

Ray Womack

... will be the University of Texas' No. 1 high jumper Friday when A&M meets TU in a triangular meet in Austin. In the five times that Womack has jumped against Aggie competition (Border Olympics, Texas Relays, one dual and two tri-meets) he has won the high jump once with a 5' 9 1/4". That was at the Border Olympics. In other chances he took two seconds and two fourths, but his best jump this year is 6' 6".

### 'Mural News

By PAT LeBLANC  
Battalion Sports Writer

Through the keen efforts of Sonny Hollaway, the Agronomy Society players defeated the Agriculture Engineers in a playoff game of the Intramural Softball League, 4-3.

Sonny Hollaway not only pitched steady ball for the Agr. squad but he belted a game-tying homer in the third canto. He fanned four adversaries and only walked four. Eddie Rodrigues, of Ag Eng, also pitched a creditable ball game. He had been riding on what appeared to be a comfortable two-run margin, until he became wild in the third.

Ag Soc gathered their winning marker in the fourth when Ray Kunze was forced in. An infield error and two free tickets to first to Ray Falke and Leo Mikeška by Rodrigues sent Kunze circling the bases.

Ag Eng collected two runs in the first inning through the efforts of Morris Davis and Dick Harris and then pushed across one more in the top of the fourth as Hollaway showed some symptoms of wildness momentarily but regained his control as he whiffed two batters. In the third period, Agr. Soc tied the score at 2-2 when Leo Mikeška, Shelby Newman and Keith Hargrove drew walks and the Ag Eng team made several errors.

**Kream & Kow Milks ASCE**  
The softballers of Kream & Kow had an easy time of it milking their ASCE opponents, 10-4. ASCE had to send three hurlers in an effort to terminate the wave of runners who crossed the plate in the big third inning for the Milkmen. These three moundsmen were Spec Davenport, Al Rollins and Sherman Hink.

Every man on the Kream & Kow squad made at least one run.

#### Monday's Volleyball

Six 'Mural' volleyball games were reeled off Monday.

In the best match of the day as exemplified by the roars from the crowd, B QMC outlasted B Eng in two out of three games. B QMC won the first, 15-6, lost the second 8-15 and then took the final one handily 15-4.

ASA grabbed two quick ones from B FA by 15-1 and 15-9. C Inf blanked D FA in the initial tilt and then went on to take the second, 15-13.

B Inf beat A AF 15-8 twice and B Armor took the measure of A Armor, 15-10 and 15-3.

#### Badminton Entries To File

The badminton players who wish to enter the Mural Badminton League should file before 6 p. m. today.

## Meeks, Ragsdale to Vie For Honors At Triangular Meet

By RAY HOLBROOK  
Battalion Sports Writer

Bobby Ragsdale, the Ags' star broad jumper who will be favored in the runner-up spot to Texas' Charley Meeks in that event this week as well as in the SWC meet, is probably the most versatile member of the talent-laden A&M track and field squad.

This all round track man is only a sophomore this year and would probably be hailed as the best prospect of the year were he not overshadowed by another sophomore, the undefeated weight star, Darrow Hooper.

At present, he is the conference's second best, and A&M's best broad jumper with about 23' 6". He also runs on the SWC's best 440 relay, and is the cadet's second best low hurdler with a chance at second or third in the conference.

Were he not so busy he could probably pick up points in the 220 and 440 and perhaps make the mile relay. He went to the Sugar Bowl track meet as alternate on the mile relay and will be a cinch to make it next year.

There is no telling what Ragsdale will be competing in by his senior year, but you can bet he'll be winning two or more events in most meets before he is through. His best day this year was in the LSH dual meet where he won the broad jump and low hurdles to tie with Hooper for high point honors.

#### Billy Bless

The boy Ragsdale has been chasing all year in the low hurdles is Junior Billy Bless from San Antonio. Bless was runner-up last year in the SWC low hurdles for the Aggies and should be the South's top man this year. Though he is determined to beat Ralph Person of Texas, he has been edged out by the Steer in most meets this year.

