# Mural Golf Score Cards Needed Soon

Qualifiers for the Intramural Open Golf Tournament must have scores turned in to the golf shop of the A&M Golf Course by Friday afternoon at 6, Joe Fagan, pro-manager of the course said this morning.

The entrants are being given all this week to qualify because of the fact some students did not know about it and others have had classes, making them unable to qualify before now.

Each man will be bracketed into a flight where he will play a minimum of one match a week, Fagan said. Prizes will be awarded to winners of each flight he added.

# Texas Geologists Down Dorm 15, 11-8; 16 Wins

By TOM ROUNTREE  
Battalion Sports Staff

Texas Geologists broke last semester's Texas record by defeating Dorm 15 yesterday afternoon 11-8 in a Mural softball game.

Texas was first in bats and got the game under way by picking up four runs off four hits in the top of the first. Two of the hits were one-baggers and two were two-baggers. Milton Jistel garnered a one-bagger, Bill Jurch got another single and two-base hits went to John Lipscomb and Dave Harrington. Pat Beard, John Lipscomb and Dave Harrington got credit for the RBIs.

## Dorm 15 Goes One Better

Dorm 15 did a repeat performance only better in their portion of the first with five runs off one hit. Ed Harris was the only man to get on with a hit as Carey Deckard and Bruce Miller were hit by wild pitches; Byrd England and Al Sexton got on with errors; Don Hester, Lane Bowden and Lynn Miller got a trip gratis as they made it on walks. A four run lead was acquired by

the Dorm 15 players by scoring three more runs in the second. England got a one bagger and came on in later to score; Sexton made it with a walk and Dolph Moten made it with an error.

After the second inning, the combination of Texas' fielding tightening up and Dorm 15 pitching loosening up enabled the men from the "Lower 40" to have things all their own way. Dorm 15 got only six men on base in the last four innings of play and four of these were on walks.

Texas went on to win with four more runs picked up in the third, one more in the fifth and two more in the sixth.

The game ended with Texas 11 runs, 9 hits, 3 errors and Dorm 15 8 hits, 8 runs and 2 errors.

Dorm 15 Pitcher Bruce Miller walked 11 men and struck out 7 while Texas Pitcher Tony Buckley walked 9, struck out 1 and beamed two.

## C Downs D in Fish Game

C Co. swamped D Co. yesterday afternoon in the freshman softball league 18-4. C Co. went wild in the first innings and racked up 12

runs to take an early and a decisive lead. D Co. was able to sneak three runs across in the third and another in the fourth. C Co. pushed four more runs across in the second and two more in the third.

## B Blanks A 4-0

B Sqn. came through in the clutches yesterday afternoon to down A Sqn. 4-0. The game rocked along with both teams using their portions of the innings in placing three up and watching three go down in almost every instance until the fourth when B Sqn. pushed Nedbalek, Labowitz, Bray and Gonzales across the home plate.

Milner took a drubbing from Dorm 16 in the other non-military softball game yesterday afternoon 10-1.

Bruce Priett got credit for the win and Wert Love the defeat. Bizzell drew a forfeit in the only scheduled volleyball game when Vet Village failed to show up.

Michigan State southpaw pitcher Don Quayle, appearing in a relief role against Western Michigan, fired three pitches to retire three batters.

# OUR NATIONAL SECURITY HANGS IN THE BALANCE!

The job of reorganizing government machinery must be finished at once

In 1916 the cost of national defense was \$2.25 per capita. By 1938 it was \$8.00, and in 1948 it had jumped to \$100.00. Now the cost of defense is fast approaching \$200.00 for every man, woman and child in the nation.

Faced with such an increase, it's easy to see the need for maximum efficiency in government operations. Yet the Hoover Report disclosed that the government was borrowing money from itself and paying interest on it and that no basic change had been made in the organizational structure of a certain Department since 1835!

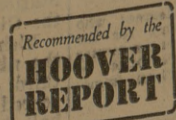

Today, 50% of the bipartisan Hoover Report recommendations have been enacted into law. Although they've made a big start in the important job of modernizing government machinery and have cut waste by billions of dollars annually, there's still much more that must be done.

Now the rest of the Hoover Report recommendations are before Congress. If these beneficial acts are passed, they will put our government in fighting trim to face any eventuality and save billions more.

Here's what you can do. Send today for your copy of the FREE booklet, "Will We Be Ready?" This booklet gives the rousing story behind the Hoover Report—the startling facts it disclosed—the wonderful progress it has made. With it you will be well prepared to work for better government—to help finish a job on which our National Security may well depend.

Will we be ready?

The job of reorganizing our government must be finished immediately BEFORE IT'S TOO LATE!

# Barber Falls In Semis At Brady Jaycee

In the Brady Jaycee Golf Championship this past week-end, Miller Barber, a sure-fire member of next Spring's golf team, was defeated in the semi-finals by Wallace Martin, Kerrville.

Martin, who went ahead to the finals where he was stopped by Chuck Ribelin of Dallas, eliminated Barber 1-up in 20 holes when he fired a birdie three to Barber's par 4 to cop the hole and the right to play in the finals.

Barber had advanced to the semi's by shooting a 68, four under par, to cop second place in the qualifying round and in his first match was three under par in eliminating Hardy Lauder milk, Abilene, 2 and 1. He trampled Josh Billings, also of Abilene, 5 and 4 to advance to the semi-finals where Martin took him.

Barber, winner of several major tournaments—his last being the Uvalde Open, two weeks ago—will go to McKinney, on Aug. 2, 3 and 4 to compete in that tournament. Some of the top ranking amateurs of the state are expected to be there, Barber said.
