# Rice No Pushover; Trinity Will Be Better Than in '50

By ANDY ANDERSON  
Battalion Sports Editor

(Editors Note:—Since this is to be the second from last issue of The Battalion, we are forced to cram two 1951 football outlooks into this column. We finally received information from both Rice and Trinity but as yet, have to hear from Baylor, Oklahoma and Arkansas. In the final article tomorrow, we will deal with The University of Texas.)

Sports Director at the Institute, Bill Whitmore has compiled a rather complete brochure and it is from this information we are basing our article.

Football at Rice Institute in Houston is on the upgrade after a rather dismal season in 1950 when they lost four games in Conference play to wind up in fifth place, tied with SMU.

From the standpoint of experience, Rice is almost completely without as they have only 16 lettermen returning and only eight of them are seniors. The Owls will have to depend on youth to furnish the bulk of the team and count on 60 percent of the team being composed of sophomores.

The team will be built around these white seniors and with an exceptional freshman team last year, most of which showed great promise in Spring drills, Neely could come up with a first class team that might finish higher than the sixth or seventh spot for which most of the sports writers have them pegged.

Losses from the 1950 team were not as great in numbers as from the 1949 team but proven manpower lost might well be disastrous. Gone are men like Vernon Glass, Sonny Wyatt and George Glauser from the starting offensive backfield; Lee Stonestreet, Ike Neumann, Paul Giroksi, Bob Winship and Frank Allen—all linemen regulars.

### Owls To Use Standard T-Formation

In the past, the Owls will employ the standard T with man-in-motion and pitch-out plays being of top choice by the quarterbacks. More than likely, the type of play will be framed around the small, fast, elusive backs who have speed to burn. This will enable them to get loose for long runs rather than try to blast through the line.

Soph fullback "Kosse" Johnson is the only real line-smashing type around. The offensive backs generally are quite a bit faster and quicker than the '50 crew, but lack the know-how of that veteran group.

Billy Burkhalter is the only bona fide backfield offensive regular returning and in Spring training he switched to a new post of fullback part of the time in an experiment.

The replacement for Glass at the quarterback post is rated a tossup with the battle among four men with possibly Leroy Fenstermaker having the edge, based on performance in Spring workouts.

The defensive line looks pretty good as the numbers and size indicate. They will be both larger and greater in number than in 1950. Although inexperienced men

are in line for the jobs on the defense, line coach Joe Davis, with his new assistant Dell Morgan who was head coach at Texas Tech last year, will more than likely come up with a powerful wall, capable of stopping most ground attacks.

The defensive backfield is causing most worries in the Rice camp and it is here that most of the time will be probably be devoted. Three or four men played a little on defense last year but showed little promise at knocking down enemy aerials due to lack of height. Backfield coach "Pappy" Grigg has his work cut out for this fall in teaching defense.

In the kicking department it looks like Johnson, the sophomore, will likely win out over Billy Burkhalter, Don Drake and Buddy Grantham. Fenstermaker may get the conversion job although in Spring drills he was inconsistent, missing four straight one week and then converting five out of five the next week. Left-footed Sammy Burk might win the job in the fall. Soph Brooks Ziegler is in line for the kickoff duties. He booms them out a long way though not very accurate.

Date	Opponent	Time	Place
Sept. 29	Clemson	8:15 p. m.	Houston
Oct. 6	LSU	8 p. m.	Baton Rouge
13	Navy	8:15 p. m.	Houston
20	SMU	8 p. m.	Dallas
27	Texas	2 p. m.	Austin
Nov. 3	Pittsburgh	2 p. m.	Houston
10	Arkansas	8:15 p. m.	Houston
17	A&M	2 p. m.	Houston
24	TCU	2 p. m.	Ft. Worth
Dec. 1	Baylor	2 p. m.	Houston

### Trinity Should Be Better Than in 1950

Former Aggie Line Coach W. N. "Bill" James hopes for a much improved team over the 1950 aggregation that won five, lost four and tied one.

"There is sounder execution of fundamentals, greater depth in manpower and more experience. The line play is expected to improve and the backfield, from present indication, is almost, if not quite, on a par with last year's," Coach James says.

Trinity, which has an enrollment of about 1,100 students, is looking for approximately 45 varsity candidates to report for training on Sept. 1.

"Uncle Bill" will have, returning and new inclusive, eight ends, six tackles, four guards, one (2) center and 11 backs of more or less experience, plus some additional candidates as yet unclassified and untried.

