

Work Bats, Hurls Fish Win Over TU

By CHUCK NEIGHBORS
Battalion Sport Staff

In a hard-fought game at Clark Field in Austin Tuesday, the Fish defeated their long-standing rivals, the TU Short-horns, 8-4.

The Cadets went behind 0-2 in the first inning on a terrific home run with one man on base, by Travis Eckert, TU center-fielder.

Aggie Al Fuchs hit into a triple play in the second frame, when he popped-up to Bob Newberry, TU second baseman. Fuchs was automatically out, on the infield fly rule, but Newberry dropped the ball, and runners Joe Schero and Jerry Robinson tried to advance on Newberry's error.

Schero was cut off at the plate on a fast throw from Newberry to Short-horn catcher Al Knebel. Knebel relayed to third baseman Bill Towery who tagged Robinson.

The score was tied up in the fourth inning when a single by Aggie hurler Mel Work scored Schero and Fish center fielder Ernie Lawrence.

Work had a fine day in Austin, despite an infected knee that had hospitalized him the night before. He pitched a five-hit ball game as he went the distance.

The seventh was the big inning for the Fish as they scored four runs on three hits. Hunt started the fireworks with a hit to center field. Leisner followed with a sharp single to the same fielder.

Selman drew a walk, Schero was hit by a pitched ball and went to first, and Lawrence went down swinging for the first out.

Meanwhile, Hunt had scored when Schero was hit by the pitcher. Al Fuchs drew a walk from relief pitcher Ronald Hague and Work then came up and hit a line single through shortstop scoring Selman and Schero.

The total, four runs on three hits.

The Aggies scored their last two runs in the eighth when catcher Robinson lifted a long hit over the right field fence for a home run with one man on base.

A&M, TCU Golf Quartets Battle In Fort Worth

Two last place golf teams with large and high aspirations, A&M and TCU, will slam it out at Fort Worth tomorrow afternoon to see who will take over undisputed possession of the SWC cellar.

Both quartets have compiled a .333 percentage this season, but the Frogs, who have played one more match than the Aggies, have won eight matches, whereas, A&M has won only six. The equalizer is the loss column, which shows the Toads with 16 losses as compared to the Cadets 12.

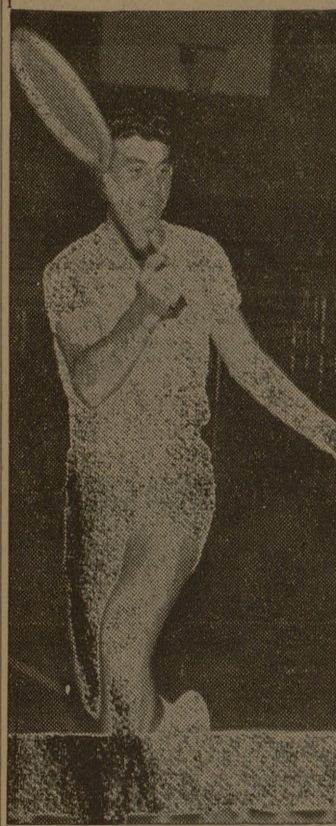

The A&M linksmen started their 1951 season as if they would tear all contenders to pieces. Two wins were quickly posted over the University of Houston—one was a shut-out—and single victories were taken from Hardin-Simmons and St. Edwards of Austin. A&M blanked the Austin invaders.

In their first conference appearance, the "Big Four" of Bob Dahoney, Tony Guerrero, Johnny Barrett and Billy Baker were held to a tie by a potent Rice outfit. Baylor's youngsters then added another tie to the Aggies' score up in Waco.

Texas added insult to injury in Austin when they blanked A&M 6-to-0 in Austin.

Last week, in a contest which was a fill-in for a postponed SMU match, A&M fell before Trinity University of San Antonio, 5-and-2. Considering that Trinity is the nation's best, it may be assumed that the Cadets did very well.

A&M, Rice, TU Track Stars Vie Tomorrow

By RAY HOLBROOK
Battalion Sports Staff

Returning to Southwest Conference Competition, the undefeated Texas Aggie tracksters take on Texas and Rice in the third triangular meet of the year. This one will be in Austin Friday afternoon.

