

# We're Building Was His Slogan

(Continued from Page 1)  
for naming name and since making my original statement I could see no reason for changing it as the affair was a personal one and we two have quite some time since settled our difficulty and forgotten it. I sincerely hope that everyone will be understanding and forget the whole matter."  
The letter was signed simply, "Sincerely, Harry Stiteler."  
The 41-year-old coach came to A&M in 1947 to assume the same duties of the post which he resigned yesterday. He has been in the coaching profession since graduation from A&M in 1931.

**A&M Letterman**  
Stiteler lettered in track at A&M in 1929, 1930 and 1931, and in football in 1930 as a quarterback of 137 pounds. His coaching profession was begun at Smithville High School in 1931 where he was employed as an assistant coach. Stiteler moved on in high school

coaching circles and assumed post coaching jobs at Smithville, Bellville, Corpus Christi, and Waco through 1945. That year he became an assistant at Rice Institute, where he stayed for two years before accepting the position vacated by Homer Norton here in 1947.

Teams tutored by Stiteler on Kyle Field during the first three years of his stay here were looked upon with the slogan he coined, "We're Building."

**Season Standing**  
In 1948, the Cadets ended the season by losing nine games. Winning one, and tying another. The maroon and white had a 8-1-1 loss, win, tie record for 1949.

For the first time since he had been here, the "material" Stiteler had been building began to show its potentialities as the Cadets ended in third place in the Southwest Conference for the 1950 season and beat Georgia 40-20 in the Presidential Cup Bowl in Washington.

With approximately 20 seniors on the team who had been trained all the way from their freshman year by Stiteler, the Aggie football squad was said to be one of the top squads in the country in pre-season ratings before announcement of Stiteler's resignation.

## Aggie Keglers Top U of H 9-3 In First Match

A & M's newly organized bowling team won its first match of the year Sunday, when they defeated the University of Houston keglers, 9-3, on the Cougar lanes.

The A team headed by James Koontz's 865 series score, topped a like Cougar squad 5 to 1, while Dick Lenzen rolled an 866 series to lead the B team to a 4 to 2 victory.

The ten man Aggie kegler team was divided into A and B squads for the five game match which was rolled under the Peterson point system. The system allows one point for each game won and another point for total pin score.

Composing the Aggie A team were Bill Cooney, John Geiger, John Ivy, Ted Gullette, and Koonce. The B team consisted of Warren McReynolds, Bernie Hoefelmeyer, Bill Utzman, Richard Baker, and Lenzen.

High man for the intercollegiate bowling match was Bill Zwick of the U of H, who rolled a 231 game and a 927 series total. Following Zwick in the high score bracket were Cougar teammates Vic Bartling and Bob Harker, who had respective scores of 912 and 848 for their series.

With one win under their belts in their first taste of competition, the Aggie keglers plan next to roll against a Texas University team on March 31.

## Holmes Paces Ag Fencers Win

The Aggie Fencers engaged in an Open Foil and Junior Sabre meet in Galveston Saturday, and although they failed to maintain the torrid pace they had set in previous meets, they still managed to hold their own.

Claude Holmes of A&M breezed through seven bouts to win the Junior sabre, with Cadet Bobby Meyers placing second. Horace Platt of Rice placed third. In winning Saturday, Holmes, a sophomore, took his second sabre meet. He had previously copped the novice class competition.

The Cadets had an off day in foil, however and though three of them made the finals, they failed to take a single place. Willie Matthijetz made the best showing, coming in fourth.

## Jack Gray Resigns As TU Cage Coach

Austin, Tex., March 20—(AP)—Jack Gray resigned yesterday as basketball coach at the University of Texas to enter the construction business.

Gray was the second head coach of a major sport to quit at the University this school year. Football Coach Blair Cherry quit Jan. 1. Gray's resignation, effective July 1, was announced by Dr. Vernon Schubardt, chairman of the Athletic Council.

Withdrawal of the highly successful, popular coach came as a complete surprise even to the council. Gray, a 1935 All-America Longhorn forward and mentor of three championship Texas quintets, had been mentioned as a possible successor to Athletic Director D. X. Bible whenever the latter should decide to retire.

**No Successor Named**  
Dr. Schubardt said the council had no announcement to make concerning a successor.

## Remember the 1934 TU Game?

Anyone of these youthful looking athletes who composed the 1934 A&M basketball team will be glad to relate the highlights, if not a play-by-play account, of their 34-29 Gregory Gym domination of the Longhorn cagers—a feat that went without parallel until the current Cadet squad nipped Jack Gray's Texas team, 33-32 last Tuesday. Familiar campus faces can be found in the back row in the persons of Taylor Wilkins and C. G. "Spike" White (first and second from the left) and Griffin "Breezy" Breazeale (fourth from left). Seated from the left to right are Tommy Hutto, Coahoma, Tex.; Johnnie Davis, Baltimore, Md.; Joe Merka, Freer, Tex.; Earl Sheppard, Port Arthur; and Joe Bisbey, Houston. In the back row are Wilkins, A&M veterans advisor; White, Student Activities; Max Tohline, Beaumont; Breazeale, A&M Counselor; Monte Carmichael, Wharton; and Coach J. B. Reid, now a rancher in Woodville, Tex.