The 1951 team as a whole is fairly well experienced. Nineteen lettermen are expected—or hoped for; five ends, four tackles, three guards and six backs, but with slight prospect of a seasoned performer at center.

Tiger speed, although not speed merchants, is expected to be furnished by Klaus, Timm, Meyer, Schott and Scallorn.

Glenn Scallorn, a two-year letterman blocking back will again call the plays that make the team function with Skippy Jobson, a three-year numeral winner calling the defensive setup.

The passing game appears "just fair" with Dalton Klaus probably tossing the long ones and J. R. Nail, lobbing the short ones. Klaus will handle the booting chores as well.

Backfield candidates seem to be capable enough but lack the needed break-away spurt that is required to get the job done in a hurry. The pass defense is questionable.

Trinity's Tigers or the Maroon and White as some call them, are more experienced in the forward

## Trinity Backfield Aces

Left to right, Dalton Klaus, tailback; Dan Newbury, tailback and Bobby Maddox, fullback will comprise the probable starters with Glenn Scallorn when Oct. 13 rolls around. Klaus, a senior from Cuero is expected to furnish the power for the Trinity squad while Newbury and Maddox will furnish the speed for the Tigers.

Glenn Scallorn

The Trinity University's top signal caller, Scallorn will probably be in the starting lineup when the Tigers and the Aggies clash under the lights in San Antonio on Oct. 13.

## Tigers Win 2; Take Second Place Tie

Co-holders of second place in College Station Summer Softball League are the Tigers who yesterday afternoon won two decisions from the Giants to command that position.

In a game that was a continuation of a 10-10 tie, halted last Monday by darkness after five innings, the Tigers scored one run in the eighth inning to gain a 11-10 decision.

The second tilt, held to five innings by darkness also went to the Tigers by an 8-6 count. Bill Campbell was charged with both losses while the wins went to Curtis Holland.

Final standings showed the Pirates in front with 8-1, the Tigers and Indians deadlocked with 4-5 records and the Giants trailing in the cellar with a 2-7 won-loss record.

Recently in one of the San Antonio papers, one of the sports-writers posed the question "Can Trinity upset the Aggies?" Going out on a limb at this early stage we predict the score of the contest to be 34-7, A&M in front.

# Swimming Club Water Carnival Opens Tonite

By RAY RUSHING  
Battalion Sports Staff

The College Station Swimming Club will hold its annual Water Carnival at the College Swimming Pool tonight and tomorrow night beginning at 7:30, swimming coach Art Adamson announced today.

All swimming classes will be divided into two teams, one being called the maroon team and the other the white team.

Tonight's entries will be made up of members of the low beginners C class, low beginners B class, half the advanced and competitive classes and the high beginners.

Wednesday's entries will be made up of members of the low beginners A class, low intermediate B class, high intermediate class and the remaining half of the advanced and competitive classes.

The purpose of the carnival is to let the parents and interested people see what the swimmers are taught in class as well as entertainment, Adamson explained.

### Races And Comedy

Five races, a diving exhibition and two comedy acts will be featured at each night's exhibition. Tonight, boys 13 and under will swim two lengths backstroke and two lengths breaststroke. Girls, 13 and under will swim two lengths

free style. Boys' 11 and under will swim one length freestyle and girls 11 and under will swim one length backstroke.

In Wednesday's events, girls 13 and under will swim 2 lengths backstroke and two lengths breaststroke. Boys 13 and under will swim 2 lengths freestyle, while girls 11 and under will swim one length freestyle and boys 11 and under will swim one length backstroke.

### Ribbons For The Winners

Ribbons will be given individual winners for first, second, and third place, Adamson said. The majority of the classes will swim relay races.

Entries should be made by the individual swimmers to Bill Hale at the swimming pool, Adamson concluded.

### Placed Third at Junior Olympic

Ann Copeland, Martha Ergle, Nancy Hale, and Kay Parnell paced the College Station Amateur tankers last Wednesday and Thursday at the Junior Olympic Swimming Meet in Houston to bring home third place honors for the team.

The girl's 150 yard medley relay team composed of Marilyn Floeck, Miss Ergle, and Louise

Street took third place as Miss Copeland won fourth place honor in the girls 100 meter backstroke.

Miss Hale won fourth place in the girls 50 meter freestyle, girl 50 meter breaststroke, while Pet Hickman took third place honors in the boy's 50 meter backstroke.

### Miss Parnell Sets New Record

Miss Parnell copped first place honors in the girls 50 meter freestyle by setting a new junior record in the event with a time of 33.4, and Wally Penberthy added extra points by taking second place in the boy's 50 meter breaststroke.

