

The Last Word

Dancing Class Planned For College Couples

By PAT MORLEY
BATTALION WOMAN'S EDITOR

Would you like your husband to be able to "trip" the light fantastic, without "tripping" everyone else on the dance floor?

A beginner's dancing class for couples has been scheduled by Miss Betty Bolander, Program consultant for the MSC, for such cases.

The class is scheduled to meet every Tuesday from 8:45 p. m. until 9:30 p. m. for ten weeks. The course will be taught by Mrs. Clara Howard, dance instructor.

During the football season, the class will meet at 9:15 p. m. to enable couples to attend yell practice on Tuesday night.

Interested couples are requested to phone Miss Bolander at 4-5124. Unless greater interest is shown in this program, the class will have to be discontinued, Miss Bolander said.

Mrs. S. S. Sorenson, language and history teacher at Consolidated High School, was entertained by a group of senior girls with a surprise "Pot Luck" party last week in her home in College Park. The students doing the "Surprising" were Sara Puddy, Judy Oden, Celeste Curran, Janice Hildebrand, Glenda Brown, Barbara Sims, Wanda Goodwin, Martha Arnold, Dorothy Holick, Maxie Wilson, and Adeline Clark.

The girls furnished the food for the party, and presented Mrs. Sorenson with two demitasse cups and saucers as a "housewarming" gift.

Mrs. O. G. Helvey and Mrs. Lawrence Brown, wives of the Clergy of St. Thomas Episcopal Church, 906 Jersey St., left Monday for Houston. They were all smiles in anticipation of the annual houseparty held in the home of Mrs. C. S. Quinn, wife of the Rt. Rev. C. S. Quinn, D. D., who is the bishop of the Texas Diocese of the Episcopal Church.

The Rev. Helvey and the Rev. Brown, and the rest of the clergy of this diocese, will be attending a three day conference set by the Bishop each fall.

Aggie Romario S. Martinez, recently a surgical patient in St. Joseph Hospital of Bryan, was released last Wednesday.

Mr. and Mrs. Robert E. Insall, 503 Tauber St., became the parents of a 7-pound boy Sept. 15. Robert is a junior Animal Husbandry major. A son, who also weighed 7 pounds, was born Sept. 19, to Mr. and Mrs. T. J. Choehe Jr., of College Station.

Little Howard Nedderman, son of Mr. and Mrs. W. H. Nedderman of College Station, has been released from St. Joseph Hospital, after he was entered as an emergency patient following a fall which injured his head.

Last Saturday a baby boy, weighing 6 pounds, 10 ounces, was born to Mr. and Mrs. Lawrence Goats, of B-13-C, College View. Lawrence is a senior EE major from Orange, Texas. Parents of a new 7-pound daughter are Mr. and Mrs. Robert L. Skrabanek of 4405 College Main. The little girl's father is an assistant professor in the Agricultural Economics and Sociology Department.

"Queen" Ann Loupot reigned supreme over the MSC Fountain Room Thursday morning at 10, when the other 56 children in Mrs. R. R. Lyle's Kindergarten helped Ann celebrate her sixth birthday.

The Queen's Court included the King, Hub Baker; lady-in-waiting, Sally Jane Sorenson; and king's man, Jim Mills. There were silver crowns for the royal couple, and ice cream cones for all!

Mayor and Council

Pictured above are the student mayor and councilmen who were elected by their fellow students at A&M Consolidated High School to serve in the top city positions during the National Kids Day Program sponsored by Kiwanis International. Left to right, they are Clifton Bates, councilman from Ward I; Roy Corim, Ward I; George Johnston, mayor elected from Senior Class; Martha Ann Williams, Ward II; and Carolyn Landis, Ward II. Not pictured is Martha Ergle, Ward III.

Free Movie Shown Local Youngsters

The Palace Theater opened its doors to all kids in the Bryan-College Station area Saturday morning for a free show.

A part of the Kiwanis Club International's National Kids Day program, the free show was sponsored by the Boys and Girls Committee of the College Station Kiwanis Club. Edward Ivy is chairman of the committee.

The main picture was entitled "News Hound." In addition to the main feature, three other shows were presented. They were an "Our Gang" comedy, a "Popeye" animated cartoon, and another cartoon. Stars of the main feature were the "Dead End Kids."

Admission was free, except kids had to wear buttons which were distributed in Bryan and College Station schools Friday.

Dean of Brazil Veterinary School Visits A&M Campus

Dr. John Soares Viegas, Dean of the Veterinary College of the State of Sao Paulo, Brazil, was a recent visitor to the A&M campus. He stopped here while studying the American experiments on heat tolerance of cattle and design of climatological chambers.

Dr. Viegas first visited the United States in 1947 to study the Brahman cattle industry. This trip was sponsored by the Rockefeller Foundation which is doing much to improve Latin American relations. He spent five months at the Beltsville, Md. Experiment Station following their experiments.

While at A&M, Dr. Viegas visited the School of Veterinary Medicine and the Animal Husbandry Department. He showed particular interest in the experiments carried out by the Dairy and Genetics Departments. These experiments are aimed at developing a new dairy breed from Jersey bulls and Brahman cows and at the teaching of Surgery and Clinics at the Veterinary College.

He returned to Brazil, via Mexico, where he will visit Dr. R. Shrode formerly of the A&M Genetics Department and now with the Inter-American Institute of Agricultural Science at Costa Rica.

