TU to Have Most Of '50 Squad Back Under New Coach

By ANDY ANDERSON Battalion Sports Editor

(Editor's Note: With this, the last regular edition of The Battalion and our last article for the paper, we thought it appropriate to give forth with football information on ye old arch rival, The University of Texas, better known as TU.)

Looking forward to the opening of grid practice on Sept. 1, TU will have most of the 1950 squad back under the tutelage of Ed Price, the coach named to replace Blair Cherry after last fall.

Price is introducing the Split-T formation for the first time this year and according to reports after Spring training, it did not go over too well. But as usual, Texas will probably come up with one of the strongest teams in the conference although most of the sportswriters are picking them for either the second or third spot in the SWC race this fall.

Price will have a job replacing most of his offensive starters, lost by graduation and one by signing a pro baseball contract. He will be looking for replacements for All-American Bud McFadden, Ken Jackson, Ben Proctor, Dick Rowan, Gene Vykulak, Bubba Shands, Lew Levine, Joe Arnold, Billy Porter, Jim Pakenham, Johnny Alfred, Bob Rickman, George Gentry and Ben Tompkins who signed a baseball contract, only to be drafted almost the moment after he inked the pact.

McFadden, incidentally, was named the outstanding player of the All-Star-Cleveland Browns massacre last Friday night in Chicago, won by the pros, 33-0.

TU Will Have Stars Galore

Texas will abound with stars—men like Byron Townsend, Gib Dawson, Bobby Dillon, Dick Ochoa and a host of others in the backfield. In the line they will have, Don Menasco and Tom Stohlhanske at the end slots; Bill Wilson and Jim Lansford at tackles; Don Cunningham and June Davis at the guard positions with probably Jack Barton at the center post.

Probably the largest job Price will have is finding a man to replace Tompkins at the man-under role. An altogether different type of play, the Split-T requires a man who can either run, pass or fake handoffs and they had that in Tompkins.

Best bet to take Tompkins' role is either Dan Page or T. Jones. Page is a senior with one varsity letter while Jones also owns one letter although only a junior.

Big, seasoned blockers up front will be missed when TU starts trying to put together a strong ground game. This might be further toned down by lack of a major threat overhead. There will be less emphasis on passing in the split-T

ermakers of Purdue, who last fall, after upending mighty Notre Dame in a 28-14 upset, failed to win but one other game. This will probably be the easiest game on the Texas slate. Following the Purdue contest, Texas takes on North Carolina and follows up the next weekend in Dallas against Oklahoma, always counted on to come up with a rough team. The six weeks following will find the Longhorns defending their 1950 SWC title in what should prove to be the greatest year in the Conference.

Editor Sticks Neck Out

Since this is my last article for The Battalion, I am going out on a limb and try to second-guess the second-guessers as to the outcome of the 1951 SWC football race. This is the way I see them: Baylor (1), A&M (2), Texas, TCU and Arkansas (tied for 3), SMU (6) and Rice (7).

Look for the Aggie's hardest game to be with Arkansas in Fayetteville. The Hogs will have advantage of being underdogs—it's homecoming day for them and as will be the case in every game the Aggies play, they will be laying for the pre-season favorites.

A-Odd College View Softball Champs

Bill Hartsfield hurled A-Odd and six weeks as both teams wound to an 11-3 victory over C-Odd yesterday afternoon as the champion of College View softball was determined.

These two teams met to determine the champion of Summer Intramural softball in the College View area. C-Odd won the championship of the CV area for the first six weeks and A-Odd was victor for the semester just ending.

Feller First 20-Game Winner; Giants Stretch Skein to Ten

By Associated Press

Bobby Feller has reached the second of three goals set before the start of the 1951 season.

The 32-year-old righthander of the Cleveland Indians set 20 victories, a world series triumph and a no-hitter as his prime targets for the season. He got his no-hitter against Detroit on July 1. Feller realized his second ambition last night as he became the major's first 20-game winner and the way the Indians are traveling these days he stands a good chance of attaining the other.

