# 'Fates Are Smiling' On Aggie-Ex Wallaces

By VIVIAN CASTLEBERRY  
Battalion Women's Editor

THIS past weekend looked like exodus-day at College View and Vet Village as more-student-families than usual moved out of the College housing areas at the close of the first semester of summer school. For every family that left, it appeared that somebody else was moving right in. Many of the license plates of trucks that removed furniture were from out of state . . . and Aggies continue to spread their special brand of stick-togetherness to the Four Corners.

Comes word from the Scott Stiles—Scott, Ann, Pam and Susan, now residents of Del Rio that they would like a hello with all their old Aggie buddies, but they're much too busy setting up their new home to be lonely. Comes word from grads Helen and Calvin Hodge, Jan. '50 that they're now in their recently completed home in Duncannon. Comes word from Aggie-ex Noel McRoberts and his bride-of-a-year Edith that their new Garland home is now occupied by them. Comes word from recent graduate Gale Brundrett that he and his new bride, the former Mary Ruth Boone, are now home in Refugio. . . . And comes word from the Curtis Edwards—Lt. Curtis D. Edwards and his recent bride, Judy Munroe Edwards—that they're all settled in San Antonio where he is stationed in the Air Force. . . . Another Alamo City resident of recent College Station address is immediate-past Commentator-editor Herman Gollob who is also with the Air Force.

Bobby Jake Samuels, two-and-a-half-year-old youngster of Wilma and Jake Samuels has a big surprise when he returns from Waco soon. He will be greeting his brand-new brother for the first time. Wilma and Jake welcomed their second son into the family on Saturday morning at St. Joseph Hospital.

Nothing is nicer than good news from wonderful people. Recently we had just that. Dr. and Mrs. Hugh Wallace are the parents of a new baby boy, born recently in Mound City, Mo. where Dr. Wallace set up his veterinary practice following his graduation from A&M last June '50. He is a past editor of the Southwestern Veterinarian and held down that position while maintaining a grade point ratio in Vet School sufficient for him to be named most outstanding senior vet student and most outstanding student in the school of Vet Medicine for his senior year. His

pretty dark-haired wife, Jean, is one of the reasons we maintain that we've met the most wonderful people in Aggeland that we've ever known anywhere. Jean was stricken with infantile paralysis when she was an adolescent. Though she wore braces and used crutches, Jean did all her own housework and cared for their small daughter, Julie, while they were A&M students. Now established with their practice in Missouri, in Jean's hometown, she writes: "The Fates that have smiled on us. We now own our home, Hugh's practice is going fine. We have a wonderful little boy to add to the family of one little girl and we have a new car equipped with special apparatus that I can drive!"

One little three-year-old came out the loser on Tuesday when he decided to shave with his daddy's razor. David Morley, small charmer of Pat and Bill Morley, wandered off into the bathroom while his mama dressed for work. Mother looked up in time to see the youngster's face smeared with blood. Terrified, she scooped him up and examined his face. The blood all came from a small cut but he had smeared it with his hands. Investigation revealed the razor. Dad promised to keep his razor put up. Mother has promised to tan a youngster thoroughly if he gets into things again that are not intended for him. And David has promised not to try to shave anymore until he is a least fourteen!

AN ON-AGAIN-OFF-AGAIN ROMANCE will be on again for all time to come next Tuesday when Betty Jo Ross and Ken Schaake exchange their wedding vows in Bryan's First Baptist Church. Betty Jo, then a recent high school graduate, and Ken, an Aggie soph, were introduced during the summer of '49. The popular bride-to-be refused Ken's first invitation for a date, but later accepted a date with him. During that summer of '49 they dated occasionally, but both insisted "We didn't dream it would lead to THIS!" After Betty Jo entered college, she and the recent-social-secretary-of-the-Senior Class dated when she would be home "and neither one of us had anything better to do." Just after mid-term of this past year the young couple starting seeing a great deal of each other, and suddenly there was Ken's Dream Girl in Miss Ross. He'll change her name to Schaake next Tuesday evening.

AMONG THE NEWLYWEDS. . . . Jacqueline Virginia Meyer and Dan H. Kuykendall, '45 I.E. were married July 6 in San Antonio. The bride is a graduate of Rice Institute where she was a member of the Elizabeth Baldwin Literary Society. Mr. and Mrs. Kuykendall are at home in Corpus Christi. . . . Phillip F. Hunter, '49 Bus, and Florence Ernestine Mattek have set their wedding date for August 4. The bride-elect is a graduate of TSCW. Phil is with the Navy stationed in New London, Conn.

