

Hooper Picked As Representative On Foreign Track Trip

A&M's weight star, Darrow Hooper, will be one member of a squad that will tour Japan and other countries in the Far East this summer.

Another Texan, Charley Thomas of the University of Texas will represent Texas in another squad which will tour England and Iceland.

These two men, representing the San Antonio AC were among the top in their respective fields at the AAU Track and Field meet in Berkeley, Calif. Friday and Saturday.

Hooper Takes Third

Hooper placed third behind Parry O'Brien of USC and the Los Angeles Athletic Club and Jim Fuchs of Yale and the New York AC, with a heave of 53-1/2. O'Brien's winning heave was a mighty 59-9/16, upsetting World Record Holder Fuchs.

Thomas set a new standard in the 200-meter dash in the junior division of the AAU meet Friday. Competing in the senior division on Saturday, Thomas could do no better than third behind Jim Ford of Drake and Walt McKibben of the Los Angeles AC.

Other Aggies who placed in the two-day meet were John Garmany, Billy Bless, Bob Hall and Charles Gabriel.

Garmany placed sixth in the 3000-meter steeplechase in the senior division which was run off Saturday. Horace Ashenfelter of the Pennsylvania AC won the race with a time of 9:24.5.

In the junior division 200-meter low hurdles, Bless notched a third

Veck Still Short Of Desired Stock

St. Louis, June 26—(AP)—Bill Veck said yesterday his group was still 30,000 shares of stock short of the amount necessary to complete transfer of the St. Louis Browns to him.

Shares pledged total 21,500. That is in addition to the holdings of Bill and Charles DeWitt who agreed Thursday to sell their stock to Veck and his associates.

The DeWitts hold about 56 per cent of the 300,000 shares in the American League club. Under the agreement about 75 per cent of the shares must be pledged to the Veck group or the deal is off.

place while Hall followed his teammate in sixth place.

Gabriel wound up in sixth place in the 5,000-meter run. He was running in the junior division.

In the 10,000-meter grind, G-man, Fred Will, running under the colors of the New York AC, played a little game of tag with two of his teammates and the three of them finished one, two, three to give the New York AC the lead at that stage of the meet.

Leonard Truex, Ohio State upset favored Warren Druetzler, Michigan State in the 1500-meter run with a 3:52 time.

Attlesey Defended Successfully

Dick Attlesey of the Los Angeles AC, successfully defended his title in the 110 meter high hurdles by topping the timbers in 13.8.

George Rhoden of Morgan State, kept up his winning ways in the 400 meter dash by nipping Herb McKenley, Fleet Jamaican Negro in a meet equalling time of 46.

The winning mark in the broad jump was 24-8 1/2, posted by George Brown of the Los Angeles AC.

Dick Doyle of the Olympic Club sprang the discus 175-6 1/2 to top all entrants in that event. J. Lewis Hall of Florida leaped 6-8 to grab the top position in the high jump. The only Texan in this event was Charles Holding, ETSC and the San Antonio AC who tied with six others for third place with a height of 6-4.

Will showed the field his heels in the 5,000-meter run with a winning time of 14:47.5.

Whitfield Tops 800-Meter

The "valetin' Preacher," Bob Richards of the LAAC, outdueled three others for top honors in the pole vault and won with a 14-4 mark. Don Laz of Illinois was one of the three who tied for second at 14 flat.

Mal Whitfield, the great middle-distance runner, copped the 800 meter run with a 1:52.9.

A meet record was tied in the 100-meter dash as Jim Golliday, Northwestern freshman, raced to the wire in 10.3. The record is now held jointly by Golliday and four others, among them Barney Ewell, Olympic dash star of 1948.

Frank Held of the Olympic club eclipsed his own meet record of 232, set in 1950 by flinging the javelin a distance of 241-3/4 for another record at the meet.

Future Big-Leaguers

Representing the Southside Food Market in the Little League are the Red Sox, coached by John Denison. The members, all 12 years old or under are left to right, back row, John Berry, Charles Todd, James Couch, John Ray Perryman, Wayne Thompson and Bobby Potts. In the same order on the front row are Jerry Smith, Alton Arnold, Paul Hilderbran, Jerry Carroll and Lyle Broemeling.

PGA Layout Will Require Slugger

Oakmont, Pa., June 26—(AP)—Gene Sarazen called Oakmont "the Joe Louis of golf courses" today and predicted the PGA championship will go to the "slugger who can think."

"With Ben Hogan not in the field, I think Lloyd Mangrum has the best chance to take it," added the squat squire from Germantown, N. Y., a competitor in the PGA since 1920.

"No outsider will win this tournament," Sarazen said. "Just as at Oakland Hills a few days ago in the open, one of the top three or four players in the country will come through and who could overlook Mangrum?"

The week-long grind, which even the mighty Hogan admits is now too rugged for him, begins tomorrow with two days of qualifying to reduce the field from 140 to the low 64.

Texas' Golfers Among Leaders At Columbus

Columbus, Ohio, June 26—(AP)—A 32-year-old father of three children, a University of Detroit senior, carved out a five-under-par 67 to take the qualifying lead in the 1951 Intercollegiate Golf championships yesterday.

Samuel Kocsis, who "hasn't played much golf in two years," blistered the long scarlet course at Ohio State University with a brilliant 33-34-67. Par is 36-36-72.

