

Chest X-Ray Drive Falls Short of Goal

The 1951 Anti-tuberculosis chest x-ray campaign closed its College Station drive Saturday with a total of 5,635 people taking advantage of the free service.

"I'm glad the people who took the chest x-rays responded to the chance to get a 'picture of health' however I'm sorry more people didn't realize the necessity of the x-rays," said J. B. Baty, chairman of the public health committee of the Chamber of Commerce.

Last year, 6,896 people from the campus, College Station, and the surrounding area filed past the x-ray camera. Of this number, 108 positive reactions were recorded by the State Health Department in Austin.

Baty continued, "Several people remarked to me that they failed to have x-rays made this year be-

cause they had them made last year and the results showed no signs of tuberculosis. Since they were still feeling good and in perfect health, they saw no reason to have x-rays made again this year."

"This bit of rationalizing is not good because tuberculosis can and does strike at anytime and where it is least expected. The only way to be sure is to take advantage of the x-rays," Baty concluded.

The portable unit, sponsored throughout the country by the National Anti-Tuberculosis Association, will open its facilities in Bryan beginning May 8 and remaining open until May 17.

The unit is located in the old Safe-Way Market building on Bryan Street and is open from 9 a. m. to 5:30 p. m. daily except Sunday.

St. Thomas Women Set Review of 'The Cardinal'

Local residents will have an opportunity to hear a woman of unusual talent on Thursday evening when the Associated Women of St. Thomas Chapel, Episcopal Church, present Miss Evelyn Oppenheimer in a review of "The Cardinal," by H. M. Robinson.

The review is scheduled for 8 p. m. in the ballroom of the MSC.

Miss Oppenheimer, born in Dallas and graduated with a Ph. D. degree from the University of Chicago, where she was a Phi Beta Kappa, has been lauded as "the Dean of Book Reviewers in the Southwest" by the Houston Post.

Rural Women Set Convention Here

An estimated 1500 rural women will attend the annual convention of the Texas Home Demonstration Association on the campus, Aug. 29, 30 and 31.

Concluding a three-day planning session, Mrs. R. M. Almanrode, president, said this will be the first meeting of the Association at A&M since 1940. "The members are pleased to return to the place where they organized 25 years ago," she said.

The Executive and Special Convention Committees met with Miss Maurine Hearn, state home demonstration leader, and other Extension Service headquarters staff members to plan the anniversary celebration.

REGISTRAR'S OFFICE

Some of our students are making plans to attend the 1951 Summer Session in some other college or university. Such students should check with the Registrar's Office to make sure that work completed elsewhere is acceptable in transfer to A. & M. Courses will not be accepted in transfer for degree credit unless they are (a) substantially equivalent in character and extent, (b) normally offered at the same level, and (c) with essentially the same prerequisites as similar courses offered at this college.

Students who fall a course in any subject and subsequent failure in secondary or subsequent courses in the same subjects at another college may be required to pass validating examinations in the same course or courses before they will be accepted for transfer toward degree requirements.
