

Bizzell Rips Walton; Dorm 16 Downs 15; B, A Fish Winners

By TOM ROUNTREE
Battalion Sports Staff

Bizzell squeezed past Walton yesterday, 6-5, to take their first intra-mural softball game.

First two innings of play were scoreless. In the top of the third Bizzell managed to get their first four batters on base with hits by "Boo" Broussard, Mack Howell, Clark Edward and Dick Steigmeyer

got on first as a result of Walton catcher Ted Ritchey's error. Bizzell got their first run when Walton pitcher H. K. Hollaway walked Speck Davenport. The bases were loaded, so this forced Mack Howell on into home. Broussard was forced out at home.

Walton blasted on back in the bottom of the third when Bizzell pitcher George Geretson walked five men. Although the Walton-

ites didn't get a hit during the third, they managed to get four runs across the plate with Bizzell helping them on the way with two errors and three fielder's choices.

Bizzell came back in the top of the fourth with four runs to take the lead 5-4. They managed to get five men on base with a hit, two walks, a fielder's choice and Bill Morris made it the hard way when he was hit by a pitched ball. Bizzell relief pitcher, G. H. Bunch, retired Walton in the fourth—one, two, three.

The game finished as Walton scored once again in the sixth and Bizzell picked up their final tally in the top of the fifth.

Winning pitcher was Bunch with Hollaway walking down mourners' row. The game ended with Walton 3 hits, 5 runs, 3 errors and Bizzell, 9 hits, 6 runs and 2 errors.

The other non-military softball game was won by Dorm 16 in their game with Dorm 15 by a score of 10-5. Dorm 15 got three of their runs in the fourth and the other two in the sixth. Dorm 16 tallied four in the second, two in the third and four more in the fifth.

Winning pitcher was D. Aviles while the losing pitcher for Dorm 16 was Lane Bowen.

Fish Games

In the tightest game of the day, Co. B won their intra-mural softball game, 10-9, from Co. The "paddlefect" led the "flyboys" 6-1 until the fourth inning when Co. C's pitcher, Bill Martinez, lost control and gave up eight walks and one hit.

Winning pitcher was Rainey, loser Martinez.

Co. A won their game from Co. D with a score of 9-2. The Co. A boys were never in any serious trouble as Co. D didn't tally until the fourth and final inning.

Pitcher Borsall got credit for the win and the losing pitcher was Kelly.

In the only volleyball game of the day, Texas Rockers defeated the Milner Tigers 15-9, 7-15 and 15-11.

Local Netters Win Matches at Austin

R. G. DeBerry, one of the top singles players on this past Spring's Aggie tennis team beat Dick Smith of Kerrville, Tuesday in the Texas Sectional Tennis Tournament.

In the top match of the day, DeBerry ousted Smith in three sets, losing the first 2-6 and taking the last two 6-4 and 6-4.

Bill Blakeley of College Station defeated Lem Scarborough, Jr. of Austin in two sets, 7-5 and 6-2. Blakeley gained the right to compete in the Austin district U. S. Lawn Tennis Association tournament last week.

Joe DiMaggio, who holds the major league record for hitting in 56 consecutive games, also set a Pacific Coast League record by hitting safely in 61 consecutive contests in 1933.

Hooper Trains, Davis Planes to Seattle Games

Darrow Hooper and Walter "Buddy" Davis, two of A&M's better track stars, will compete in the finals of the NCAA track and field meet in Seattle, Wash. tomorrow night and Saturday.

Hooper left earlier this week by train in order to participate in the Friday night preliminaries in the shot put and discus. Buddy plans to leave here tomorrow by plane so he will arrive in time for the finals in the high jump Saturday morning.

Both Hooper and Davis will play the favorites roll in the two-day meet. Col. Frank Anderson said yesterday that both men should take top honors at the meet.

Because of the distance to Seattle and the fact that most of the men who qualified for the meet are scattered all over the state, A&M will be unable to send more men to the meet.

Col. "Andy" said, on the basis of the Cadets showing against Rice and Texas, A&M would be the only track team in the nation that could stand up against Southern California who will rule favorites at the meet. They will have a complete team at Seattle.

Because Davis is in Summer school, he will fly back here in time for classes Monday but Hooper will remain on the West Coast for the AAU Meet in Berkeley, Calif. on June 22 and 23. Davis will fly to that meet next week.

Attendance High

(Continued from Page 1)

560. With two twin-bills today, a single game and a double-header tomorrow and two more Saturday, it seemed certain that an attendance record would be set, the AP reported.

It will be Bob Tankersley against the team that is coached by Karow, the man who was the Aggie baseball mentor for four years, in the 2:30 aftermath of this afternoon twin-bill.

Should the Aggies win today's contest, they will face the loser of the game between Southern California and Utah. These two teams square off tonight at 6 in the first game of a two-night double-header.

Princeton vs. Tennessee

The first contest of this afternoon found Princeton matched against the Volunteers of Tennessee and tonight's other game pits the forces of Oklahoma's Sooners against the Aggies conqueror, Springfield. That game will be played as the night part of the two-night double header, beginning about 8:30.

If the Aggies lose this afternoon's game, they will be eliminated from the tournament.

Springfield, on the basis of defeating the Aggies who were slight favorites to take the banner at Omaha, will be a slight favorite to take Oklahoma.

In the other contests Southern Cal will be favored over Utah and Princeton will be favored to take the Vols.—Based on AP Reports.

Lions Clubbers LL Team Trip Kiwanis

In a Minor League Baseball game yesterday afternoon, the College Station Lions Club team, the Lions trimmed the Rotary Club Red Sox 6-4.

