

Cub Pitching Fools Fish On Four Hits

By CHUCK NEIGHBORS
Battalion Sports Staff

Jack Reid of the Baylor Cubs pitched a four-hitter into the Aggie Fish, Tuesday, to slap down the Frosh, 9-4.

Dave Selman, who seems to be developing into a fairly steady hitter, had two for four and one RBI to lead Aggie hitting. Al Fuchs had a single and an RBI, while Pitzer Mel Work had one hit in two trips.

Catcher Jerry Robinett sustained a temporary back injury in the fifth inning when he was bowled over by Cub John Poote as the Baylor lad attempted to score on a squeeze play. Robinett was out cold for nearly two minutes and was relieved by Joe Patterson.

Work had a bad fifth inning, giving up six runs on five hits and two errors. Hits included a home run by big Jim Davenport and a double by Al Smith, Cub center fielder.

Cub Chick Schuble had four hits for four times at bat for a perfect afternoon at the plate.

Big 8th
All the Aggie runs but one came in a big eighth inning rally when Reid got tired. He had not previously pitched more than five innings at one time.

The Aggie's fielding was especially good around the keystone, and Leissner and Hunt both turned

in good plays with four force-outs to their credit.

Work who had five strikeouts until replaced by Sills in the sixth inning, didn't seem to have the speed or deception that fooled batters in earlier Fish games.

Rodeo Team Takes Third Place in Meet

The Aggie Rodeo Team snagged 206 points in San Marcos last Saturday to take third place honors in the Southwestern Texas State College Rodeo.

Southwestern won its own show with 255 points while Sul Ross placed second with 252½.

Finishing the field were Ranger Junior College, Oklahoma A&M, Texas A&I, New Mexico A&M, Texas Tech, West Texas State Teachers, Hardin-Simmons, Odessa Junior College, Arlington State, Uvalde Junior College, and San Angelo College finished in that order.

Maxie Overstreet of the Aggies finished first in the bareback event and split third and fourth in the bull riding.

While Don Tabb was splitting third and fourth prizes in the bareback, Jack Willingham came away with fourth in bulldogging. Willingham also participated in roping with Mackey Trickey.

James Selman, and Bill Lockridge were entered in riding events.

Aggie Golfers Look For 5th Straight Win

The seemingly unbeatable A&M golf team will be going for their first conference win and their fifth consecutive triumph of the 1951 season when they play host to the Rice Owls tomorrow afternoon.

Shooting progressively lower on each outing, the Aggie linksmen have walked away with all four matches this year. Two of these were shutouts.

Twice A&M golfers have taken the measure of University of Houston, St. Edwards (Austin) was another school blanked by the linksmen while the fourth victory was at the expense of Hardin-Simmons.

Members of the A&M team are Johnnie Barrett, Bob Dahoney, Bill Baker, Otto Guerrero and J. C. Fletcher.

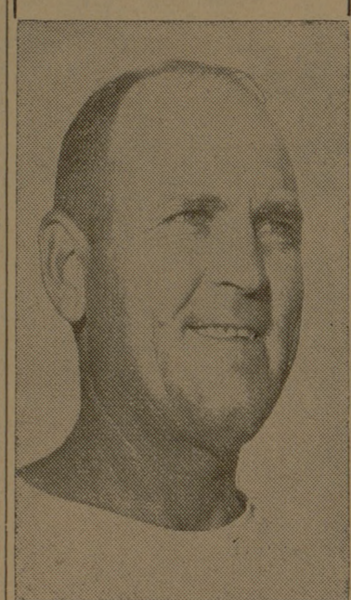

Reports from Houston say that Rice's best chance to capture a spring sports team title will be in golf. These hopes are based on impressive wins over Houston, Tulane and Lamar College of Beaumont.

A Title Holder
Defending individual SWC golf champ Buddy Weaver will lead the Owls while slated to play the No. 2 position is Elywn Stebaugh

of New Braunfels. The No. 3 man is Gene Silver and playing No. 4 will be Jimmy Powell.

After-school jobs has limited participation and practice for senior letterman David Snelling but the veteran is expected to round out later. Allen Dunkerly is the squad's top utility man.

Tennis Tutor

W. M. Dowell

... will have his boys ready for the invading SMU Ponies tomorrow. The Mustangs will meet the Aggie tennis team here. Dowell is the A&M's tennis coach.

Both Lou Gehrig and Joe DiMaggio missed out by one point in winning minor league batting titles. Gehrig hit .369 for Hartford in 1924. DiMaggio hit .398 for San Francisco in 1935.

On July 15, 1907 Lefty Burwell of Sharon, Pa., in the Ohio and Pennsylvania League pitched 17 innings with a fractured shoulder.

A&M To Meet Ponies In Two-Game Series

By FRED WALKER
Battalion Sports Editor

The SMU Mustangs, who have two conference wins to their credit and the third best seasonal standing in the SWC, will meet the Aggies in a two game series this weekend.

Mikvy Sets Two Roundball Marks

New York, April 6—(AP)—All-America Bill Mikvy of Temple closed out a terrific basketball season by winning the major college scoring championship in record-breaking fashion.

He averaged 29.2 points in 25 games during the past season to break Ernie Calverly's 1944 record of 26.7. And the "Owl without the vowel" broke another record when he dunked 312 field goals to surpass Chet Giermak's two-year-old collegiate mark of 301.

