

Chest X-Rays Will Be Taken Monday

By ALLEN K. PENGELLY
Battalion Assistant City Editor

Chest X-rays of all students, faculty and staff members of the college, and citizens of College Station and surrounding area will be made during the week of April 28 through May 5 in the YMCA.

The portable unit will be set up in the main lobby of the YMCA and will be open from 9 a. m. to 5:30 p. m. each day except Sunday.

These X-rays, sponsored by the National Anti-Tuberculosis Association, are given each year throughout the nation in an effort to combat tuberculosis and to discover potential carriers of the disease.

The X-rays are free to all persons in the community 15 years or older.

The photographs will be developed by the Association, analyzed by specialists, and results will be mailed to the individual. All results will be confidential. Should the report indicate a positive reaction to the test, the person should report to his private physician as soon as possible for a further and more complete check-up. A positive indication does not mean the person has TB but merely shows that a lung abnormality was detected by the X-ray and suggests further diagnosis by a physician.

"I wish to emphasize the importance of the chest X-rays and also the ease of taking the pictures," said J. B. Baty, chairman

Shirer and Harsch Begin LBS Series

Two former Great Issues speakers will begin broadcasting for the Liberty Broadcasting System over WTAW. The series will run Mondays through Fridays at 6:15 p. m.

William L. Shirer, who spoke to the class March 29, will give his news program on Tuesday and Thursdays.

Joseph C. Harsch, who addressed the class in February 1950, will broadcast on Mondays, Wednesdays, and Fridays.

of the public health committee of the Chamber of Commerce.

"The entire registration process and the actual X-ray do not take more than five minutes," he added, "and there is absolutely no need in disrobing."

Many people are hesitant to have the X-rays made because of the time required and also because they are under the impression that disrobing is necessary.

Last year, 13,024 people in Brazos County were x-rayed, 6,836 of which were photographed on the campus and at the Annex. From this number x-rayed on the campus, 108 cases of lung defects were discovered.

"I suggest that all faculty and staff members have their X-rays made on Saturday and at the lunch hour because the student load will be lighter at these times," said W. L. Penberthy, dean of men. "However, the staff will be able to accommodate anyone throughout the week," he said further.

Large Staff Necessary

"A staff of over one hundred will be necessary to have the X-rays made," continued Baty. "Two hostesses and six clerks will be required over the week-long period to process the people, each day to be divided into two shifts," said Baty.

In cooperation with the Chamber of Commerce, assistants of the Association in College Station, is the Campus Study Club under the direction of Mrs. L. L. Gee, Mrs. Gee recruited eight women to act as hostesses and clerks. Besides Mrs. Gee, aiding in the work will be Mrs. C. W. Crawford, Mrs. O. F. Allen, Mrs. R. M. Curran, Mrs. J. L. Shaw, Mrs. V. A. Young, Mrs. J. T. L. McNew, Mrs. L. Richardson, and Mrs. W. F. Hill.

The people living in the surrounding communities are urged by Baty to take advantage of the service and he said that should anyone need transportation to the YMCA, to call the Chamber of Commerce and transportation will be furnished free.

For Campus Chest

As part of the campaign for the Campus Chest, the Hockaday Chorus Friday night, provided entertainment, pleasing to both the eyes and the ears as they sang sacred, popular, semi-classical and rhythmical numbers. The group, together

with the Singing Cadets who provided the last half-hour entertainment on the program did much to relieve the ever-present absence on femininity on the campus.

Trustees Call For Bond Issue

At a meeting Monday night of the Board of Trustees of the A&M Consolidated Independent School District, a bond election for \$150,000 was called, to be held May 5.

Proceeds from the sale of bonds will be used to construct several elementary school classrooms, a cafeteria, a negro shop building, a girl's dressing room, and make repairs and alterations to the existing buildings.

A community meeting will be held in the high school library at 7:30 p. m. April 30, to plan for and discuss the election. All patrons of this district are invited to the meeting.

Enlargement of present facilities is necessary because of increased enrollment. An increase of 12-14% for 1951-52 over 1950-51 is indicated by present school census figures. The 1950-51 census was 10% over the 1949-50 census figure.

There will be no rise in taxes or property evaluations due to the bond election because payment on bonds can be made out of present income.

YMCA Changes Hours For Bowling, Billiards

A change in hours that the bowling alleys and the billiard tables will be open has been announced by the YMCA.

The basement will open at 12 noon and close at 9 p. m. from Monday's through Fridays. On Saturday, it will be open from 8 a. m. until 10 p. m.