A Houston wedding Saturday united Grace Pierson and Edward N. Whitton, '44 CE. The couple will live in San Antonio when they return from a wedding trip to the Ozarks. The bridegroom is a member of the Aggie Club and the American Society of Civil Engineers in the Alamo City. . . . Landscape Art '46 graduate L. A.

Pitts and Clara Kay Joost will be married on August 25 in San Antonio. Besides his BS from A&M, Pitts holds a degree from Trinity University. He has also attended the University of Oslo, Norway. He is listed in Who's Who in American Colleges and Universities and is a member of Blue Key honorary fraternity.

Another June graduate of A&M, Eugene B. Scroggins, EE, joined the wedded ranks last week when he exchanged marriage vows with Mary Arnett Anders. The couple will live in Buffalo, N.Y., where he is employed. . . . June graduate Winston A. McKenzie will be wed on August 24 in Houston to Sidney Maxine Taylor. Lt. McKenzie is with the Army. Both young people are from Houston. . . . Another Aggie-ex, John T. Hutchen Jr. and Jacqueline Ann Wood became man and wife in Houston Saturday night. The new Mrs. Hutchen is a graduate of Baylor University where she was president of Pi Alpha Lambda. The couple will be at home in Lawton, Oklahoma.

Leo Dielmann Jr. and Barbara Pluecker's wedding Saturday in Houston culminated a series of prenuptial rites in their honor. Leo is a '46 chemical engineering graduate. His bride attended Rice Institute where she was a member of Pallas Athens Literary Society. The couple will live in San Antonio. . . . Patricia Lynn Traylor and Sam Harris Brady, '49 Business, will be married in Uvalde's Methodist Church on Sept. 1. Pat is a graduate of Southwestern University where she was a Phi Mu.

Frank G. Bradley, Aggie-ex, and Veda Donley have announced their intentions to wed in a fall ceremony in Fort Worth. The bridegroom-to-be is a veteran of the last war. . . . Ag Eco '46 graduate R. R. Anderson and Jane Steinhurst have planned a Dallas wedding for Sept. 22. The bride-elect is a graduate of the University of Oklahoma where she was a member of Gamma Phi Beta and Theta Sigma Phi.

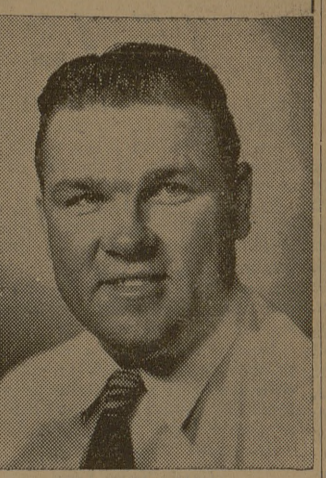

Aggie-ex and former College Station resident Marvin G. Smith, son of Mr. and Mrs. William M. Smith of College Station, will be married soon to Janet Ogden of Kansas City, Mo. The bride-to-be graduated with a major in journalism from the William Allen White school of journalism. She is a member of Theta Sigma Phi. Her husband-to-be, '46 EE, is an electrical engineer with the Western Union Telegraph Co. in Kansas City.

A&M star athlete Darrow Hooper (football, discus, shot put, etc.) and his pretty wife Jeanine were featured in a recent article in their hometown newspaper, The Fort Worth Star Telegram. Darrow is employed this summer with a pipe company in Grand Prairie. He and his dark-haired vivacious wife were back to Aggeland soon where Darrow will begin working out with the football team.

Another addition to the now complete Aggie grid coaching staff, McMurtry is here because of a vow Head Coach Ray George made while at his prior job as assistant coach at Southern California. He said if he ever got a head coaching job, McMurtry would be his line coach, and so he is.

All-American while playing for Army in 1945 and 1946 during the Blanchard-Davis days, Foldberg will coach the ends on the Aggie grid team which will be in practice September 1.

and the privation he suffers, they would realize more clearly the injustice it is hoped will be corrected with this bill. Incidentally, I have tried on several occasions to visit our men in Korea, but have been turned down on each request by the Department of Defense.

This bill would give each officer an additional \$100 per month and each enlisted man \$50 who are actually engaged in combat with the enemy, and it would be retroactive to the outbreak of Korean hostilities. Further, in the case of deceased personnel, the monies would be payable to their beneficiaries. I have not made up my mind about the amounts contained in this bill, but I do believe in the principle therein of special recognition for those who bear the brunt of the casualties.

Legislation Merits Consideration I believe this legislation merits the earnest consideration and support of the House. Since the Korean conflict began, there have been at least eight different attempts to put a combat pay bill before the House for its consideration, and I feel that it is imperative that some action be taken as soon as possible.