For the Cadets it will be their last priming before the SWC meet in College Station, May 11 and 12, where they hope to regain the SWC crown.

Topping the list of point scorers is Ag Soph Darrow Hooper, undefeated in the shot and discus. Just last weekend he completed his sweep of the weight events in the nation's relay carnivals by taking the Drake Relays shot and discus with 52' 7" and 152' .65" respectively.

Hooper will be counted on by the favored Aggies for 10 points this week as well as in the conference meet where he is almost a cinch to break the shot record of 50' 2".

Leming vs Howton

Paul Leming, A&M's SWC high hurdle champion, will renew his duel with Rice's Bill Howton. Leming took third in a photo finish in the Drake high hurdles with Val Joe Walker of SMU fourth. Howton did not place.

Should Leming beat Howton this week he will be the favorite to fight it out with Walker in the conference race.

Rice's feature stars will be half milers Otha Byrd and Bill Graf, however. They hold a time, together, of 1:54.2 for the best SWC time, as well as a decisive win over Ag soph sensation, Ed Wilmsen. Wilmsen will be pointing for them as the two Owls attempt to better their times.

Meeks, Marek, Person

Texas' outstanding performers will be Charlie Meeks, Ray Marek, and Ralph Person. Meeks is undefeated in the broad jump this year, winning the event at the Texas, Kansas and Drake Relays.

Marek, second in the javelin at Drake, is the conference's leading spear tosser. The big question is whether Person, star sprinter and low hurdler, will be ready for this

Aggie Nine Meets Baylor In Waco

By FRED WALKER, JR.
Battalion Sports Editor

The Aggie baseball team will hit the road for Waco Friday to meet the tied-for-third-Baylor Bears, a potent diamond nine.

A&M will have a two-game series this weekend, one Friday and one Saturday contest.

With four regulars and a pitcher batting over .300, the Bears are far more powerful than their five-year record would tell.

Catcher Lary Isbell is leading the Bruin batting order with a fat .339 while Ken Williams, third baseman, is second with a .313.

Second baseman Tyree Newton and outfielder Buddy Parker are the other two regulars hitting above the magical three-hundred mark. Newton has a .309 average and Parker has slapped out 19 hits in 63 official trips to the plate for a .301.

The rest of the starters, and their batting averages, are Joe Miles (.227), first base, Harry Davis (.187), shortstop, and outfielders Charley Price (.235), Taylor Willoughby (.233) and Bobby Stotts (.276).

Parker, Parker

In the Runs Scored department, Parker is the leader with 16 tallies while Isbell is a close second with 15. Williams and Newton have 11 and 10 respectively.

Parker leads also in Runs-Batted-In. The big outfielder has knocked in 14 and again Isbell is the

runnerup; this time with 13. Davis has 12 to his credit.

Isbell, the triple-threat quarterback, leads in doubles with four while Davis and Stotts trail with three apiece.

Again Parker takes the leadership in an important department. He has four home runs and Isbell and Stotts have two each.

Classy Hurler

Ray Fitzpatrick, the classy little Bear right-hander, has built an admirable mound record this season. Of the five conference games that Baylor has won so far, four of the victories were taken by Fitzpatrick.

Texas, A&M, TCU and SMU have all bowed to the curve-ball artist.

To complete his record of seven won and only three lost, Fitzpatrick also beat Oklahoma, Minnesota and the University of Houston. His losses were to Texas (1) and Rice (2).

Fitzpatrick has hurled 74 1/3 complete innings this year and has allowed 30 runs and 60 hits. The impressive part of the right-hander's record is the 41 strike-outs.

The other two Bear mound aces, Clyde Robinson and Mac Gresham, have given up 32 runs, 42 hits in 38 1/3 innings and 14 runs, 16 hits in 19 1/3 frames respectively.

Robinson is really the leading Bruin batter with five hits in 14 trips for an average .357. (See AGGIES PLAY, Page 6)
