

Sunday Services Scheduled In Eleven Local Churches

Raymond Schkade, student vicar from Brenham will deliver the morning sermon at the Bethel Lutheran Church Sunday at 10:45 Schkade, a native Texan, completed three years of his ministerial education at Concordia Seminary in St. Louis. He will be in charge of services at Bethel Lutheran during the week in the absence of the Rev. William C. Petersen, pastor.

A Walter League picnic supper is scheduled for Thursday evening at 6:30. Other activities include Vesper Services Wednesday night at 7:30 and a meeting of the Sunday School Teachers, Tuesday at 7:15 p. m.

Christian Science Society
The Lesson-Sermon topic for the Christian Science Society which meets at 11 a. m. in the YMCA Chapel will be "Spirit." The Lesson-Sermon points out that spiritual understanding and not physical force gives man power and strength.

St. Joseph's Catholic Church
Confessions will be heard Saturday afternoon from 4 p. m. to 6

p. m. and from 7 p. m. to 8 p. m. and also Sunday morning at the St. Joseph Catholic Church by Rt. Rev. J. B. Gleissner, chaplain. Rt. Revs. Gleissner will be assisted by Revs. Tim J. Valenta and Sylvester Fuchs. Sunday Mass and Sermon will be held at 6:30, 8:00 and 10:00 a. m.

First Baptist
"Christ Receives Sinners" will be the title of the sermon delivered by the Rev. W. G. McDaniels at the First Baptist Church at 10:50 a. m. Sunday. The pastor's evening sermon will be taken from the death of the gambler Herbert Noble.

St. Mary's Chapel
Sunday Mass will be held at St. Mary's Chapel at 9 a. m.

St. Thomas Episcopal
Holy Communion will be held at 7:30 a. m. Sunday at the St. Thomas Episcopal Church. The Rev. O. G. Helvey will deliver the morning sermon at 9:30. Evening prayer will begin at 6:30.

A&M Presbyterian
Sunday school will begin at 9:45

a. m. at the A&M Presbyterian Church. The Rev. Norman Anderson, pastor will deliver the morning sermon following Sunday School.

A&M Methodist
Services will be held Sunday at the A&M Methodist Church beginning at 9:30 a. m. The morning worship will be conducted at 10:30.

American Lutheran
Worship service and Holy Communion will be held at 8 a. m. Sunday at the American Lutheran Church, followed by Church School at 9:15 a. m.

A&M Christian Church
Church School is scheduled to begin at 9:45 a. m. Sunday at the A&M Christian Church. The morning worship will be held at 11 with a sermon by the Rev. Clarence Ketch, minister. DSF Fellowship is scheduled for 5 p. m.

Jewish Services
Jewish services will be conducted in the YMCA Friday evening at 7:15.

Bethel Lutheran Slate Kindergarten Sept. 10

The Rev. Wm. C. Petersen, pastor of Bethel Lutheran Church, has announced the opening of a kindergarten on Sept. 10th. Mrs. Ella Zoch, a teacher of wide experience in elementary education, has been engaged to teach the school.

Since also Christian principles and Bible Stories will be taught, the school is for members of Bethel Lutheran Church and children of non-members whose parents desire them to have some religious training along with the accepted kindergarten curriculum. Bethel Lutheran's Board of Education has laid down definite guide lines as to the courses to be taught in which suggestions of the Public School System are followed. The school is to properly prepare the children for entrance into the first grade.

Mrs. Ella Zoch has had many years of experience in teaching lower grade pupils and comes well qualified as a Kindergarten teacher. She attended SWTTC at San Marcos and the University of Houston. She has taught first and second graders for eighteen years

Bryan AFB Headquarters Readied for First Class

The Air Base Group of Bryan Air Force Base has set up headquarters in a new building and is in the process of completing their organization in time to meet the first class of aviation cadets late in September.

The group is under the command of Lt. Colonel Albert R. Weaver, Corinth, Miss., a veteran of 19 years in the Air Force.

In Photo Group
Col. Weaver was with the 3rd Photo Reconnaissance Group in North Africa, the first photo group to go overseas in World War II.

In 1944 he was appointed Staff Photo Officer for the 20th Bombardment Command under Maj. K. B. Wolfe when the then new B-29 Command went to India. He was based in India and flew combat photo missions with the 20th in China and Japan.

Before coming to Bryan Col. Weaver was stationed at Albrook Air Force Base in the Canal Zone. The Air Base Group is made up of four squadrons and is designed to maintain the installation, have charge of feeding the men, and maintain security of the base.

Adjutant of Air Base Group is

Captain Roger L. Turcotte, Malboro, N. H.

Graduated From Williams AFB
Capt. Turcotte graduated from pilot training at Williams Base, Ariz. in May of 1944 and went to the European Theatre of Operations for 30 months, returning to the United States in May, 1947.

From May of 1947 until he came to Bryan this July, Capt. Turcotte was an administrative officer and airman at Langley Air Force Base, Va. Capt. Turcotte reenlisted as a sergeant in 1950 and was recalled to active duty as a captain in 1951.

The Air Base Group personnel officer is Lt. Thomas W. Chambers, Pagosa Springs, Colo. Lt. Chambers was a member of the active Air Force reserve, and ordered to active duty this July, and assigned to Bryan. During World War II he served in the European Theatre for two years.

