Walt "Buddy" Davis

... was halted by slippery footing Saturday at the Drake Relays as he failed to win the high jump event as expected. Davis, who broke the Texas Relays record at 6'9", has consistently cleared 6'6" in practices at Kyle Field and is expected to win in the conference meet here May 12. Note the ardent support given by other trackmen in the background.

Ags High Scorers At Drake Relays

By RAY HOLBROOK
Battalion Sports Staff

Despite bad luck in the mile and 440 relays, and with their star high jumper badly out of his usual form, the Texas A&M 12-man team outscored every competing team from the west coast to the East in the recent Drake Relays.

The Aggies piled up 20 1/2 points in the nation's top relay carnival to take the unofficial team title away from runner-up Michigan, who scored 20 tallies. Drake was next in line with 18.

In what was quite an unusual feat for the Cadets in a northern meet, every one of the 12-man

squad placed in at least one event. All of these places were thirds or better except the 440 relay which was "given" fifth for one point.

One of Few

A&M joins in as one of the only teams from the Southwest to take high scoring team honors at the Des Moines Relay Carnival. Texas turned the trick in 1948.

The Aggie sophomore weight star Darrow Hooper scored nearly half the team's total points. He topped both the shot and discus for 10 big points. These were also the only cadet firsts of the meet.

Returning from conducting a three-week track clinic for the United States Armed Forces in Germany, Col. Frank Anderson, A&M's head track coach, reached Des Moines just in time to see his squad in action, outscoring some of the nation's best.

Aggie Nine Takes Over 2nd In SWC; Whip SMU in 10th

By FRED WALKER
Battalion Sports Editor

It took the Aggie baseball team ten innings to do it yesterday, but with some fine relief pitching, a hit batter, a sacrifice, a single and a little luck, A&M put the clamps on the SMU Ponies at Dallas, 5-4. SMU suffered a disappointment in its last home game of the season, when in the tenth, pitcher Denny Davidson bounced one off Yogi Candelari. The third sacker went to second on Bill Munnerlyn's sacrifice and scored a few minutes later when catcher Al Ogletree slapped a single back through the middle.

Pitching had been one of the highlights of the game which saw the Aggies kick the Mustangs out of second and take over the position themselves. Blanton Taylor hurled seven frames for A&M and came out with a "four" record all the way. Taylor gave up four hits, four runs and four walks. He fanned four.

Bob Tankersley, who relieved

Taylor and finished the game, finally got a win after going three innings in which he gave up no hits or runs, walked only one and fanned two. These three frames made a total of 12 that Tankersley has pitched before receiving credit one way or the other. Last Friday he went nine against TCU and was not counted in the final outcome of the 11-inning contest.

A&M scored one in the first when captain Guy Wallace walked and eventually came home from second on Bill McPherson's sharp single down the third base line.

Three more runs were stacked up in the 4th—after two were out, Taylor and second baseman Joe Erette drew walks from SMU starter Dick Beadle, Wallace singled home Taylor and Erette and Wallace tallied when third baseman Neil Neilson's low throw on Yale Lary's grounder got past first baseman Charles Galey.

The Mustangs scored all of their runs in the 7th on two walks, a single, a wild throw to first and a wild pitch.

Erette, Wallace (2), Candelari and Taylor scored for the Aggies and Wallace, McPherson and Munnerlyn all batted runs in.

Golfers Lose To Trinity U. 5-2; Frogs Up Next

The Aggie Golfers will tee-off against TCU at 1 p. m. Friday on the Colonial Country Club Golf Course in Fort Worth.

Bob Dahoney, who has become one of the top golfers in the SWC, will again take his position as No. 1 man for the Aggies. Dahoney will team up with Johnnie Barrett to take the green against the Horned Frogs in the No. 1 doubles match.

Tony Guerrero and J. C. Fletcher compose the No. 2 doubles team. Fletcher replaced Billy Baker as No. 4 singles man last week when these two played a two-out-of-three match to determine who plays the spot.

No. 2 man in the singles is Guerrero, with Barrett and Fletcher replacing the No. 3 and 4 positions respectively.

This was the team which held the powerful golfers from Trinity University of San Antonio to a 5-2 score last Friday. Trinity not only took the match with the Ags, but went on to Denton Saturday to defeat North Texas, who has held the NCAA title for three years. The San Antonians overran the favored North Texans with a safe score of 5-1.

Baker, replaced by Fletcher, remains an active team member, since the Gulf Coast Conference plays a five man team. Teams in the SWC play only four men. The Aggies will be struggling Friday to rise from their present standing as lowest team in the SWC.