There will be no bowling on Sunday afternoon, M. L. Cashion, YMCA director said.

Mac Not Interested In Top Job--Aide

New York, April 25—(AP)—An aide says those who insist on booming General Douglas MacArthur for the presidency had better "go home."

Major Gen. Courtney Whitney made the statement yesterday when asked by newsmen about a MacArthur-for-President Club opened here Monday.

Whitney met with newsmen, assigned to cover the General at his hotel, the Waldorf-Astoria, while the General himself remained in his 37th floor suite for the fourth successive day.

During the day, MacArthur had visits from Sen. Robert A. Taft (R-Ohio), publisher Henry H. Luce, and the Right Rev. Horace W. B. Donegan, Protestant Episcopal bishop of New York.

Son Sees Game

MacArthur was expected to remain in his hotel again today, but his wife and their son, Arthur, 13, planned to see the New York Yankees play the Philadelphia Athletics at Yankee Stadium.

At the news conference yesterday, Whitney answered questions on the MacArthur-for-President movement.

MacArthur himself said in San Francisco last week that he did "not intend to run for any political office" and that he hoped his name "will never be used in any political way."

Whitney said that if any one raised the question, MacArthur would tell the questioner to "go home and read the Bible," particularly the part about "doubting Thomas," (St. Thomas).

(Thomas was one of the 12 apostles. He refused to believe the Resurrection unless he could feel

with his hands the wounds left on the risen Christ by the cross.

(Eight days later, after Christ reappeared and showed the proof sought by Thomas, the apostle believed and said: "My Lord and my God.")

Whitney refused to give further explanation, saying: "I'm not going to try to interpret the Bible to you. The General said it. To me, it's very clear."

Earlier in the interview, Whitney said that all top army, navy and air commanders in Korea had shared MacArthur's desire to use Chinese Nationalist troops. He said these included MacArthur's successor, Lt. Gen. Matthew Ridgway.

Whitney also said he "assumed" that MacArthur included Gen. Omar Bradley in his reference before Congress last week about the joint Chiefs of Staff.

MacArthur had said that he understood his views on the Far East were shared from a military standpoint "in the past" by the joint Chiefs of Staff, of which Bradley is chairman.

Bradley, without mentioning MacArthur's name, expressed his opposition to the MacArthur viewpoint in Chicago last week.

After Reds in

Whitney also told reporters yesterday that "approval by the joint Chiefs of Staff" came "some time after Red China entered the war."

Other points made by Whitney were:

- MacArthur did not consider the atom-bomb essential as far as Red China's Manchurian bases are concerned.
- The General did not take seriously a reported smear campaign directed against him.
- MacArthur received a request from the Pentagon to submit for approval a copy of his Congressional address, but the defense department later sent word that the request was a mistake.

Whitney refused to answer a questioner wanting to know if MacArthur had copies of official records. He said he would not "expose General MacArthur's hand."

Knapp Delivers Canadian View To Kiwanians

Professor Frank T. Knapp, of the Wild Life Management Department, spoke to College Station Kiwanis yesterday about international relations between the United States and Canada.

In his speech, "Introducing Canada," Knapp pointed out the inability of the United States to recognize Canada in any other light other than a peaceful ally to the North.

Said Knapp, "The United States has not tried to understand Canada or its problems. I doubt seriously if anyone present can name the major divisions of the Canadian Dominion while every child in Canadian schools can recite from memory most of the states and their capitals by heart."

He warned, "Canada is becoming a progressive nation due to the strong feeling of nationalism exhibited by some of its political and journalistic leaders."

Knapp concluded his speech with the statement that unless both nations try to understand each other's problems, the long, undefended border which now exists between the two nations will become merely a matter of history.

Agronomists Plan Temple Field Trip

Agronomy 418 students will take an all day field trip to the Blackland Experiment Station at Temple and a Conservation Work Unit in this section Thursday.

The trip will be under the supervision of J. P. Mills of the Agronomy Department.

The students will tour the Blackland Experiment Station and see work that has been done there.

Mrs. Texas Aggie Presented at Dance

Mrs. Texas A&M College will be formally presented Friday night at the Bluebonnet Ball, slated for the MSC Ballroom from 8:30 until 11:30 p. m. The honored guest, the first student wife so honored at A&M, will be chosen from among the wives of married Texas Aggies.

The dance is sponsored by the MSC dance committee, with Ted Nark as chairman for this occasion. The Aggieband Combo will provide music, and in keeping with the chosen theme, decorations of bluebonnets will predominate in the ballroom.

