

## Hooper Leaves For European Track Meets

Darrow Hooper, winner of third place in the shot put at the AAU track and field meet held in Berkeley, Calif. last week, left New York yesterday with 12 other track and field stars for a tour of the European continent.

Texas University track coach, Clyde Littlefield will lead the 13-man team to meets in Iceland, England, Switzerland and possibly Finland, Aggie track coach Col. Frank Anderson said yesterday afternoon.

The team from Iceland probably won't furnish too much competition for the all-star group Col. Andy said. It will probably be more in the form of an exhibition he added.

Matches in England and Switzerland will afford the members more of an opportunity to show why the American teams seldom lose a team match.

If the team goes to Finland as they usually do on the trip each year, Col. Andy said the Finns will probably take the distance events if the Americans would win the meet on the strength in the dashes and field events.

The only other Texan making the trip is Charles Thomas of the University of Texas. He won the junior 200-meter dash at Berkeley last week.

## Summer Softballers

One of the six College Station Summer League softball teams, the Cubs are pictured after a hard workout. They have a 2-3 record in the league play which began June 7. Left to right, front row, Manager Aden Magee, Bobby Joe White, Thomas Wade and Edward Sauer. Back row, George Johnston, George Rivers, Lt. Paul Bennet and M/Sgt. William R. White.

## Aggie, M'ville Softball Nines Clash Monday

One of the outstanding softball teams in the state will afford competition for the Aggie softball teams Monday night at 8:30 on the lighted diamond adjacent to The Grove, Barney Welch, Aggie manager said this morning.

The Madisonville-All-Stars, led by the righthanded slants of B. J. Lloyd will return games played earlier in the season at Madisonville and Calvert which were won by the All-Stars, 1-0 and 4-1.

In the first contest, played in Madisonville, Aggie hurler, Bryan Beard authored a no-hitter, only to see it slip out of his hands on an error by one of his teammates.

In the second tilt, the All-Stars touched Beard for three hits but four Aggie errors in two innings threw the game away.

The second contest was played as part of a tournament in Calvert last week, the finals of which are to be played tomorrow night.

The game will pit Calvert, composed of ballplayers from Waco and surrounding territory and Babbit Realty of Houston, winners over the Aggies in the first game of the tournament, 5-0.

## Rainout Re-scheduled

# Bizzell Regains First Place By Dropping Vet Village 9-1

Bizzell took half of the non-military softball lead when Vet Village committed eight errors to help defeat themselves 9-1 in 'Mural activity yesterday.

Vet Village was the visiting team and started the first inning great guns with Bill Campbell latching on to one of Louie Belenski's pitches for a base hit. Things really were looking rosy for the V's when Belenski walked the next two men, Earl Sherman and Jim Starling and loaded the bases.

### Hodge Fans Air

Charley Hodge, V V clean-up man, made like "Casey at the bat" as he struck at air on a 3-2 count. V V Catcher Jim Wood got another walk and forced Bill Campbell in home to give the married men first and last run of the game.

Buddy Davis flew out to Third Baseman Al Rollins for the second out and then Jim Starling was thrown out trying to pilfer third to retire the side.

Rollins led off for the Bears and got his base the easy way as Bunch pitched four bad ones. Campbell, V V first baseman, dropped the peg to first to allow Dave Sheffield to get on base.

Campbell was tried and found wanting again on the next play as he fumbled the ball again and allowed Frog Morris to get on. Bizzell's clean-up man, Dick Steigemeier, did just that as he hit into a one bagger to drive Rollins and Sheffield home.

Morris was tagged for Bizzell's first out as he tried to come on around third and into home on Steigemeier's hit. Davis, VV left-fielder, bobbled the ball to let Mack Howell get on base gratis. A third to first play on a ground-er allowed Boo Broussard to garner the second out for the dorm boys. Next Bear batter, Neil Baxter, fanned the air three times to retire the side.

### Apel Garners Hit

Edwin Apel was first batter for the V's in the top of the second and got a good base hit. Bizzell got their second double play of the season as G. H. Burch, V V pitcher, hit a ground ball to Second Baseman Steigemeier who underkicked it to Morris on second and from there the ball went to Dick Edgar on first to give the V's two outs in almost as many seconds.

Campbell selected one of Belenski's pitches to click out a base hit but was thrown out at second when he got ambitious and tried to steal.

Bizzell had a field day in the bottom of the second as they pushed 5 runs across on four hits, two walks and a V V error.

The Bears picked up their last two runs in the bottom of the fourth. Steigemeier got on base with an error by Apel and then stole second on the wild peg to first. Mack Howell got to first with a base hit and got a RBI when Steigemeier came on across the plate. Howell stole home to give the Bears their final and winning run.

The game ended Bizzell 6 hits, 9 runs, 0 errors—Vet Village 3 hits, 1 run and 8 errors.

### Game Re-Scheduled

Bizzell will play Dorm 16 sometime the first of next week to make up for the game that was rained out earlier in the league schedule. If the Bears win the game they will then play a two out of three series with Milner to see who the league winners will be but if they drop the all impo game then the title goes to Milner.

A Sqn. forfeited their freshman volleyball game to C Co.

## Model Planes Keep I Ed Prof Busy

When the Rogers L. Barton family finds a week-end clear of dates and clear of sky, they're usually "off to the races."

