

Non-Corps Students to Vote In Wednesday Night Election

Candidates for only two positions, non-corps yell leader and non-corps representative on the Athletic Council, will be voted on in the elections Wednesday night.

Candidates for other offices are either unopposed or will be voted on in the class elections. No class meetings will be held. Ballots will be distributed through the dormitories.

Civilian Leader
Mickey Spencer, Robert Harris and Curtis Wilson are candidates for non-military yell leader.

Dave Elston, present non-corps representative on the Athletic Council, is opposed for re-election by Hayden Jenkins.

In a primary election scheduled for Wednesday, May 9, the Class of '52 will vote on co-editors of the Aggeland, senior yell leaders, corps representative on the Athletic Council and class officers.

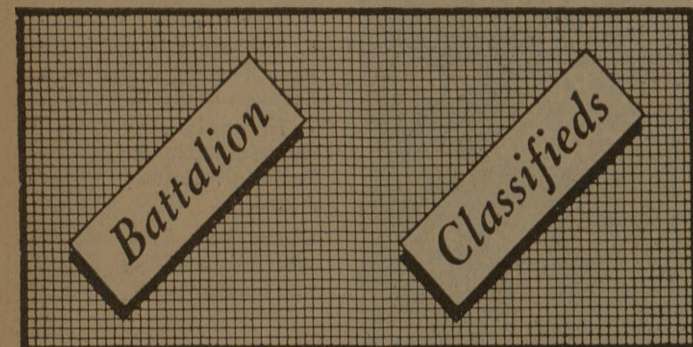

Bernard Lemmons, John DeWitt, Dick Gardemal and James Fowler are candidates for the corps post on the Athletic Council.

Senior Yell Leader
John Tapley, "Chico" Mason and Lewis Jobe are candidates for senior yell leader.

TALENT BUREAU AUDITIONS, Wednesday, 5 p. m. Piano Room MSC.

T. F. Mayo
Lions Club Speaker

Mayo Speaker At Lion's Club Ladies Night

Dr. T. F. Mayo, head of the English Department, was the principal speaker at the College Station Lion's Club Ladies Night meeting held in the assembly room of the MSC.

His talk, "What Every Good American Wants," was based on the supposition that this country needs a better equilibrium between equality and opportunity. Dr. Mayo discussed the typical American philosophies ranging from the radical to the reactionary.

Presenting musical entertainment for the organization was a quartet of Singing Cadets composed of Ken Wiggins, master of ceremonies; Tommy Savage, Harold Hughes, and Don Gernys. The group sang two negro spirituals and three popular songs.

Guests for the meeting were Mr. and Mrs. George Huebner, Col. and Mrs. A. B. Currie, A. B. Medlin, and Harold Dreyfus.

Following the program, the tables were cleared from the room and a record player provided music for the dance which followed.

Cotton Pageant

(Continued from Page 1)

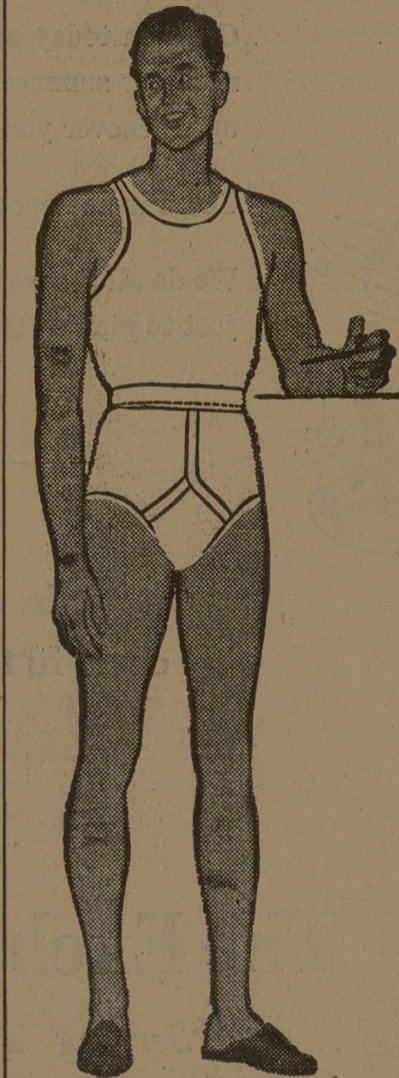

of 75 in all. The "A" and the "M" will each be supported by two marble columns. The background will be of silver flitter with a seven-foot cotton stalk in the center. On each side of the cotton stalk will be thrones for the king and queen.