What's Cooking

AMARILLO CLUB, Thursday, 7:15 p. m. Room 2C MSC. Spring party and scholarship will be discussed.

DANCE PUBLICITY COMMITTEE, Wednesday, 7:15 p. m. Record Room MSC.

HILLEL CLUB, Wednesday, 7:15 p. m. Room 2A MSC.

HOUSTON CLUB - LA MAR CHAPTER, Thursday, 7:15 p. m. YMCA Chapel. Film of the Georgia game will be shown.

LUTHERAN STUDENTS ASSOCIATION, Wednesday, 7 p. m. Lutheran Student Center. The A&M LSA will be host to Blinn, Sam Houston, and TU LSAers in a vienna roast.

PERMIAN BASIN CLUB, Thursday, 7:30 p. m. Room 3A MSC. Party plans.

TALENT BUREAU AUDITIONS, Wednesday, 3 p. m. MSC Ballroom.

PHYSICS CLUB, Saturday, 5 p. m., Hensel Park. Picnic.

TAU BETA PI, May 2, 5 p. m. Chemistry Lecture Room. Initiation.

TAU BETA PI May 2, 7:30 p. m., Ballroom, MSC. Banquet.

WOMEN'S SOCIAL CLUB, Friday, 3 p. m., Ballroom, MSC.

Hosts and hostesses for the occasion are Virgie and Gene Selars, Ray and Martha Falke and Marie and Melvin Moncrief.

The dance will be informal and cabaret style, with tables and chairs provided. It will be especially honoring Aggie couples, but the committee stressed that it is an all-school affair and everybody is invited. Admission will be 75c couple or stag.

An intermission program is being planned, with details to be worked out at a dance committee meeting this evening in the MSC Record room at 7:15.

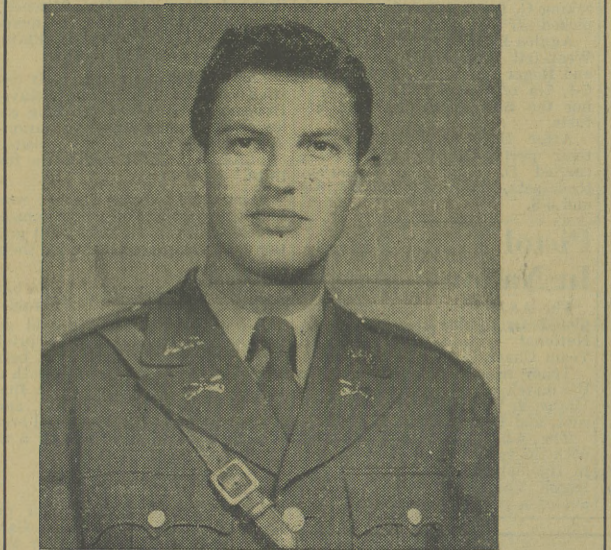

Dance planners have requested a number of Paul Jones and novelty dances so that couples can get acquainted with each other. The committee in charge also requested that couples make up parties of their friends to attend the dance.

Highlight of the intermission will be the Mrs. Texas A&M presentation.

She will be chosen from a list of nominees which includes Elaine Lester, Myrtle Schick, Marjorie Powell, Virginia Hendricks, Peggie Young, Nellavee Starling, Françoise Fehrmann, Ruth Stanford, June Rost Goats, Eula Talbert, Ida Goff, Essie Nelson, Peggy McConnell and Maxine Carroll.

At intermission ceremonies the winner will be presented with a certificate of appreciation from the Battalion, sponsors of the contest. She will also be the winner of numerous gifts presented by College Station and Bryan mechanics.

John Stiles of Stiles Florists is giving the presentation bouquet. Other merchants who have said that they will donate gifts are Beverley Braley, Orr's Food Center and Caldwell Jewelry Store.

WHAT'S IN A PICTURE?

Character, Personality, Expression, LIFE—the nearest thing to real life. Your picture is the nearest thing to YOU. Your Mother will treasure it. Remember HER May 13. Aggieband Studio.

Reservists Slated For School Duties

A number of Army Reserve officers will be selected to serve on the staff and faculty of the Command and General Staff School at Fort Leavenworth, Kansas, Capt. M. B. Findlay, local ORC Instructor, stated today.

The Command and General Staff School trains specially selected officers for high staff and command positions.

Lt. colonels and majors of both the Active and Inactive Reserve are eligible for this assignment if they meet educational and service requirements, and volunteers are especially desired, Capt. Findlay said.

Qualifications for this duty include service in battalion or higher command position, assignment on a general staff for three months in combat or a graduate of certain associate courses offered by the school.
