

Bizzell Takes Over First Place on Win

By TOM ROUNTREE
Battalion Sports Staff

Bizzell Bears moved into undisputed first yesterday after downing Dorm 16, 4-2, in an intramural softball game.

Neil Baxter led off for the Bears and managed to get hit by a pitched ball to get on first. Louie Belinsky batted next for the boys from the International Settlement and got a single. A fielder's choice got Dick Edgar on base at the same time that Baxter was forced out at third. Dave Sheffield and Mack Howell flew out to left and second, respectively to retire the side.

One, Two, Three—Out

Dorm 16 had three up and three down in their portion of the first. Groff and Lenzen grounded out while Harris popped out to first. First tally of the game went to the Bears as they scored in the top of the second. Boo "Digger" Broussard was the first man at the plate in the second. Broussard waited out Bruce Pruett, 16 pitcher, for four balls to get to the first base marker. Clark Edwards hit a ground ball to second where "Digger" was forced out and Edwards got on base with a fielder's choice. Baxter was the hero of the inning as he drove Edwards on in to score with his single.

Mueury Walks Hovel

Hovel got on base for 16 in the second when Mueury gave him four balls. McKeenolds was the next

man up for 16 and hit a pop up that was hauled in by Edgar who flipped the ball toward first base where Edwards caught it and put Hovel out. A high fly by Chapman went into deep left field where it was plucked by Broussard to retire the side.

Three up and three down was Bizzell's record in the top of the third. Edgar and Howell grounded out while Sheffield flew out to left where Armstrong was waiting with open arms.

16 Copies Bizzell Action

Dorm 16 copied Bizzell's actions in their portion of the third as they also put up three men only to watch them rack up as many outs. Pruett proved a sucker for Mueury's high ball and Groff and Nance grounded out.

First and only runs for 16 came in the bottom of the fourth. Lenzen got things under way for Dorm 16 by socking a Mueury pitch over Baxter's head in center field to gain the longest hit of the game—two bases. Harris was the next 16 batter and got on base while Edgar, Bear first, wrestled with the ball in the infield dirt. The ball went the match. McKeenolds was thrown out at first when he hit a ground ball to third but Lenzen went in to score Dorm 16's first run of the game on the play. Credit for a RBI went to Armstrong as Harris crossed the plate when he got a bingle. Harris's run was 16's final run of the game.

Bizzell Racks Up Pair

Bizzell picked up two more runs in the top of the sixth. Baxter got credit for another RBI when he picked up a single and knocked Alvin Aaronson in home. Warren Mueury made it across the plate when Dorm 16 first, Morris let Belinsky's grounder leak between his legs into right field.

Final and fourth run for the Bears came in the top of the seventh. Credit for the RBI (run pitched in when hit by pitched ball) went to Pruett, 16 pitcher, when he dusted off Aaronson with one of his pitches with the bases loaded.

When the dust had settled, game statistics went Bizzell five hits, four runs, three errors and Dorm 16 four hits, two runs and three errors. RBIs: Baxter two, Armstrong one and DP's Edgar to Edwards and McKeenolds to Harris. Errors: Edgar, Harris, Hovel, Pruett one and Sheffield two.

Happy Tanker

Dick Weick

Flashing a victory smile, Weick could rightly do so as he set a record in the men's 110-yard breaststroke of 1:17.4 at the Texas AAU Swimming Meet at San Antonio Saturday and Sunday.

Weick, Adamson Spark CS Tankers at Weekend Meet

Dick Weick and Van Adamson sparked the seven member College Station Swimming team, tutored by coach Art Adamson, to a third place in the men's division and a fourth in the women's division in the AAU Swimming Meet held in San Antonio this past weekend.

There were almost two hundred contestants composing a dozen swim clubs competing in the two day meet.

The San Antonio Aquatic Club won the women's division and Colcrest Swimming Club of Houston took the men's division. No over-all championship award was made.