At 5:30 p.m. Friday evening, there will be a reception for the Royal Court in the home of Dr. and Mrs. J. C. Lewis.

A picnic will be held at the country place of J. S. Mogford Saturday afternoon for the Court and distinguished guests who have helped to make the Cotton Pageant and Ball possible.

The Cotton Ball will start at 9:30 in the Grove after the Pageant and Style show. The Aggeland Orchestra will provide the music.

Consolidated School District To Vote on Bonds Saturday

By FRANK DAVIS
Battalion Staff Writer

The proposed \$150,000 bond issue for the A&M Consolidated Independent School District was discussed last night at a community meeting held in the high school library.

If election returns are favorable Saturday, the bond will finance a Science Room and shop for Lincoln High School and a cafeteria, classrooms, and girls' dressing rooms for A&M Consolidated Elementary School.

Present school census figures indicate an increase of 12 to 14 per cent for 1951-52 over 1950-51, according to L. S. Richardson, superintendent of the A&M Consolidated School District. The 1950-51 census was 10 per cent over the 1949-50 census figures, the superintendent added.

Increased Enrollment
Increased enrollment anticipated during the next five years caused Board of Trustees members of the A&M Consolidated School District to propose the bond issue.

Dr. Charles LaMotte, president of the school board, and Richardson were in charge of the educational program last night. The meeting was designed to inform district people of the coming bond election.

Tax Schedule Financed
If passed, the bonds will be financed on the present tax schedule, said Richardson.

"New buildings in the school district have increased in valuation since 1948, and sufficient tax funds will be available next year and thereafter to pay off the proposed bond issue."

"Construction can begin around June 1," Richardson said, "giving ample time to have the cafeteria and some classrooms ready for use in September."

The architect retained for the proposed work is Paul A. Silver and Company, San Antonio. The buildings planned would be of masonry.

"Favorable interest rates have been obtained by the school district in recent months," said Richardson.

County Scout Program Increases For Camp

Scout Organization Chairman C. N. Hielscher told the Brazos district committee at its April meeting held at Camp Arrowmoon the Boy Scout movement in Brazos county is developing rapidly and several new troops and Cub packs are expected to register soon.

A leadership training course which opened yesterday on the A&M campus was discussed and plans for improvement at Camp Arrowmoon were also talked about by the group of 40 scouts from Brazos and Robertson counties.

Callaway Heads Course
Leadership Training Chairman Dan Russell said Major L. C. Callaway will serve as "Dean" for the training course.

The six point program will cover pack and troop organization methods; troop activity planning, troop meeting planning, hike planning, camping, and "boy's growth in scouting." An over night camp will follow the course with awards going to all who complete the program.

Everyone to Attend
"We are urging all Scoutmasters, institutional representatives and others interested in the scouting program to attend," said District Chairman H. W. Barlow.

Classes will be on four successive nights, Monday through Thursday, beginning at 7:15 in the new Biology lecture room.

