

## Thomas Wins Kegler Contest With 200 Roll

Frank Thomas, senior civil engineering major from Weatherford, rolled a high score of 200 Saturday to win the weekly bowling contest on the Memorial Student Center Bowling lanes.

Runner-up in the regular Saturday kegler duel was Raymond Freeman, senior Industrial Education student from Port Arthur who bowled a score of 192.

Marvin Butler, professor of economics and sponsor of the A&M bowling team, presented Thomas with a white cake adorned with a miniature bowler and the words "Hi Skor" inscribed in icing.

Freeman had a chance in a drawing after he had placed second to win four, six, or eight free lines, depending on the color of peanut that he drew from a grab bag. He drew a purple peanut and was awarded six free lines.

The contest is for the student turning in the highest score on the MSC Alleys on any and every Saturday between the times of 9 a. m. and 10:30 p. m.

## World's Champs To Meet in Brenham

For the first time in history, the heavyweight championship of the world will go on the line in a town the size of Brenham Saturday night of this week.

Louis Thesz, heavyweight champion of the world, has signed a contract to meet Rito Romero, wrestling sensation from Old Mexico, in Travis Phillips' Wrestling Arena in Brenham Saturday night, with his title at stake.

The match will be decided in three falls, with a time limit of 90 minutes, with a referee and two judges making the decision.

Accompanying Thesz to Brenham to act as his second will be Ed (Strangler) Lewis, famous heavyweight champion of the world on five different occasions, and known throughout the world as Mr. Wrestling himself.

Thesz has been champion for several years, and has successfully taken on all comers in defense of his title.

Romero was until recently heavyweight champion of Texas. He is one of the most popular wrestlers to appear in Texas.

## Cadet Netmen Split Match With Cougars

By B. F. ROLAND

The Aggie net team can't win for tying, as the Cadets, who tied Southeastern Oklahoma Feb. 24, split its matches again Saturday when they played host to the University of Houston.

The match with the Cougars was part of the agenda for the Annual Sports Day Program, and did its share in furnishing an eventful day of sports for those visiting the campus.

Farmers Win Three

The Farmers won the No. 2 and No. 3 singles and the No. 1 doubles, but came out on the short end of the No. 2 doubles, and No. 1 and No. 4 singles.

In the top singles match, the Cougar's Jason Morton proved too much for the Aggie's Ray DeBerry, as the Houstonian won in straight sets, 6-4, 6-3.

## 'Mural News

By JOE BLANCHETTE  
Batt Sports Staff

The Intramural Boxing campaign will get underway this afternoon at 5 p. m. in DeWare Field House. Originally the fights were carded for Tuesday, Wednesday and Friday but due to the possibility of a basketball game in the Gym on Friday night the Friday night fights have been rescheduled for Thursday night. ## Ags Face Frogs For Crucial Tilt

By JOE HOLLIS  
Batt Sports Staff

Tonight at 8:30, in Baylor's Rena Marrs Gymnasium at Waco, the nation's leading exponent of ball control pits it prowess against the Southwest Conference's hottest offensive team in a "quick death" cage battle which will decide who will meet TU and when.

The two teams are Coach John Floyd's Aggies and Coach Buster Brannon's Horned Frogs. This should be the best game to be witnessed in the SWC this season.

Tickets Scarce

Baylor officials has warned the students at A&M that there is a large crowd anticipated for tonight's game and they should get there early if they don't have a ticket already. The Baylor gym is small for this important SWC play-off meet and tickets are going fast.

Radio Station KORA announced this morning that they would broadcast tonight's tilt between A&M and TCU in Waco. Game time is 8:30 and broadcast time will begin at approximately 8:15.

Should the Cadets win, they will meet the Longhorns in DeWare Field House Friday to decide who will represent the Southwest Conference in the NCAA tournament in Kansas City.

On the other hand, if TCU should win, they will meet TU Saturday night's game and they should get there early if they don't have a ticket already. The Baylor gym is small for this important SWC play-off meet and tickets are going fast.

NCAA Representative

Should the Cadets win, they will meet the Longhorns in DeWare Field House Friday to decide who will represent the Southwest Conference in the NCAA tournament in Kansas City.

## Table Tennis Club Formed In MSC Today

The deadline for first and second round matches in the first MSC-sponsored all-college table tennis tournament is tonight at 11 o'clock, reports Ken McConnell, director of the newly organized Aggie Table Tennis Club.

The schedule and time of these matches will be posted on a draw sheet in the MSC Table Tennis Room and can be seen anytime after noon today. The address of each participant can be found beside his name so that everyone will be able to contact his opponent.

The purpose of this tourney besides that of organizing a table tennis club is to select a ten-man team that will compete against Texas University Saturday, March 10.

## Come Fly a Kite—Invites CS Recreational Council

One of the most unusual of all recreational activities—a kite tournament—is being revived this year under the sponsorship of the College Station Recreation Council.