Dr. Viegas left College Station Friday with the idea of obtaining the help of an American trained Veterinary Surgeon to teach at the Veterinary School in Brazil.

Allied Troops Capture Peak on Eastern Front

U. S. Eighth Army Headquarters, Korea, Sept. 25—(AP)—United Nations troops today captured a commanding peak west of "Heartbreak Ridge" on the rugged Eastern Korea front.

The mountain, like the ridge the Allies want so badly, looks down on a Communist supply and assembly base.

A U. N. unit battled to the mountain top, northwest of Yangju, through intense mortar and small arms fire. It kicked an estimated two North Korean battalions off the peak in nearly three hours of fierce fighting.

There was a comparative lull Tuesday around "Heartbreak Ridge," twice lost to counterattacking Reds in 14 days of bitter fighting.

Grenade-tossing Communists drove U. S. troops off the highest peak in the ridge Monday for the second time in 10 days.

Wary American soldiers holed up on the steep slopes and repulsed three small Red probing attacks before dawn Tuesday. They reported that by Tuesday afternoon there had been no further contact with the Communists.

Battleship Pounds Hills

To the East, the 16-inch rifles of the Battleship New Jersey pounded Reds in the hills north of the Punchbowl, a one-time Communist assembly point.

The one and one-quarter ton shells arched miles through the air. Dozens hit the heart of the Communist defenses on the northeastern front, the Navy said. Observers called the results excellent.

The South Korean Frigate Apnok was hit three times Monday in a duel with Red shore batteries on the East Korean coast. Three South Korean sailors were wounded and two were sent aboard the New Jersey for treatment.

Allied offensives that had won up to 15 miles of rugged ground in sectors along the mountainous Eastern front apparently had ground to a halt.

Only patrol action was reported from the Central and Western fronts.

High Red Casualties

Gen. James A. Van Fleet, commander of the U. S. Eighth Army, said Monday that the Reds lost 58,000 killed and wounded and 2,800 captured in the five weeks from Aug. 18 through Sept. 22.

Eighty per cent of the killed and wounded fell in the bloody fighting along the Eastern front.

The hardest fighting was for bloody "Heartbreak Ridge."

American troops have been striking at the key peak in the ridge from two directions, north and southwest.

Three men from the northern group fought to the top Monday, only to be killed by fiercely counterattacking Communists.

Red counterattacks stopped the southwestern front.

Along the four-mile north-south ridge, the Korean Reds have used heavy and prolonged mortar, machinegun and artillery fire to pin down the allies.

From the bunkers of the main peak and its spurs, the Reds can pour gunfire on almost every yard of American positions.

The ridge slopes are so steep that only a few men can attack at one time. Any allied advance must be carried out by small groups of men crawling and dodging among the paths of fire from the enemy bunkers.

What's Cooking

- A. S. C. E.: Tuesday, 7:30 p. m., Assembly room of MSC. President of Texas ASCE will speak; refreshments will be served.
- AGGIELAND MODEL RAILROAD CLUB: Tuesday, 7:30 p. m., Basement of Guion Hall. Meeting open for anyone interested in model railroads.
- AGRICULTURAL ECONOMICS CLUB: Tuesday, 7:30 p. m., YMCA Cabinet room. A little business and lots of refreshments.
- AGGIE DISCUSSION AND DEBATE CLUB: Wednesday, 7:30, Room 2-c MSC. All students interested in debate should attend this meeting.
- ART GALLERY COMMITTEE: Tuesday, 7:30, room 3-C MSC. Commercial artist will give demonstrations.
- ARCHITECTURAL WIVES SOCIETY: Wednesday, 7:30, South Solarium YMCA.
- BUSINESS SOCIETY: Tuesday, 7:30, MSC Ballroom. Organizational meeting and officers will be elected.
- CUB SCOUT OFFICERS AND DEN LEADERS: Tuesday, 7:30, Music Room of Consolidated School. Plans for the year will be discussed.
- ENTOMOLOGY SOCIETY: Tuesday, 7:30, Science Building room 106. Election of officers.
- GEOLOGY CLUB: Tuesday, 7:00 p. m., room 140 Geology Building. Plan a Barbecue and elect a club sponsor.
- HILL COUNTY A&M CLUB: Tuesday, 7:30, Reading room YMCA.

Inflation.. can crush you!

WHAT IS inflation, anyway? It's a BIG danger bred by LITTLE things . . . things that in themselves seem penny ante. A few cents more for wages . . . a few pennies added to prices . . . the cost of living creeping up another notch. Bit by bit, day by day, all squeezing a little more life out of your dollar. Unless stopped, inflation can destroy you, your family, your country.

We can fight inflation by facing this danger. This calls for strong government action—and solid support from everyone of us along the lines indicated at right. Let's all pull together.

- WHAT YOU CAN DO ABOUT IT!
- It will take all of us—America's 150 million people to lick inflation. Here's how you can help:
- ★ Buy only what you need—use credit carefully
 - ★ Help turn out more goods
 - ★ Help hold the line on prices and wages
 - ★ Fight government extravagance
 - ★ Support budget-balancing taxes
 - ★ Save—Invest—Buy Defense Bonds

IT WILL TAKE ALL 150 MILLION OF US TO LICK INFLATION

Like many American firms, we believe that business has a responsibility to contribute to the public welfare. This advertisement is therefore published in the public interest by:
