About 8,100 students in the Reserve Officer Training Corps are affected.
Those who graduated at the end of the midyear term in January and February will receive active duty orders within 90 to 120 days. Those graduating in June will receive their orders and be commissioned second lieutenants within ninety days of their graduation. The Air Force said that all the ROTC graduates will be given an opportunity to volunteer for flight training or for a limited number of training assignments at special one-year university courses in meterology.
ROTC officers selecting either of these two programs must agree to remain on active duty for three years after completing the special training.
ROTC officers who do not enter the special training will be assign.

"ARVIN or DINUBA

"Which shall it be?" The answer to that question is of vital importance, not only to every businessman of College Station, but to every resident as well. What is its significance? A few of you may know. If you do, or can find out, write your idea in a letter of not over 25 words. All letters will be timed and dated as received. Next Tuesday night, at 7 p.m. will be the deadline for entries. The first entry received properly setting forth the significance of the phrase will receive \$10 in free groceries, the next four correct entries \$1 each in groceries. Watch next week's ad.

It's too bad there isn't a national coach-of-the-year award for we feel that the name of John Floyd should be sung from 'Frisco to New York. When he takes his boys to Kansas City, he'll be back on his old stompin' grounds. If they don't remember him now, it won't take long to bring to mind the name of the man who once starred for Henry "The Lron Duke" Iba. Washington University? They have a record of 22 and 5. After late December that was all that A&M dropped—five games. Washing-ton lads still clean their finger nails and look at girls. Here we are one up on them—no girls.