Indians Triumph 6-0

The no-hit master pitched the Indians to a 6-0 triumph over the Washington Senators and preserved Cleveland's one game edge over the runner-up New York Yankees.

The Yanks hammered the Detroit Tigers, 11-4, while the St. Louis Browns upset the third place Boston Red Sox, 6-4 and the Chicago White Sox defeated the Philadelphia Athletics, 13-5, in other American League games.

Giants Trip Reds 7-4

Meanwhile, in the National League, the New York Giants stretched their winning streak to ten games, beating the Cincinnati Reds, 7-4. The Philadelphia Phils nipped the Chicago Cubs, 3-2, in 12 innings in completing a suspended game of July 22 and then downed the Cubs 4-1, in the regular scheduled night game.

The Boston Braves clipped the Pittsburgh Pirates, 3-1. Rain washed out a game between St. Louis and Brooklyn in the third inning.

Feller allowed only six singles and was in command throughout. It was Feller's first 20 victory season since 1947 and his sixth in 13 seasons—a feat matched by only five other American League pitchers, Cy Young, Walt Johnson, Lefty Grove, Wes Ferrell and Eddie Plank.

The Indians provided Feller with a 5-0 lead at the end of three innings. Harry Simpson drove home the first run and Ray Boone and Al Rosen knocked in the third from Larry Doby ended the scoring with his nineteenth homer in the seventh. The loss was Washington's tenth straight.

Yanks Get 17 Base Blows

Yogi Berra, Gene Woodling and Johnny Mize led the Yanks' 17-hit attack against the Tigers at Detroit. Berra poled his third homer in as many games to open the Yank scoring. Woodling drove home four runs on as many hits and Mize featured a five-run fourth inning with a two-run homer. Little Art Schallock scattered seven Tiger hits in going the distance for the first time.

First Fiddle is the only horse to win the \$50,000 Massachusetts Handicap twice.

Bill Nicholson walked with the bases loaded and none out in the twelfth inning to force home Philadelphia's winning run against the Cubs to complete the suspended game. Bubba Church was the winner and Monk Dubiel was the loser.

'Sailor Bob' Favored to Win Light-Heavy Crown Tonight

New York, Aug. 22—(AP)—Joey Maxim risks his light heavyweight title for the first time tonight against powerful Irish Bob Murphy and the odds are 5 to 7 the champion will become the sixth boxing king to lose his crown this year.

Rising support for the strong, hard-hitting challenger may boost the price favoring the California redhead to as much as 1 to 2 by the time their 15-round scrap gets under way at 8 p. m. (CST) in Madison Square Garden.

When the fight was first made Maxim was installed as a big favorite. The hard-hitting but awkward Murphy figured to be a cinch for the clever champion. But that was before the tall, Cleveland absorbed a thorough shelling from Ezzard Charles on May 30.

This is Joey's first outing since he hasn't showed much improvement over his Chicago form. He has looked very slow afoot in his camp drills and fast footwork is a must for the defensive-minded, counter-punching 175-pound boss. He'll need all his elusiveness to evade the bull-like rushes of the free-swinging San Diego sailor.

The British and European 175-pound champ arrived from London to scout tonight's show and challenge the victor.

Bennett, Anderson, Carroll Cop Honors

Golf champions were named yesterday afternoon in intramural events with the completion of play in the championship, first and second flights.

Joe Bennett and Miller Barber were supposed to meet for the championship flight finals but because Barber failed to show, Bennett was declared winner by default.

In the first flight, Andy Anderson was awarded the first place position when Lester Smith did not make an appearance after two afternoons' wait by Anderson.

In the only flight in which actual play determined the champs, Bill Carroll eked out a 2-up victory over Bob Godfrey after Godfrey had defeated Bill Harris to gain the right to play in the finals.

Winners of the flights will be given intramural medals at the beginning, or soon after the beginning, of the Fall Semester, Joe Fagan, pro-manager of the A&M Golf Course said yesterday afternoon.