The 145-pound senior sported a two-stroke margin over his nearest challenger. His 67 was a course record for tournament play, topping a 68 by Ohio State Howard Baker in 1945.

Don January of North Texas State College, the 1950 NCAA team champion, shot a 35-34-69.

Tom Neipert of Cincinnati, 22-year-old Ohio State University junior, fired a 36-34-70 over the 6,915-yard rolling course. Seymour Black of UCLA matched that total with 37-33-70.

Despite Kocsis' lead, Neipert of Ohio State still ranked up there as a prime favorite. The smooth-swinging Ohioan was two-strokes under par and he's playing his home course, where he's generally extremely tough.

Texas scores:
Don January, North Texas State, 35-34-69.
Wesley Ellis, Texas, 34-38-72.
Billy Maxwell, North Texas State, 36-37-73.
Buster Reed, North Texas State, 37-37-74.
W. Elwyn Stobaugh, Rice, 38-36-74.
John Weaver, Rice, 38-37-75.

Monty Sanders, North Texas State, 40-40-80.
Dick Ford, Texas, 42-38-80.
Bill Penn, Texas, 40-43-83.

Williams Steps Into 5th Place On Hot Streak

Chicago, June 26—(AP)—Boston's Ted Williams hit at a .500 clip last week and took a place among the American League batting leaders.

Through games of Sunday, Williams got 15 hits in 30 trips. His .332 for the season was good for fifth place.

Ferris Fain of the Athletics returned to the top spot, cutting Orestes Minoso's reign to a single week. Fain's average was .358, two percentage points better than the White Sox outfielder's .356.

Three other players joined the top ten with Williams. They are Gil Coan of Washington, Roberto Avila of Cleveland and George Kell of Detroit, who replaced Ray Coleman of St. Louis, Dick Kryhoski of Detroit, Luke Easter of Cleveland and Gil McDougald of New York.

The ten leaders, after Fain and Minoso, are Nelson Fox, Chicago, .355; Don DiMaggio, Boston, .341; Williams, .332; Vern Stephens, Boston, .326; Jim Busby, Chicago, .319; Coan, .318; Avila, .317 and Kell, .316.

By TOM ROUNTREE

A Sqdn. came through in a last inning rally yesterday afternoon to cop half of the freshman softball title by downing B Sqdn. 2-1.

The game went scoreless until the top of the fifth when A Sqdn. committed their only error of the game and let Gonzales of B Sqdn. get on base. When the A Boys fumbled the ball, Bray scooted in from third to score B Sqdn.'s only tally.

A Sqdn. leadoff man, Jones, got on base with B Sqdn.'s only error of the game and then went on to circle the bases when A Sqdn. short, Theriot, blasted out a double. Theriot then stole home to win the game and help of the title for A Flyboys.

Final statistics showed A Sqdn. 2 hits, 2 runs, 1 error and B Sqdn. 4 hits, 1 run and 1 error.

Vet Village pitcher G. H. Bunch pitched a no-hitter yesterday to down the Texas Geologists 15-0. The V V's were never in any trouble as they made four or more runs in every inning except one.

Geologist pitcher Harry Smith seemed to have left his control at home as he gave up eight walks and ten hits. Smith was able to fan only two men. The Rockcrushers' just couldn't seem to get a good solid whack at the ball as they didn't get a ball past the infield during the game.

The game ended with the V V's getting 10 hits, 15 runs, 0 errors and the Rockcrushers 0 hits, 0 runs and 0 errors.

Walton sunk Dorm 16 with a score of 6-4 yesterday afternoon. Walton showed their power early in the game when they blasted out four runs in the top of the second. The Waltonites got Porter, Blackwell and Ritchey on base with hits. Lucas, Hollaway, and Mondshine reached first on balls; Dick with a fielder's choice and Fox made it the hard way—taking first base by getting hit with a pitched ball.

Dorm 16 picked up two runs in the second inning when Stribling and McReynolds both crossed the plate. Dorm 16's second came in the third when Lenzen made the circuit and their final tally came when Harris made the trip in the top of the fifth.

Sonny Holloway got credit for the win and Don Aviles was low man on the totem.

B Sqdn. took D Co. 2-1 in a freshman league volleyball game yesterday. The Paddletots took the first game 18-16 but the Flyboys bounced back and took the next two, 15-8 and 15-3.

Second Airman win of the day came when A Sqdn. downed C Co. 15-10 and 16-14.

Lack of Players Postpones Contest

A scheduled game between the Tigers and Cubs of the College Station Softball League was postponed yesterday because neither side could field a complete team. The game was scheduled to end first-half play in the Summer league made up of residents of College Station.

In Friday's action, the Pirates dropped the Giants 7-2, while the Indians enjoyed a 11-9 victory over the Yanks.

Homer Adams authored a three hit game for the Pirates and Dick Dowell controlled the pitcher's mound for the Giants.

The bottom of the sixth was the turning point in the Indian-Yanks game as Crotcher tripled with the bases loaded. He led the batting for the Indians with a total of three hits.

Barney Welch pitched the whole game for the Indians, while Tom King and Bob Porter shared honors for the Yanks.

It's Back to the Minors For Big Walt Dropp

Dropp, an American League sensation as a freshman last year, was batting only .262 and had only 24 runs batted in.

Dropp batted .322 in 136 games with the Sox last year and drove in 144 runs.