The game was played in Little League Park, adjacent to the Bryan Country Club.

Major League Owners Bid Chandler Farewell

New York, June 14—(AP)—The big league club owners are gathering here today to say a final, official farewell to A. B. (Happy) Chandler, the Kentucky statesman who has been their commissioner nearly seven years.

The National and American League heads are expected to make short work of the business at hand—the signing of a lengthy legal document which indemnifies Chandler against financial responsibility for any damages which might be awarded in several suits now pending against organized ball.

Lawyers for the two leagues have studied the document and say it is all right, barring a couple of minor revisions. All 16 club presidents were reported ready and willing to sign the release.

Chandler has said that, once the signed papers are in his safe, he will start to get ready to vacate the commissioner's office at Cincinnati.

Speculation is that the ousted czar might choose the joint league meeting on July 9, the day before the all-star game, to tell his employers goodbye—among other things. His \$65,000 yearly salary is guaranteed him until his seven-year contract expires next April 30, no matter when he resigns.

Chandler was not invited to today's meetings.

For those who came in late, the owners first voted not to renew Chandler's contract last December. At his request they took another ballot at Miami this Spring with the same result. He needed a three-fourths majority, or 12 votes, to remain in office another seven years. Each time seven magnates voted against him, nine for him.

The owners are said to be asking from Chandler a guarantee that he will not accept any sort of baseball job for five years.

Southern Cal, Utah, Oklahoma Win In First Round at Omaha

The first round of the NCAA Baseball Tournament got off to a rousing start yesterday as two double-headers were unreeled at Omaha.

Princeton University was dropped by the University of Southern California 4-1 and the University of Utah defeated the Tennessee Volunteers 7-1 in the first two games yesterday afternoon.

Last night, Oklahoma's Sooners subdued the Ohio State Buckeyes, A&M's opponent in this afternoon's game, in a ten-inning affair, 9-8. The other half of the evening's double header was the A&M-

Springfield contest, the results and story of which will be found on page 1 and elsewhere on this page.

In the first game of the afternoon, USC's hurler, Lovrich scattered nine hits as he outpitched the Tiger's top flinger, Ray Chirugi.

The Trojans unleashed a third-inning attack that netted their four runs and drove Chirugi from the mound. He was replaced by Sisler who set the Los Angelesans down without further ado but the damage was already done.

Princeton took a short-lived lead by tallying their single run in the top of the second inning.

The Utes started off with a bang, getting two runs in the top half of the first inning, added one in the fourth and with two each in seventh and ninth innings, swalloved the Vols who managed their single run in the fifth.

Max Pessetto was Utah's winning pitcher and Huffstetler the loser for Tennessee. Pessetto scattered four safeties while Huffstetler was allowing only six. Two errors by the Vols didn't help matters any.

The first game of last-night's double header, Oklahoma eked out their 9-8 victory in the bottom of the 10th inning as Buckeye pitcher Paul Williams walked in the winning run.

Oklahoma started the scoring in the second inning with one run but that lead was soon wiped out as Ohio State roared back to score five in the third.

The Sooners tallied another single run in the fourth but went further behind as Marty Karow's

boys made two more in the seventh. The "lucky seventh" was just that for the Okies as they tied the contest with five runs in that inning, but again, the lead changed hands as the Buckeyes scored a single tally in the eighth.

Oklahoma sent the game into extra innings by tying the ball game at 8-8 in the bottom half of the ninth. Shirley held Ohio State scoreless in the 10th and then the fateful, for Ohio State, free-ticket by Williams gave the contest to the Sooners.

Hauck started the game for Ohio State and was relieved by Scutt and then Williams in the seventh when the Sooners tallied their five runs.

The Oklahoma hurler Shirley allowed 14 hits and his teammates erred six times behind him but he was tight in the clinches while Oklahoma netted only 12 hits off the three Buckeye pitchers.

Today's Schedule

Today's first game in the second round pitted Princeton against Tennessee at 12 noon.

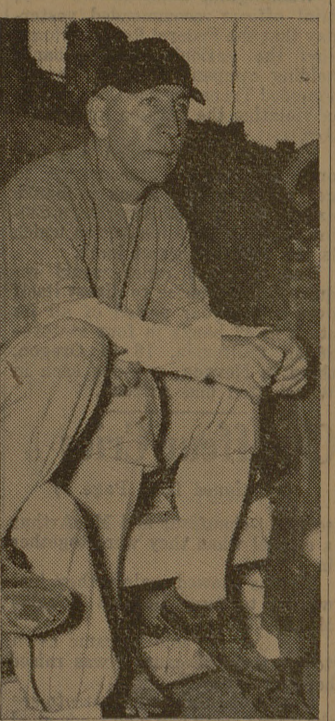

Southern California plays Ohio State in the first game of tonight's double-header. Game time for that contest is 6 p. m. The second game tonight will pit Utah against Springfield.

Louis-Savold Fight Slated for Tonight

New York, June 14—(AP)—Old man weather caused postponement of last night's scheduled 15 rounder between Joe Louis and Lee Savold. The "Battle of the Aged" will be fought tonight instead, at the Polo Grounds.

The International Boxing Club still hopes a last minute rush will put the fight over. It's reported over \$25,000 is in the till. Maybe they'll do \$75,000 with a sunny break and no radio or television. Only TV will be on a closed circuit to theaters in six cities.

Louis, dead serious about his ambitions to become the first heavyweight champ ever to recapture the title, wants to win this one and go on to a September date with champ Ezzard Charles.

The fighters will go into the ring with odds on Louis still at 3 to 1.