The tournament is slated for Saturday morning, March 17, on the Infantry Drill Field which is located south of Duncan Mess Hall.

Wally Moon and Glenn Williams, two senior physical education majors here at Texas A&M, are co-directors of this year's meet.

They revealed that there are absolutely no rules or regulations in connection with the tournament. It is open to both boys and girls

and no limits have been made as to age, type or construction of kites.

Prizes For Kites  
Appropriate prizes will be awarded to winners in each of the five events which include the largest kite, the smallest kite, the ugliest kite, the most unique kite and the highest flyer.

Contestants may enter as many kites as they desire and also may enter the same kite in more than one event. No advance registration entries is planned but the directors warn prospective entries to begin making their kites soon because tournament time is near.

**COFFEE CUM LAUDE**  
right this minute...roaster fresh!  
Boning up? You'll cram more study into each night session by taking time out (just seconds) for the quick "lift" of Nescafé.  
No coffee-pot. No grounds. No brewing. Yet Nescafé makes roaster-fresh coffee... right this minute! Simply put  
1 teaspoonful in a cup, add piping hot water and stir.  
In flavor, price, convenience, you'll find it's a real eye-opener. The 4-oz. jar makes as many cups as a pound of ordinary coffee, yet costs at least 20¢ less. Get some today... for pure coffee enjoyment!

## Simpson Vaults Unofficial Record In Saturday Trials

By RAY HOLBROOK  
Batt Sports Staff

Featuring outstanding performance by Capt. Jack Simpson in the pole vault and Soph Darrow Hooper in the shot, the Aggie track team displayed its talent last Saturday afternoon before a Sports Day crowd in its final pre-season time trials. The regular season begins next weekend at Laredo with the Border Olympics.

Simpson Tops 14' 2"

In the day's best effort Simpson cleared the pole vault bar at 14' 2", a height which exceeds the SWC record by 3 1/2". Don Graves and Malcolm Marks had earlier vaulted 13' 8". If Simpson can continue to go over 14', he will certainly be the man to beat in the Southwest and among the top vaulters in the country this year.

Cold Day

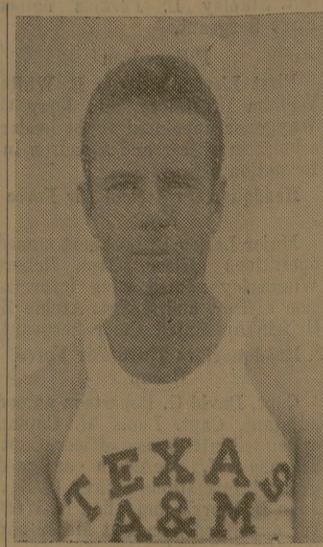

Other fine performances for so cold a day were the Cadets 440 relay team's time of 42.8 and an extremely surprising 220 race. The 440 relay composed of Bernard Place, Billy Bice, Bobby Ragsdale, and Bill Stalter appeared to be the best foursome of sprinters to show at Aggieland in some years. Their time of 42.8 is good considering the amount of work done to date. These boys could very easily turn out to be the best sprint relay in the south this year.

Stalter, Baker Sparkle

Stalter and James Baker turned in a sparkling race in the 220 dash which ended in a dead heat and with a very respectable time of 21.5. These two boys may go a long way in destroying TU's sprint monopoly.

With Don Mitchell out of the 440 with a cold, Bob Mays registered a 49.1 quarter mile for the best time of the early season for the Aggies. He was followed closely by Fuston McCarty and Bernard Place. These three along with Mitchell will make up the mile relay.

Three sophomores turned out to be the day's biggest surprises as

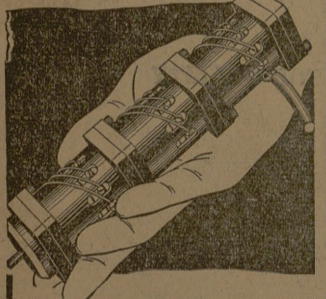

Jack Simpson

**Tootsie Roll**  
"PAGING ALL FRESHMEN!"  
Soph, juniors and seniors KNOW how delicious, chocolaty and wholesome is the TOOTSIE ROLL. We've been advertising it in this paper for over a year.

## There's no ceiling on BRAINPOWER

Known the world over for its ability to design and manufacture fine aircraft, Douglas also pioneers in other fields.

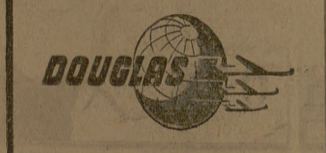

An example is the Analog Digital Converter shown below. This device converts variable mechanical positions into unambiguous electrical contact settings.

As it continues to advance in the field of aeronautics and related sciences, Douglas offers unlimited opportunities to men of high calibre and university training. Many such men have found this a good place to work.

Douglas is always interested in men trained as aeronautical, mechanical, electrical and civil engineers...physicists... and mathematicians.
