

# Red Cross Drive At Mid-way Mark

By ED HOLDER  
Battalion City Staff  
Brazos County has reached the half way mark in its 1951 Red Cross fund raising drive. During the last 15 days over \$5,000 has been received with more contributions expected.

"The way things are shaping up at the present, I believe we are going to reach our goal for this year," said Mike Barron, county head of the Red Cross drive.

"Not all of the contributions are in yet, but Wednesday's receipts showed a deposit of over \$5,000 in the bank," he continued. This is almost half of the county goal of \$12,631.

The residential section of the drive, whose goal is \$800, has been "shaping up nicely," according to Mrs. Spencer Buchanan, chairman of this section.

Mrs. Buchanan added that although she hasn't heard from nearly two-thirds of her workers who are covering the residential section, she has well over \$200.

Her area to be covered includes College Hills, College Park, North Gate, College Heights, Woodlands District, South Oakwood, and Beverly Estates.

Campus Yields \$200  
Contributions from the campus have amounted to over \$200 even though the drive wasn't solicited in this area.

ert Allen and Alex Ortiz. Mile champion John Garmany seems to be coming around but will also have to outrun teammates Marshall Lazarine and Julian Herring to win.

Charles Hudgins will have his hands full with Steers Bob Reise and C. A. Rundell, Ags Charlie Gabriel and Jim McMahon in what should be a very good two mile race.

The Longhorns will have things their own way in the javelin with four strong entries led by Ray Marek, the conferences leading javelin tosser.

Paul Leming and Texas' Gerald Schallorn will duel it out in the high hurdles but the SWC champion Leming should show his heel handily.

If the goal of \$12,631 is reached, \$8,600 will remain inside the county and contribute to the operation of such facilities of the Red Cross as the nurses aid classes, the various first aid classes, and the swimming instruction classes held in the county.

"In the business district, the contributions have been mounting up steadily," said Mrs. Fred E. Smith, chairman in charge of that district.

"We don't have an exact figure on the total amount to date, but the business establishments have been wonderful in their reaction to this campaign," added Mrs. Smith.

The goal for the business district is \$1,800.

Since the present Korean conflict began, there has been an increasing demand for Red Cross workers in connection with the making of contacts between service men and their families.

Part of the contribution will be used in this capacity here in Brazos County.

**Plus or Minus GOD?**  
  
This young man, like multitudes of others his age, realizes he must soon be earning a living and perplexing questions arise. What vocation shall he follow? Will the life-work he has in mind offer him a suitable outlet for his talents? Will he be happy and contented in that work? And questions arise about the ethical standards he should set for himself. Just how honest ought a fellow be anyway? How loyal to the truth? Do moral compromises pay? In other words, this young man is inquiring into the meaning of life itself. In essence, his question is, shall a fellow plan his life plus or minus God? How he works things out depends largely upon his earlier training. If his religious life has been neglected, he is more likely to make the fatal mistake of trying to get along without God. If he has been more wisely led, he will place God and truth and right at the center of his thoughts. If he seeks the better way, the Church stands ready to offer him every aid.

**THE CHURCH FOR ALL . . . ALL FOR THE CHURCH**  
The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend service regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church on Sunday and read your Bible daily.