In the women's division Kay Parnell garnered a second place in the women's 220-yard free style and the women's 110-yard free style. Miss Parnell also placed third in the women's 880-yard free style and was on the women's 330-yard medley relay which came in fourth.

Tribe's 9th Inning Rally Nips Pirates

A last-half-of-the-inning-double by Barney Welch which scored C. J. Gerard from second after two were out, provided the Indians with a 9-8 victory over the heretofore undefeated Pirates in a College Station Summer Softball League game yesterday.

It was the first time the Pirates had been beaten since the Tigers turned the trick in the first half of play.

In the other game played yesterday, the Tigers and Giants battled to a 10-10 deadlock, called after five innings because of darkness.

Traveling by Air

Hogs Still Trying to Revive Hold on Aerial Supremacy

The great pass-receiving days of Jim Benton and Ray Hamilton have long since passed at Arkansas but the Razorbacks still haven't given up the idea of picking up yardage on the gridiron the easy way—via the air.

Fourteen years and five head coaches later, the Razorbacks of 1951 could quite conceivably come up with a recurrence of the fabulous aerial game that made Arkansas "the passingest team in the nation"—a title they still claim.

No Danger

Arkansas' chances of breaking its own national collegiate record of 398 pass attempts in 1937 (and 2,905 yards) isn't exactly in jeopardy of being surpassed by the "upstarts" of '51, but present indications are that this year's squad may come as close to that mark as any Razorback team has since that time.

Leading this expected assault on enemy airways and counted upon to carry the bulk of the attack are two fast, elusive pass receivers—Pat Summerall, co-captain of the '51 squad and Bill Journey. Coincidentally, both men are out-of-staters.

Summerall hailing from Lake City, Fla. and Journey a Kansan from Coffeyville.

Quite Opposites

Quite the opposite in size, the two are tabbed by head football coach Otis Douglas as "outstanding college ends and potentially great pass receivers." Summerall at 6-3 and 225 pounds dwarfs the smaller 6-3, 190-pound Journey. Summerall, with speed despite his tremendous frame, is a terror at shorter, "over the middle passes that call for height, big clapping hands and a dynamic power to bowl over opposing backs.

Journey earns his plaudits with terrific speed and agility for snaring longer passes. In track as a sprinter, he's cruised the 100-yards in 9.9 seconds, while a muscular build enables him to also double in the shot put.

Summerall, All-State in high school as a basketball player, is a member of the Razorback class varsity also.

Given a fair opportunity to grind out yardage with a wide assortment of pass plays and a trio of capable passers in senior Jim Kinehart and sophs Ralph Trillett and

Lamar McHan, the twosome can be expected, with the help of other ends and backs, to far outdo Arkansas' 1950 effort.

Local Tennis Stars Lose in Finals Play

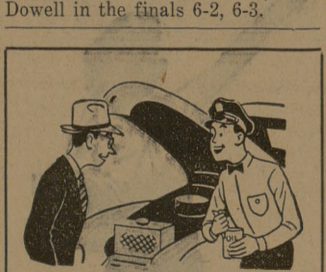

The College Station netters returned from the Navasota Invitational Tennis Tournament without any trophies but they had men in both the doubles and singles finals.

Billy Blakely of College Station defeated Dickie Dowell of College Station in the quarter finals, 6-3, 3-6, 6-1. Tommy Terrell of the local team won over Blakely, 6-2, 6-1 to enter the finals against Billy Proctor of SHSC who was the champion sending Terrell down 6-4, 8-6.

Tom Thompson reached the quarter-finals but was eliminated by Sonny Ayres.

In the doubles Col. E. F. Sauer and Terrell gained the semifinals by winning over Richard Spence and Henry Small, but were eliminated in the semifinals by Blakely and Dowell who went into the finals.

Thompson and Bill Yardley were defeated in the semifinals by J. C. Swanson and Bonham 9-7, 8-6 who went on to defeat Blakely and Dowell in the finals 6-2, 6-3.
