or \$19,553.63 of the assessed \$22,284.63 in city taxes has been collected and 87 per cent or \$46,222.25 of the assessed \$52,987.50 in school taxes has been collected. This office is very pleased with the high percentage of taxes already collected," Boswell added.

With all the taxes tabulated, including the split payment type, the percentage of payments should soar into the nineties Boswell said.

# Council Sets Deadline For Election Filings

The last day for which a candidate may file his intention to run for one of the three council positions is March 5, says Ernest Langford, Mayor of College Station.

All applications must be submitted to the City Manager prior to 5 p.m. in order for the name to be entered on the ballot to be issued for the April third state municipal elections.

To file for office, one must be a resident of the Ward for whose council post he wishes to run, must be of legal age, may be either man or woman, and he need not be a property owner.

It is the duty of the councilmen to establish the policy of the three

wards and to promote the general welfare of city of College Station.

Present councilmen whose two year terms will expire April third are W. H. Badgett of Ward one, G. W. Black of Ward two, and W. D. Fitch of Ward three. Councilmen Badgett and Black are presently concluding their second term of office. None of the three men have as yet filed their intentions to run for re-election.

The Ward one area includes Oak Wood addition, College Park, and West Park additions. Ward two includes the College Hills section east of highway six and south of farm road 60. The rest of the City, including the campus, is in Ward three.

# City Grocery, Service Station Are Burglared

Two burglaries were reported in College Station over the week-end, City Marshall Lee Norwood said last night.

Fifteen dollars was reported stolen from Holick's Grocery, presumably taken between closing time Saturday and 11:45 a. m. Sunday, when the incident was reported by two small children, Norwood added.

Norwood was assisted by the College Campus Security with the investigation. The burglar entered the store by breaking a glass door at the front of the building and took an estimated \$15 and two cartons of cigarettes.

Between 7:30 p. m. Sunday and 7:30 a. m. Monday the second of the two burglaries took place.

Bishop's Texaco Service Station was entered through a window at the rear. The window-pane was broken and burglar entered and left through it, Norwood added. He said that approximately \$10 was reported taken from the cigarette machine, and \$3 from the cash register.

The Bryan Sheriff's Department made an investigation early Monday when they received a report of the burglary from P. P. Bishop, who discovered the incident when he opened the establishment, Norwood added.

So far, Norwood said, there is no indication as to who committed the burglaries.

# What's Cooking

All contributions to What's Cooking must be turned in to the Battalion by 5 p.m. of the day preceding desired publication. No items will be accepted after that time.