In the boy's 200 meter freestyle, John Robert Smith took sixth place honors for College Station as Miss Ergle and Miss Street won second and fourth place honors respectively in the girls 150 yard individual medley.

Miss Copeland was tied for third place honors in the girls 400 meter freestyle by Joan Hertz of Tyler.

The boy's 150 yard relay team composed of Joe Steen, Albert Stevens and Hickman took second place while Tom Barlow came in fifth in the boy's 100 meter backstroke.

Stevens won the only diving honor for College Station as he (See CARNIVAL, Page 4)

Do you have Series E Defense Bonds coming due this year?

# Here's a money-earning opportunity for you

Now—a new law lets your maturing Series E Bonds go on earning for you ten years longer! And you don't have to do a thing!

ARE YOU one of those patriotic citizens who began buying—and holding—Series E Bonds back in 1941? Now your government is going to reward your faith with a chance for your bonds to earn extra money—over and above what you'd expected!

According to the bill passed by Congress last spring, it is now possible for your United States Series E Bonds to continue earning interest ten years longer than was originally planned.

Therefore, if you started an automatic bond saving plan, and helped your country at the same time, you can look forward to ten years more of effortless earning from the bonds you bought!

For example, a Series E Bond which cost you \$18.75 in 1941 will pay you \$25 in 1951. But

if you hold that bond ten extra years, until 1961, it will pay you \$33.33, an average interest of 2.9%.

And there is nothing for you, as a bond holder, to do. You need not exchange the bonds you have. You need not sign any paper, fill out any form. You simply keep your bonds as you have been keeping them.

You may still redeem any Series E Bond at any time after you've owned it for sixty days. (The tables on this page show what you can get for it.) But, unless you really need the cash you're much better off to hold your bonds; they are a paying method of saving. Bonds are safer than cash! Cash is too easily spent on nonessential things. And if you lose or accidentally destroy it, you're out that much money. But when you have cash in Defense Bonds, you're more apt

to hold on to it. And if your bonds are lost or destroyed, the Treasury will replace them for you at no cost or loss to you.

The cash you have in bond savings is safe and solid; and it's steadily growing toward a sum big enough to buy something really worth while when the proper time comes—a home, a business, a retirement fund, an education for your children.

So if you have bonds coming due, take advantage of this new offer of your government—just sit back and let them go on making money. Meanwhile keep adding to your savings by buying more United States Defense Bonds regularly—through the Payroll Savings Plan where you work or the Bond-A-Month Plan where you bank.

Here's how Series E Defense Bonds earn the first 10 years

Maturity value	\$25.00	\$50.00	\$100.00
Issue price	18.75	37.50	75.00

  

Period after issue date	Redemption values during each year		
1 year	\$18.75	\$37.50	\$75.00
2 years	19.00	38.00	76.00
3 years	19.25	38.50	77.00
4 years	19.50	39.00	78.00
5 years	20.25	40.50	81.00
6 years	20.75	41.50	83.00
7 years	21.50	43.00	86.00
8 years	22.50	45.00	90.00
9 years	23.50	47.00	94.00
10 years	24.50	49.00	98.00
Maturity value (10 years from issue date)	25.00	50.00	100.00

Now look how your maturing bonds go on earning under the new law!

Original maturity (or face) value	Issue price					
	\$25.00	\$50.00	\$100.00	\$200.00	\$500.00	\$1,000.00
Issue price	18.75	37.50	75.00	150.00	375.00	750.00

  

Period after issue date	Redemption values during each year					
	11 years	\$25.31	\$50.62	\$101.25	\$202.50	\$506.25
12 years	25.94	51.87	103.75	207.50	518.75	1,037.50
13 years	26.56	53.12	106.25	212.50	531.25	1,062.50
14 years	27.19	54.37	108.75	217.50	543.75	1,087.50
15 years	27.81	55.62	111.25	222.50	556.25	1,112.50
16 years	28.44	56.87	113.75	227.50	568.75	1,137.50
17 years	29.06	58.12	116.25	232.50	581.25	1,162.50
18 years	30.00	60.00	120.00	240.00	600.00	1,200.00
19 years	31.33	62.67	125.33	250.67	626.67	1,253.33
20 years	32.67	65.33	130.67	261.33	653.33	1,306.67
Extended maturity value (20 years from issue date)	33.33	66.67	133.33	266.67	666.67	1,333.33
