

Maxim Pounds Out Unanimous Decision Over 'Sailor Bob'

New York, Aug. 23—(AP)—Light heavyweight champion Joey Maxim proved he was far from washed up last night as he boxed Irish Bobby Murphy dizzy to retain his crown with a one sided 15-round decision victory over the San Di-

Ciney Red Boss Candidate For Czar's Position

New York, Aug. 23—(AP)—Warren Giles, president of the Cincinnati Reds, confirmed Wednesday he is a candidate for the post of baseball commissioner.

Asked to comment on reports that he had withdrawn his candidacy in favor of Frank Lausche of Ohio the Reds' executive declared:

"There is nothing to it. I have withdrawn from the baseball commissionership."

This was the first word of confirmation from any of the five candidates reported still in the running for the \$50,000-a-year job of running the multi-million-dollar baseball business.

In unofficial reports, Giles had been bracketed with Lausche and Ford Frick, president of the National League, as outstanding contenders for the commissionership.

Major League club owners will meet in a joint session Sept. 20 at Chicago to name a successor to A. B. (Happy) Chandler and all indications are that the important position will go to a man with a baseball background.

It's known that Giles, recognized as owning one of the most astute baseball minds in the sport, ran the strongest race of all in the several test ballots taken at an all-day screening session here Tuesday.

Austin Little Leaguers Gain Semi-finals

Williamsport, Pa., Aug. 23—(AP)—North Austin, Tex., moved into the semi-finals of the Little League world series yesterday by eliminating Portland, Me., 3-1, before 4,300.

With Les Kitchen and Greg Martin hurling hitless ball until the final inning, North Austin sewed up the game in the third with a pair of unearned runs. The South-eastern champions added another

UCLA Grid Story Says 'Fairly Well Fixed' At End

(Note: This is the first of a series of six stories discussing 1951 UCLA football prospects, position-by-position. The end situation is evaluated here; tackles will be featured in next story.)

Los Angeles—(Spl.)—UCLA lost heavily at end by graduation but the Bruins have a sufficient number of talented wingmen on hand for 1951 to indicate Coach Red Sanders' eleven is fairly well fixed at the flanks.

Such seasoned ends as two-time All-Coast Bob Wilkinson, Bob Watson, Don Cogswell and Darrell

Longley Advances In Insurance Field

John B. Longley, member of the Central Texas Agency of the American General Life Insurance Company, has completed three of the five parts of the Chartered Life Underwriter examination. Upon completion of parts D and E he will be designated a C. L. U.

Longley is a part-time teacher of life insurance in the Business Administration department. A native of Giddings, he lives in College Station.

'50 Runner-up Given Lesson By '37 Champ

St. Paul, Minn., Aug. 23—(AP)—The meet's 1937 champion handed a golf lesson to the youthful 1950 runner-up in yesterday's sizzling third round of the Fifty-first National Women's Amateur Tourney which propelled eight players into today's quarterfinals.

Estelle Lawson Page of Greensboro, N. C., who won this blue ribbon feminine show 14 years ago, supplied a convincing age-over-youth touch with a 5 and 4 triumph over Mae Murray, daughter of a Rutland, Vt., pro, last year's finalist.

Polly Riley Dropped Another standout lower bracket triumph was achieved as Mary Ann Downey, Baltimore, Md., pummeled favored Polly Riley, Fort Worth, Tex., veteran, 7 and 6, with a front nine 33 that was four under par at the St. Paul Town and Country Club course.

The day's gruelling double round grind, including second and third round play which involved 24 matches, saw both meet co-medalists knocked out of contention.

Carol Diringier, Tiffin, Ohio, who shared medal honors with 18-year-old Barbara Romack, Sacramento, Calif., Monday with a record-equaling 74, was a third-round victim of Grace De Moss, Corvallis, Ore., 1950 national semi-finalist, 2 and 1.

Texan Wins 2nd Round Miss Romack was a 2 and 1 second round victim of red-thatched Betty Dodd, San Antonio, Tex., who in turn was belted out of the running in the third round by Claire Doran, school teacher from Cockey River, Ohio, 7 and 6. Miss Doran today opposes the 25-year-old Miss Downey, making her third national appearance.

Advancing along with Miss De Moss into the upper bracket semifinals were Dot Kirby, Atlanta, Ga., who played her first national amateur in 1934 as a 14-year-old and still seeks her first title; Edean Anderson, 21-year-old star from Helena, Mont.; and lightly-reckoned Jane Nelson, Indianapolis, Ind.

Miss Kirby, meet runner-up in 1939 and 1947, smothered Pat O'Sullivan, Orange, Conn., rated the East's top contender, 5 and 4, with an opening nine medal of 34, three under par.

The Sugar Bowl record for first downs in one game is 25 set in 1944 by Georgia Tech in a 20-18 victory over Tulsa.

Anton Karl, former pitcher for the Philadelphia Phillies and the Boston Braves, is now pitching for the New York Athletic Club team.

Kirby, who lettered in 1949 but was ineligible last year, is a fine defensive flanker. Jones, who spelled Howie Hansen at wingback last season, has been returned to his old position where he won All-CIF honors at Santa Monica High. Escher, lettered as a sophomore linebacker last year but figures to be a solid defensive wingman in '51.

Adding depth to the end set-up are two improving 1950 squadmen—former center Oran Breeland, 195, a Los Angelesan and Dave Owen, 190, of Pasadena—and a potent junior college transfer—Pete O'Garro, 191, of Santa Barbara.