When Camp Arrowmoon opens

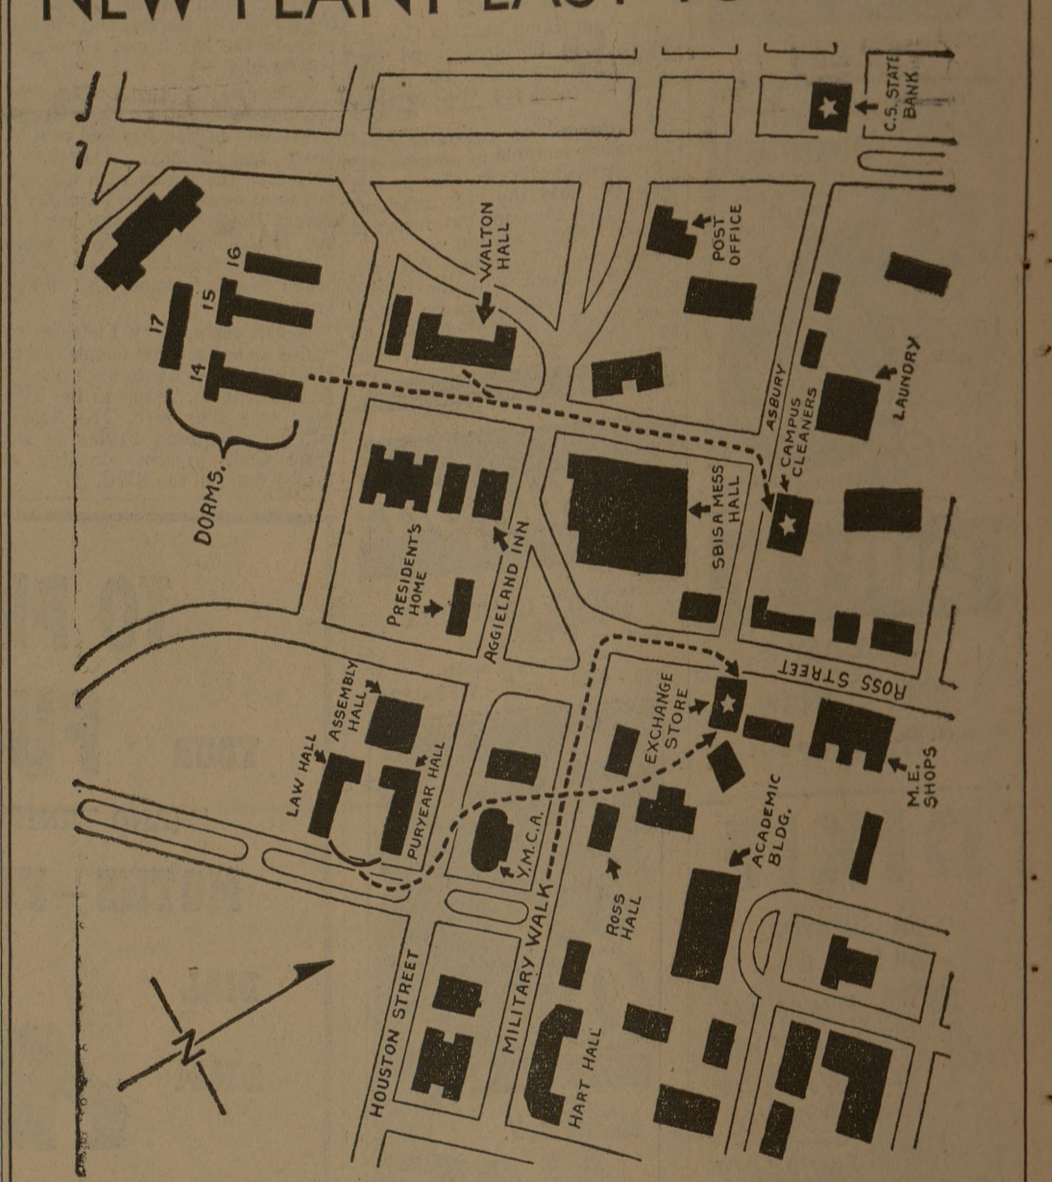

on June 17 there will be several major improvements, including new sanitary facilities, Camping Chairman D. C. Jones said. He also told of plans for training junior leaders. Interested boys will go to Camp Strake on May 4, 5 and 6.

A local training program will be scheduled at a later date, he added.

Field Executive Jack Linn reported that there is still time for individual boys to register for the annual Philtrek. Application should be made to Earl Bryan, or Dr. John G. McNeely.

NEW PLANT EASY TO REACH

- Located on Asbury Street between the Exchange Store and the College Station State Bank, our new plant is easily accessible to automobile traffic. Just an arm's length from the door of your car to the door of our plant.
- Likewise students living in Walton and Dorms 14 to 17 can move directly through the newly paved street between Sbisas and The Board Rooms to drop by the Main Plant as they go to or from classes
- For the convenience of students living in Milner, Law & Puryear and along the old military walk a pick up and delivery station is being continued over the Exchange Store.
- The new Dorm area will continue to be served by our substation in the temporary Y buildings.
- Increased space, new equipment and better working conditions for employees all contribute to improved quality of work and improved service. Our grateful appreciation is extended to all who have patronized us in the past. We now enthusiastically solicit the patronage of students, faculty, staff, and local residents on the basis of top quality work and service which we can and expect to furnish to our patrons.