Air Base Group functions include Food Service, Air Police, Information and Education, Special Services, and Air Installations.

Food Service Squadron
The Food Service Squadron and the dining halls of Bryan Air Force Base are under the supervision of Lt. Luther J. Renfrow, Los Angeles, Cal. At the peak of manpower at the base, Air Base Group will have seven dining halls in operation. At present there is only one, with another due to open soon.

Maj. Thaddeus F. Peters is the Air Provost Marshal at BAFB. He is a veteran ground forces officer, and is the direct supervisor of the security of the base.

The Information and Education office under Air Base Group makes education possible for all men in the service through correspondence courses, and through actual residential work where schools are available in the vicinity of the base. The I and E officer is Lt. Phil D. Garey, and the non-commissioned officer in charge is M/Sgt. Gerald Plant.

Special Services maintains a recreation program for all personnel on the base, and for their dependents where it might be applicable.

Recreation
This recreation includes individual participation, and base teams to represent BAFB against outside competition.

The Air Installation section maintains the base facilities, the upkeep on its buildings, and is the project coordinator for any construction on the base.

Lt. Col. Maceo Falco is the Air Installations officer, and commanding officer of the air installations squadron. A few of the departments under the supervision of Falco is heating and ventilation, water supply, carpentry, plumbing, and plans and illustration.

The headquarters squadron is scheduled to be under the command of Lt. Nelson R. Moore.

Col. Weaver and his staff are presently building their organization up to strength needed to maintain the base in a high standard.

Health Unit

(Continued from Page 1)
general fund, and the amount is set by the constitution—25 cents for every \$100 property evaluation in the county. The general fund has been budgeted to the limit, he added.

Commission's Stand
Taking a stand for the Bryan city commission's action is slicing \$8,075 in appropriations to the unit, Mayor Adams said that three towns, Midland, Big Spring and Baytown, which are comparable to Bryan, spent less than \$10,000 (the amount which Bryan appropriated) toward the support of a county health unit.

Dean Barlow asked the mayor to what extent Bryan could afford to do without the services to the health unit. After brief discussion it was generally agreed that if a health unit did not exist, Bryan would have to hire a sanitarian at a salary of \$4,220, an inspector for milk and meat for \$3,488; \$2,400 would have to be appropriated for mosquito and fly control, and another \$1,000 for traveling expenses for the employees.

After adding \$3,600 for a veterinarian, the total cost would be in the neighborhood of \$14,708. Dean Barlow said. Mayor Adams and City Manager Thomason, however, maintained that the city could "get along" on \$10,000 if it became necessary.

The possibility that the state will adopt Dean Barlow's suggestion is considerably greater because of Bryan Air Force Base, said Ernest Langford, mayor of College Station and chairman of the committee.

Thundershowers at Big Springs

(Continued from Page 1)
expected in the Dallas-Fort Worth area Friday afternoon and night.

At Big Spring, a thundershower dropped the temperature from 98 at 6:30 p. m. to 76 by 8:30. Towering cumulo-nimbus clouds that contained lightning could be seen from Dalhart, in the upper Panhandle, and thundershowers were considered likely in that section.

Presidio Registers 111
The highest temperature in Texas Thursday was a scorching 111 at Presidio, in the Big Bend country. Wind reported 108 and 105 was registered at Cotulla, Big Spring and Fort Worth had a high of 104. It was 103 at Mineral Wells, Midland, Waco and Laredo. Dallas, Wichita Falls and College Station reported 102. Lufkin, in East Texas, had 101, and San Antonio and Austin had highs of 100.

Evening temperatures behind the cool front were cooler. At 8:30 p. m. it was 76 at Childress, Big Spring and Midland. Just ahead of the cool front, Abilene had 93 at 8:30. In the Panhandle, Amarillo reported 80 degrees. The temperature at Lubbock was 84 and Dalhart registered a 79.

On Wednesday more than 25 points in the state had reported temperatures of more than 100 degrees. Presidio was the hottest spot with 114.

Wednesday Denver City in the Western part of the state had a half-inch of rain. Many areas to the South and Southwest of Lub-

bock had good showers. For the rest of the state, however, it was the same it's been for the last two weeks—hot.

The current Texas heat death toll now shows six in Dallas, five in Houston, two in Fort Worth and one each in Austin, Sherman, Wichita Falls, and Denison.

Crops and pasture lands shriveled under the intense heat. State Agricultural Commissioner John White said that if the heat wave continues the Texas cotton crop will fall a million bales below the 5,000,000 forecast for the state made yesterday by the U. S. Department of Agriculture.

TRACKS ON THE RIVER

There was a day when the railroad ended at the river. Cars were unloaded, freight was transferred to the river boats. Then across stream, cars were reloaded and the railroad continued its trek to the next river.

But man discovered how to lay tracks on the river. With the coming of the train barge, freight stayed on the rails and was guided across the river.

In everyday life there are countless obstacles which seem to defy human ingenuity. A man is tempted to abandon the "tracks" he has followed, believing he cannot go on.

But usually the solution to these problems is just as simple as "laying tracks on the river." Stay on the rails and be guided across. The Church will help you live by Christian principles. And in the face of a crisis, be true to those principles and depend on the guidance of God.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH
The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