Barton, associate professor of industrial education, has for many years "piloted" his collection of model planes in contests flying all over the South and Mid-west. His wife, Connie, has recently taken up the hobby, and has already made a name for herself in women's contests.

Barton is his own designer and builder, of both free flight endurance models and control line "stunters." He fashions the parts of balsa and hardwood, Japanese silk and aluminum in his garage "hangar" at his home, 910 Lake Street in Bryan.

## Ferrier Grasps PGA Lead With 3-Under 69

Oakmont, Pa., June 28 — (AP) — Jim Ferrier, the stoop-shouldered Australian native with the kinky swing and seeing-eye putter led pros from all over the world into the second round of qualifying for 64 places in the PGA tournament.

Ferrier wove a pattern of birdies over hazardous Oakmont yesterday to take the first round qualifying lead in the Professional Golfers Association tourney with a three-under-par 69.

The big San Franciscan one-putted 10 greens, sinking four nudges of from 16 to 40 feet, and planted a total of eight birdies on the spacious, marble-surfaces. He had only 26 putts for the day.

Ferrier's remarkable round gave him a two-stroke advantage over defending champion Chandler Harper of Portsmouth, Va. and four others—bracketed at 71—going into today's final 18 holes of qualifying.

The low shooters for the 36-hole go into the championship bracket which launches the gruelling match play championship tomorrow. It appears a score of 152 to 154 will get in.

### Harper Snaps Slump

## Bucs, Giants Gain Wins In CS Softball

Only one game was played in College Station softball yesterday as the Pirates behind the four hit pitching of Homer Adams tripped the Yankees 8-2.

The Yankees held a 2-1 lead for two innings but fell apart and the Pirates went ahead on several errors and hits.

Taylor Wilkins was both the hero and the goat of the contest as he walloped a triple for the losers and was charged with the loss.

In the other scheduled game, the Giants were credited with a win as they received a forfeit from the Cubs.

## Two Games Slated In Little League

The two College Station teams in the Little Baseball League, the Cubs and the Red Sox, will swing into action today.

The Red Sox and the Lilly Yankees tangle at 3:30 p. m. at Little League park and the Cubs face the Phillies at 5:30 p. m. at the same spot.

Bobby Patts will probably be on the mound for the Red Sox, manager John Denison said today. Patts hasn't lost a game all season.

The Red Sox won their first game of the second half beating the Athletics 22-4.

On the mound for the Cubs against the Phillies will be Richard Miller. This is the first game of the second half for the Cubs, who finished the first half with a 4-5 win and lost record.

## 'Y' Bowling Alleys Now in Operation

The YMCA bowling alley will operate this summer, announced M. L. Cashion, director of the YMCA.

According to W. C. Hill, attendant, the bowling alley will be open on weekdays from noon to 9 p. m. On Saturday it will be open from 8 a. m. until 9 p. m. and closed on Sunday.

## SMU Golfer Trips Medalist; Maxwell, January Defeated

Columbus, Ohio, June 28 — (AP) — Texans and other favorites dropped like flies here yesterday as first round play got off to a sizzling start in the 1951 Intercollegiate Golf Championships.

Ross Mitchell, SMU junior who ambles his 200 pounds around slowly on any occasion, scored the first and one of the biggest surprises when he defeated Medalist Sam Kocsis of Detroit, father of three children, two up.

### Maxwell Eliminated

North Texas' Billy Maxwell was the victim of the matching upset when he fell before the onslaughts of Tom Crabbe, 19, University of Iowa sophomore who weighs only

140 pounds although he's six-feet, one inch tall.

Crabbe turned in his upset over Maxwell with an amazing finish. He was three down on the sixteenth tee. He then birdied No. 16, a difficult par four dogleg, got his birdie two on No. 17, a 210-yard par three and a par four on No. 18. That threw the match into extra holes and Crabbe took advantage of it by canning a 30-foot putt for a birdie three on the first extra hole to win one up.

Mitchell, who stand six feet, two inches tall, wasn't given much of a chance against the 145-pound Kocsis, who sought a title won by his brother Church in 1936. Kocsis won the medal with a 67-74-141 to go

into the first round play with a two stroke advantage over Maxwell.

His first round 67 set a course record for tournament play. His putter clicked off 20 one-putt greens in 36 holes but Kocsis's game fell apart in the match against Mitchell.

### Mitchell Wild But Wins

"I shouldn't have beaten him," Mitchell said. "I honestly don't think I played the fairway half the time. But Sam just didn't play the golf he's capable of playing."

Kocsis made no excuses except for three-putting four greens. He grinned: "Now I can go home and help take care of those three kids."

Don January, teammate of Maxwell and one of the fourseome that won the team title Tuesday was another of the upset victims. Dick Yost of Oregon State defeated January, 4-2, with a three-under par performance.

### In other matches:

Elwyn Stobaugh, Rice defeated Bob Anderson, Ohio State, 7-6.

Wesley Ellis, Texas won over Joe Lazor of Kent State, one up.

Buster Reed, North Texas tripped Robert Togikawa of Bradley, 3-2.

Dick Ford, Texas lost to Paul Snow, Northwestern, one up.

Buddy Weaver, Rice eliminated Ken Venturi, San Jose State, two up.

Roy Moore, SMU, fell before Warren Higgins, Notre Dame, 3 and 2.

Tom Matey, Notre Dame, defeated Joe Conrad, North Texas, one up.