Bless is National Interscholastic record holder in the 220 yd. low hurdles with a time of 21.8. He has whipped off a 22.4 in this event in practice sessions, and is potentially the greatest low hurdler in the nation. The conference record is 22.8 held by Bob Hall of A&M.

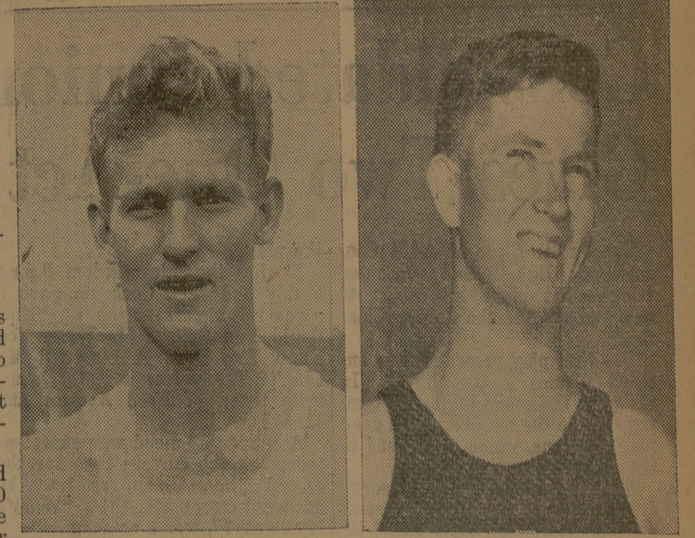

#### 440 Relay

Among his other accomplishments Bless runs second on the five-Aggie 440 relay, handing off to Ragsdale in the third spot. If Bless can ever get everything going smooth, he'll beat Person and set a few new low hurdle records for A&M.

### Arizona Nine Has 19-1 This Season

The Arizona Wildcats, the baseball team who will meet the SWC winner, has won 19 games and lost but one so far this year.

This is the same team, with the exception of a graduated hurler, who many thought Texas was lucky to beat last year.

Charlie Meeks and Bobby Ragsdale

... will fight it out in the tri-meet Friday for first in the broad jump. The University of Texas lad's best this year has been 23' 11 1/2" while Ragsdale's finest was close to 23' 6".

### WHAT'S IN A PICTURE?

Character, Personality, Expression, LIFE—the nearest thing to real life. Your picture is the nearest thing to YOU. Your Mother will treasure it. Remember HER May 13. Aggieland Studio.

### ATTENTION MILITARY GRADUATES!

We now have in stock the NEW OFFICER'S GUIDE. This new volume brings up to date the valuable features of its predecessors, and constitutes a treasure chest of helpful information and guidance.

Officers of all grades and length of service, on active or inactive duty, recognize the value of having THE OFFICER'S GUIDE available for ready reference and wise counsel. Half a million officers have used this book in its many editions. THE OFFICER'S GUIDE is not, as supposed by many individuals, a guide designed solely for junior officers. True, most junior officers do acquire copies early in their career as there is no substitute for this reliable and ever ready source of helpful information. However, many experienced officers of senior grade with many years of service find THE OFFICER'S GUIDE a highly useful and time saving reference.

The officer's family will also benefit by reading this comprehensive volume. Selected sections such as Army Posts and Stations, Foreign Service and Life in Oversea Commands, Customs of the Service, The Code of the Army, and Leadership help to orient your family on the military way of life. To a surprising degree the career of an officer is influenced by his wife. She can contribute most to his success if she is fully informed as to the Army's codes, requirements, customs, and opportunities.

This new edition is in tune with the situation of today and tomorrow. Considerable revision has been accomplished to incorporate important changes in regulations.

Don't get left out, come in today and get your copy today, we have only a limited stock.