He also finished second in assists and second on rebounds.

Two more standards were shattered by Duke's Dick Groat, a junior like Mikvy. The blue devil six-footer racked up 831 points in 33 games to wipe out another Giermak record (740 in 34 games) and connected on 261 free throws to better the 215 mark held by Yale's Tony Lavelli and Villanova's Paul Arizin.

Rogers of Texas Western ranked fifth among field goal leaders. He sank 154 for a 48.6 average. The leader was Don Meineke of Dayton, Ohio, who shot 240 for a 51.2 average.

On July 15, 1907 Lefty Burwell of Sharon, Pa., in the Ohio and Pennsylvania League pitched 17 innings with a fractured shoulder.

One game will be played Friday afternoon and the other on Saturday. Both will start at three o'clock, and both promise to be nine innings of baseball.

Southern Methodist has a seasonal record of six wins and only three losses. Two of the wins were two consecutive games in which they slapped down TCU.

After splitting a two-game series with the Sam Houston Bearkats, the Ponies bounced back with a double win over Hardin-Simmons. They then dropped their next two games to the Brooke Field Medics with whom the Aggies had previously split a two-game set.

2-Hit Benzers

Tuesday, SMU nipped the University of Houston 2-0 behind the two-hit pitching of Fred Benzers. Pitching seems to be the main

reason for the Mustangs' early bid for conference honors. Besides Benzers, Dick Beadle has turned in some excellent mound work for the Red and Blue.

In the first game with TCU, Beadle fought a tight pitching duel with Frog ace Norrie (Knobby) Graves before the Pony junior emerged winner with a five-hitter under his belt. The score was 4-1.

It was not until Beadle took over in the ninth and fanned the last two TCU batters that the Mustangs won their second game from the Christians, 11-9.

BOB'S

The young southpaw's only weakness seemed to be in the walk department, and then it wasn't too serious. Only once did a base on balls prove disastrous, in the first inning when the Frogs pushed their first and only runs across. The runner had previously walked.

Catcher Bill Edwards, left fielder Reid Williams and third baseman Neil Neilson will provide plenty of power at the plate.

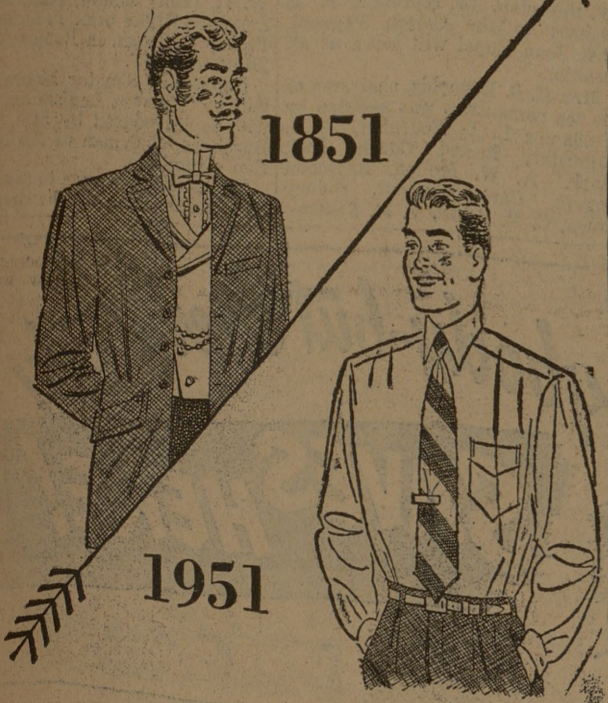

Williams punched out a three-run homer in the second TCU game to provide the winning runs for his teammates. It was in the initial Frog-Pony meeting that Edwards pooled a tremendous triple to chase home the edging tallies.

Neilson is strictly a clutch-hitter.

On paper the Aggies look to be just a little better than their Dallas opponents, even though the Methodists have won their first two conference starts which included one win over the TCU ace, Graves.

Starting pitcher for the Aggies will be Bob Tankersley, right-hander from San Antonio. Tankersley lost a 1-0 heartbreaker against Minnesota Golden Gophers the last time out.

Starting April 9th ...
NATIONAL ARROW WEEK
celebrating Arrow's 100 Years
of style leadership

Campus life has certainly changed these past 100 years. Back in 1851 there were only 160 colleges in the entire country. Today, there are 1,849. No Rose Bowl game at the end of the football season in those days. No football season as a matter of fact. Open surreys were standard equipment of college Romeos—there wasn't a cream-colored convertible on the landscape. It was then, a century ago, that Arrow started manufacturing their famous collars ... and in a few years they were setting campus styles. That's one thing that hasn't changed. Arrow is still style leader on America's campuses. College men everywhere know that the Arrow label always stands for smart styles, fine fabrics, meticulous tailoring ... the superior quality that reflects good taste.

NOTICE!
Chain store markups under the newly announced O.P.S. percentage-of-profit markups are allowed retail grocers. Our store comes in the Class II Group. However, until such time as possible but unlikely shortages impair our volume potentialities—or at least until the new crop year in September—we pledge ourselves to use the lower Group III (Chain Store Markups) as announced for the first 35 specific groups of processed foods. This, we believe, will equal the lowest in the county.