## Ag Cagers Carry Colors To NCAA Tournament Today

Coach John Floyd's Cadet cagers embark by train tonight at 6:10 from the West gate depot for Kansas City and the first round of the NCAA basketball tournament where they will meet the fast breaking University of Washington Huskies.

A large crowd, reminiscent of last season's football sendoffs, is expected to be on hand to wish the Southwest Conference Tri-champion cagers and their coach "good luck."

The train will make connections in Dallas late tonight, where the team will board a sleeper that will carry them into Kansas City early tomorrow morning.

The Washington quintet, winner of 22 games this past season and loser of five, will feature William "Tippy" Dye's own special brand of fast break and backboard control. The Pacific Coast team wrapped up its crown in convincing style by nearly running UCLA to death before defeating the Bruins 70-51 and 71-54.

Although A&M will be out-matched by taller men, Coach John Floyd considers the A&M team anything but underdogs. The Huskies won all nine of their non-conference games, 11 of their 15 conference games and both of their playoffs. A&M, by comparison, won six non-conference tilts and dropped six, won eight of its 12 conference battles, and captured three of its four playoff games.

A&M will probably start 6-8 Walter Davis at center, 6-5 John

DeWitt and 6-4 LeRoy Miksch at the forwards, and 5-9 Jewell McDowell and 5-8 Raymond Walker at the guard posts. Washington will probably field 6-7 Bob Houbregs at the central spot, 6-3 Frank Guisness and 6-4 LaDon Henson as forwards; and 5-10 Louis Soriana and 6-1 Mike McCutchen at the guards.

## Matmen Win From Dallas 'Y' 20-16

The Aggie Wrestling Club defeated the Dallas YMCA 20-16 Saturday night at DeWare Field House.

Members that wrestled were Rudy Rivera, Curly Penn, Harold Turner, Brad Bradford, Dick Battin, Warren Pierce, Leon Scott, and H. D. Maxwell.

Three matches were determined by points and five by pins. The newly organized club is coached by Jim Griffith, Physical Education Wrestling Instructor.

The club wrestlers journey to Dallas for a return match on the 31 of March.

## Longhorn Nine Blanks Karow's Buckeyes, 8-0

Austin, Tex., March 20—(AP)—Behind the pitching of sophomore Jimmy Hand, the University of Texas blanked Marty Karow's Ohio State University 8-0 yesterday.

Hand, southpaw from Bandera, lassoed Ohio batters with seven scattered hits. He walked three.

Eddie Burrows, Longhorn shortstop, smacked a 365-foot home run to center field with two men on base in the eighth inning to ice the game. Texas batters, paced by Wallace Jarl and Frank Kana, touched pitcher Ed Bohnsow for four hits, five runs in seven innings. They startled Ohio's Dick Smith with two hits, three runs—including the homer—in the last two stanzas.

Texas meets the Buckeyes again today. The Longhorns last week split with the Milwaukee Brewers, 4-10 and 4-3.

# Underdog Ag Nine To Meet Bearkats at 3 p. m.

This afternoon at 3:00 p. m. the Aggie baseballers play host to the Sam Houston Bearkats in what should be a thrill-packed game at Kyle Field.

In last year's encounters, these teams played twice, with the Aggies winning on Kyle Field but losing at Huntsville.

Bruce Faulk will take the mound for the Bearkats this afternoon. He has pitched one other game this season, the opener with SMU, which he won 4-0.

Catcher for Sam Houston will be veteran co-captain Jake Hughes, who has an impressive batting average of .365.

The Bearkat infield consists of co-captain R. L. Farrar at first, Ray Wilkins at second, Bubba Lloyd at short and Cotton Gottlob at third.

Oz Hughes with a batting average of .365, will be in right field. He was one of the outstanding figures in Sam Houston's win over TCU as he drove a triple into left field to start the Kat's winning rally.

Weldon in center and Oscar Roth in left will make up the remainder of the Bearkats outfield.

Aggie Skipper Beau Bell will call on either Pat Hubert or Ed Sandlin for mound chores with

Al Ogletree completing the battery. The Cadet nine's record of two wins and two losses is not so impressive as that of the Bearkats, who have been the victor in their

first two games. Southern Methodist was the first team to fall by the wayside, as they came up on the weak end of a 4-0 score. Later the Sam Houston diamond squad nipped Texas Christian 3-1.

## Campus Interviews on Cigarette Tests

**"HANDLE WITH CARE!"**

**...OUR MOTTO**

It made L. W. madder than a wet hen when they

asked him to judge cigarette mildness by taking one puff, one huff, one whiff or one sniff. Our common sense friend enjoys a good smoke too much ever to settle on any brand in such a snap-judgment way! For him and for millions like him, there's only one convincing way to test cigarette mildness.

**It's the Sensible Test...** the 30-Day Camel Mildness Test, which simply asks you to try Camels as your steady smoke—on a pack after pack, day after day basis. No snap judgments needed! After you've enjoyed Camels—and only Camels—for 30 days in your "T-Zone" (T for Throat, T for Taste), we believe you will know why...