Pleasant Surprises Breeland and Owen were two pleasant surprises of Spring practice. Both looked aggressive and should see some action. O'Garro, who didn't participate in Spring practice, has the size and speed to be a standout end. He starred at Riverside JC last year and was previously an All-CIF back at Santa Barbara Hi.

Myron Berliner, 170, of Los Angeles and Bob Heydenfeldt, 182, of Canoga Park, Calif., are two youthful candidates who appear to be a year away. Berliner was a fresh first stringer while Heydenfeldt won All-City honors at end for Canoga Park High last year. The latter is a fine punting prospect.

With added experience, the end situation stacks us as satisfactory out UCLA way.

Yanks, Tribe Square Off For Important Three Game Series

By Associated Press Cleveland's electrifying stretch drive for the American League pennant enters another critical stage today as the Indians clash head on with the runner-up New York Yankees.

The Indians, out in front by two games, have three of their aces ready for the invading Yankees, who limped in from Detroit.

Lemon, Wynn, Garcia Ready Manager Al Lopez will shoot Bob Lemon (14-9) Early Wynn (14-11) and Mike Garcia (17-8) against the defending champions. Bob Feller (20-5), of course, is in reserve.

The Yankee pitching plans are not as formidable. Vic Raschi (17-7) will face Lemon today. Jack Kramer (1-3) is scheduled for Friday night's game and Ed Lopat (15-7) is slated to work in the series finale Saturday.

Allie Reynolds (12-7) originally was scheduled to go Friday night, but the fast-balling righthander worked four innings yesterday as the Yanks dropped a 7-6 12-inning decision to the Tigers. Kramer started the game and lasted less than two innings.

The Indians rested their big four yesterday and gambled with rookie Bob Chakales against Washington. Chakales didn't last but the Indians pulled out a 6-5 14-inning victory to increase their lead to two games.

Series Rated Toss-Up New York enjoys a 11-6 edge over the Indians in the season's series. However, the Yanks have won only three out of eight in Cleveland.

Bob Avila homered with two out in the fourteenth off Sandy Cosuegra to give the Indians the

edge over Washington. Dale Mitchell sent the game into overtime for the Indians with a three-run homer in the eighth.

The victory was the Indians' 18th in their last 22 starts and their fifth straight at home. Steve Gromek pitched the last seven innings and allowed only three hits to pick up his sixth triumph.

Johnny Groth singled home George Kell from third with the Yankees. The Yanks jumped off to a 4-0 lead in the first inning and led, 6-3 going into the eighth when Pat Mullin blasted a three-run homer to send the game into overtime. Virgil Trucks permitted only two hits and fanned five in the last four innings to gain credit for the victory.

In other American League games the Philadelphia Athletics swept a two-night doubleheader from the Chicago White Sox, 5-2 and 8-1 and the Boston Red Sox beat the St. Louis Browns, 3-1, in 13 innings.

Hooper Stops Chisox Bob Hooper stopped the White Sox on eight hits in the opener and Sam Zoldak limited Chicago to six hits in the second game. Gus Zernial homered in each game for the A's to boost his output to 27, tops in the American League.

The Red Sox won out in the thirteenth when Brownie Tommy Byrne granted a single and four walks. Byrne walked 16 during the game. Leo Kiely was the winner.

In the National League, the Brooklyn Dodgers captured a day-night doubleheader from the St. Louis Cardinals, 4-3 and 8-7. The runner-up New York Giants ran their winning streak to 11 games by defeating the Cincinnati Reds,

Rodeo Performers Never Moan; Nardiello Fixes 'em

By WHITNEY MARTIN Associated Press Sports Staff of dislocated shoulders were treated. "I've been treating the Ranger hockey team for 17 seasons and have had only three cases of dislocated shoulders."

Only two deaths have resulted from the Garden competition. In 1945 Homer Cook, a soldier performing while on leave, died after being kicked over the heart in a wild horse race and in 1948 Art Smith was thrown in a bareback bronc riding contest and failed to recover from a cerebral hemorrhage.

Dr. Vincent Nardiello, who since 1945 has been doctoring performers in the annual event at Madison Square Garden, knows just what to expect when this year's program starts Sept. 26.

In addition to treating about 25 performers a day in the past six years, he has been called upon to repair such damages as: Fifteen brain concussions, 15 wrist or forearm fractures, 20 rib fractures, 8 leg fractures, 10 torn knee ligaments, six cases of water on the knee, two fractured skulls, 10 fractured collar bones, one spine injury, 15 fractured feet, 10 fractured hands, three fractured shoulders, two knee fractures and dislocations, one broken neck, 15 shoulder dislocations, two elbow dislocations, two fractured jaws and 12 broken, not just fractured, legs.

"One night, in 1948," the doctor says, "three different cases

Walker-Led Lions Arrive for Contest

Dallas, Aug. 23—(AP)—The Detroit Lions arrived yesterday for their game with the New York Giants in the Cotton Bowl tomorrow night.

Featuring Doak Walker, the Southern Methodist All-America the Lions held their first work-out Wednesday night. They will work again tonight.

The Giants have been here since Sunday, holding day work-outs. The game Friday night will be the first exhibition of the season for the two professional teams.

A crowd of 65,000 is expected to be in the Cotton Bowl. At noon today both squads were honored at a luncheon with Morris Frank, Houston Chronicle columnist, as toastmaster.

Whitey Lockman doubled home Al Dark in the eighth inning to break a 3-3 tie and give the Giants the nod over the Reds. Sheldon Jones was the winner in relief.

Robin Roberts blanked the Cubs on five hits for the Phils. The triumph was Robert's seventeenth and his sixth shutout. Sibby Sisti scored the Braves' winning run against the Pirates from third base on a wild pitch.
