

A&M Consolidated Students To Direct City Government

Preparations are now being made at A&M Consolidated High School for National Kid's Day, which is scheduled for Friday. The school is now in the process of electing officers who will assume the duties of the College Station City officials from 1 p. m. until 5 p. m. Friday.

Petitions are now being circulated, and any student with as many as twenty names on his petition is eligible for office, except where class distinction must be made.

On Thursday at ten a. m. speeches will be made for the candidates, and the elections will be held. Those officers which will be elected are the mayor and six councilmen from three wards.

Two members of the Freshman Class will make up the first ward, two members of the Sophomore Class will make up the second ward, and two members of the Junior Class will make up the third ward.

The City Council will appoint the city secretary and the city manager from the Senior Class. It will also appoint the assistant city secretary, city attorney, city marshal, and the utility superintendent.

The elected officers will go to the City Hall at 1 p. m. Friday afternoon, where they will be met by city officials and taken to their separate offices. There they will assume their duties.

On Tuesday, they will be guests of the Kiwanis Club, and will submit a report of what they accomplished while they were in office.

Injury Benefits Available To School Pupils

Student insurance for students not participating in interscholastic sport activities will be offered A&M Consolidated students this year, according to L. E. Boze, principle.

For a premium of \$1.00 per school year, benefits are provided for injuries occurring in all supervised school activities on the grounds, buildings, or other place of instruction used by the school. Transportation in vehicles under direct supervision of the school is also covered.

The plan pays stipulated fees for specified injuries, but it does not guarantee to pay all doctor and hospital bills, Boze said.
